FLORAL GUIDE

Eight Best Geraniums. ALL DOUBLE.

COLLECTION I.

WHITE, MME. BUCHNER, very large trusses 10
PINK, JEAN VIAUD, beautiful, large trusses 10
CARMINE, DUC DE MONTEMORT, handsome 10
CRIMSON, S. A. NUTT, large trusses, rich 10

COLLECTION II.

BLUSH WHITE, MME. JAULIN, fine trusses 10
SALMON, BEAUTE POITTEVINE, big trusses 10
CHERRY RED, MARQUIS DE CASTELLAIN 10
PINK, FRANCIS PERKINS, long-stemmed . . 10

FOR 25 CENTS I will mail either collection, or both collections with an extra new variety, nine plants in all, for only 50 cents. These are decidedly the finest Geraniums for either pots or beds, being of dwarf, bushy habit, wonderfully free-blooming, will bear drought and hot sun, and always open their flowers. The flowers are very large, distinct and rich in color, and borne in massive clusters. I cannot too highly recommend them. They are truly the eight best Geraniums, and should be the first in every collection, either for the garden or the window.

THESE SPLENDID GERANIUMS FREE.—So anxious am I that you should have these Geraniums that I offer either collection FREE and post paid to anyone sending me a Dollar Order from this GUIDE during January, February, May or June, 1909, or both collections for a \$2.00 order during these months. Or, for a \$3.00 order received during March or April, I will send either collection, or for a \$5.00 order both collections.

STILL MORE—With every collection I will mail a packet of seeds of each of the Two Glorious Novelties described on page 5, worth 20 cents. Can I make more liberal offers? Please see your friends and get up a club order.

GEO. W. PARK, Seedsman and Florist,
La Park, Lancaster County, Penn'a.

2 INDEX AND GERMINATION TABLE.

WHEN sowing divide the packages, and sow at different times. Note the time, and give good care until the plants have had time to appear. Figures here indicate pages, and letters indicate, as per key, the time needed for germination: Do not condemn seeds until you have given them at least two or three trials.

A FEW INTRODUCTORY WORDS.

3

MY ESTEEMED PATRONS:--

For 40 years I have been supplying you with the best Seeds, Bulbs and Plants, with directions for their successful culture. And now, again, at the threshold of a new year, I am pleased to greet you through my **Annual Floral Guide**, and to assure you of my continued faithful service. A few of you have been my patrons throughout the forty years of my business life; many more have been giving me orders for thirty years; tens of thousands have dealt with me for a score of years; and hundreds of thousands have been buying of me for the last decade. My floral family now numbers over a half million enthusiastic people, and I am truly proud of it. Every season the in-coming mail-bag is bulged with kind letters and orders, and every season I am increasing my facilities to satisfactorily meet their wants. The many years of pleasant business dealings have resulted in business friendship, and thus the annual seed and plant order is often accompanied by friendly words, enforced by an introduction to neighbors who have been induced to become my patrons also. Let me tell you that these favors and friendly expressions are fully appreciated. They give a bright touch to the tension of business, and make life seem worth living.

ABOUT MY SEEDS.—Some of my seeds are grown in my own gardens; many are grown on contract; and many more are secured from growers and specialists in France, Germany, England, Italy, Japan and Mexico. All are of the best quality, and can be depended upon for the most satisfactory results. All are of prime vitality, being of the new crop and tested to a high percent; those that do not bear the test are discarded. All are guaranteed to be as represented, and what is more they are sold at prices that come within the reach of all who have a garden. The low prices, kindly bear in mind, do not indicate that the seeds are inferior. There is nothing cheap about my seeds but the price, and I challenge a comparison with seeds from any other source, regardless of the price. A trial will convince you of their high quality and sparkling vitality. If other's seeds have failed you, try **Park's**. They never disappoint when properly treated, and the cultural directions I send with every package tell you just how to properly treat them. My special mixtures are prepared in my own establishment under my personal supervision. I do not buy the foreign mixtures, which are often the odds and ends of a wholesale seed house, but get the varieties separately, and mix them in careful proportion. You thus get the best seeds and best mixtures. You will always find them as represented.

ABOUT MY BUSINESS METHODS.—My seeds are not only low in price and of the highest quality and vitality, but they are brought right to your door without further expense. All orders are given prompt and careful attention, the seeds being carefully packed, mailed or expressed free of cost, and guaranteed to reach you in due time and in good condition. If errors occur I will cheerfully correct them. If anything is damaged or lost in transit I will gladly replace it. I aim to bring my establishment right to your door, and deal with you as satisfactorily as though you were at hand in person. I am never satisfied, my friends, until you are, for my success depends upon yours. I am even willing to do more than justice and fair dealing warrant, in order to please my patrons.

Remitting.—Please make out your list of seeds, bulbs, etc., with prices in detail, adding up the column of figures, and remit the full amount. Do not order more than your money pays for. Remit by Money Order, Express Order, Draft, or Registered Letter. Sums under \$1.00 remit in postage stamps. I cheerfully bear the risk when remittances are made as directed. If your seeds do not duly come, let me know, and I will fill your order, whether the money is received or not, I bear the risk both ways.

ABOUT MY MAGAZINE.—I began my seed business in 1869, and in 1871, two years later, my **Floral Magazine** was established, since which time it has been regularly published. At first it had a circulation of only 200 copies monthly, but from year to year the subscription list has been augmented, until **Park's Magazine** now visits the homes of nearly half a million people, and is a household word, bringing cheer and happiness throughout the land. It is devoted entirely to flowers, is finely illustrated, and gives just the information the amateur florist needs to succeed in his gardening efforts. Price only 10 cents a year, or five years for 50 cents. If you love and cultivate flowers do not fail to subscribe for **Park's Floral Magazine**. It is now the only journal of its class published in America, and the oldest in the world. It is always teeming with practical information and notes of interest on flowers and their culture in both window and garden.

SPECIAL For **PARK'S FLORAL MAGAZINE ONE YEAR,** 25c } **SEEDS, YOUR SELECTION FROM GUIDE, VALUE 25 CTS, TRIAL PRICE** 10c } **TOTAL** 15c } 25 cts.
 This offer is to encourage new subscriptions. Full subscription price (10c) must be sent to get the seeds (25c worth) at trial price, 15c. In other words, 25c, either in stamps or coin must accompany order. Tell your friends.
FOR A CLUB OF FOUR.—Get me a club of 4 subscriptions (\$1.00), on the above offer, each subscriber to get **Park's Magazine** a year, and trial seeds, their choice from Guide amounting to 25c. To you as agent, I will mail the Magazine a year and trial seeds amounting to 25c. I am anxious to have a club of at least five names at every post office, and if you send in such a club and add 5c for postage, I will send you in addition a present of 10 choice summer-flowering bulbs, various kinds. May I not get a club from you?

Address, **GEO. W. PARK, La Park, Lancaster Co., Penn'a.**

' Notes on Some Worthy Flowers.

DURING THE PAST SUMMER I spent three months in Europe, where I visited the principal gardens of England, Germany, Austria and France, and I will give here brief notes on things that were particularly attractive. I can supply seeds of any kind at 5 cents per packet.

BLOOMING THE FIRST SEASON.

Alonsoa miniata compacta, lovely scarlet flowers; dense and bushy; splendid for pots.
Arctotis brevicauda, a fine golden-flowered plant for beds; grows one foot high.
Blumenbachia insignis, hardy annual trailer.
Bocconia frutescens, 5 ft; fine sea-green foliage.
Calandrinia grandiflora, 1 ft; large, rosy bloom.
Calliopsis Drummondii, glorious flowers appearing as a waving sheet of gold; very showy.
Capsicum Tom Thumb, a neat, bushy Pepper, with small, scarlet fruit in great abundance; fine for pots.
Centaurea cyanus alba, double white with blue centre; very prolific, and of great beauty.
Chrysanthemum coronarium nanum luteum, very dwarf, and very free-blooming. The plants are eight inches apart, and make a bed of golden color.
Chrysanthemum multicaule, 8 inches high; masses of golden bloom; makes handsome bed.
Echscholtzia Cardinal, and **E. Carmine King**, both dark rose and red varieties of great beauty, appearing well in a bed.
Echscholtzia, Mandarin, new double; rich orange-scarlet, a mass of superb color.
Gazania splendens, orange, Daisy-like; pot plant.
Gladiolus gandavensis, hybrids of various fine colors; large and handsome flowers, all colors.
Glaucium leiocarpum, an everblooming annual; flowers Poppy-like, brilliant deep orange scarlet, blotched at base; very handsome.
Lallemantia canescens, a handsome mint-like plant with blue flowers; good for bee pasture.
Larkspur, Imperial Branching, double, dark blue, light blue, white, tricolor. Wonderfully showy in large blocks or beds when in full bloom. 3 ft high.
Leptosphon densiflorus, low growing, dense little plants covered with white and lavender flowers.
Lobelia Emperor William, the most showy and beautiful of blue Lobelias; 8 inches high, large flowers, a mass of rich color; best for beds and edgings. **L. pumila compacta** rose, a splendid sort 6 in. high. **L. Tenior**, fine large blue flowers. **L. comp. coerules oculata**, lovely dark blue with white eye.
Linum grandiflorum, a mass of elegant waving flowers the color of Crimson Rambler Rose. 10 in. high. A splendid annual.
Lupinus Hartwegii, a foot high, fine spikes of lovely flowers, showy and handsome. Blue and red.
Lupinus hybridus roseus, ten inches high, with numerous spikes of rose-colored flowers; fine border.
Lupinus Nanus, a foot high, branching, and bearing fine spikes of rose, violet and scarlet flowers, tipped white. This is a very effective race of Lupinus, free-blooming and fine for beds or borders.
Nasturtium, Dwarf. The following are very effective in beds, in which they stand eight inches apart. They make a blaze of rich color. **Aurora**, fine salmon; **Coccineum**, rich, dark scarlet; **Brilliant**, very free-blooming, light scarlet; **Luteum**, fine, free blooming, yellow.
Petunia Rosamond, plant compact; flowers beautiful rose, white at centre; also called **Rosy Morn**.
Phlox Drummondii Hortensiaeflora **Brilliant** and **Coccinea**, both gorgeous scarlet flowered sorts.
Poppy, **Coccineum Aureum**, pure scarlet, single, a wonderfully attractive bed of bloom.
Poppy Murselli, white tipped dark red, very double, showy and beautiful.
Poppy Rhoeas, double, two feet high, in blocks of rose, white and crimson. Showy and beautiful.
Salvia Horminum, very showy in masses, the flower bracts being red, white, violet; good for bees.
Saponaria Vaccaria, rose and white flowers freely borne; showy in a bed and useful for cutting.
Senecio Elegans naus Pomponicus ruber, very showy, dark red; **Alba**, a fine white variety; **Coerulea**, elegant blue; **Atrorosea**, rose. All of these grow 10 inches high, and set six inches apart make a glorious display. One of the best bedding plants.
Silene Armeria (catchfly) red, in a large bed is exceedingly showy when in full bloom.
Solanum Balbisii, large, light blue flowers produced in clusters; cut leaves; very pretty.
Tagetes lucida, looks like golden Candytuft; delicious fragrance, like sweet Myrrh; everblooming. Should be better known.
Trifolium suaveolens, a sort of clover, blooming abundantly; flowers are rose-colored and very sweet.
Trapaeolum Lobbianum, **Coccineum multiflorum**, very brilliant, free-blooming. **Nasturtium** useful for beds; flowers rich scarlet with dark center.
Vicia fulgens and **V. Gerardi**, handsome vines, the former dark red; the latter, violet.
Viscaria oculata in a mixed bed was a grand waving mass of lovely colors, white, scarlet, red, blue.

BLOOMING THE SECOND SEASON.

Aconitum delicatissimum, a glorious blue-flowered perennial; splendid.
Anthemidis Kelwayi pumila, very free-blooming golden daisy; fine in masses.
Aster Alpinus, a foot high, graceful blue flowers.
Brunella Webbiana, large heads of purple bloom; dwarf; the best variety.
Campanula Alaskana, a dwarf blue Bell-flower, new, rare and handsome.
Campanula carpatia, a foot high, covered with beautiful bells; splendid.
Campanula glomerata acaulis, a low Bell-flower, lovely dwarf clustered bloom.
Campanula fragilis, trailing, for baskets; blue.
Macrantha, 5 ft.; large, showy bells; rich blue.
Baineri, 5 inches; large, dark blue flowers.
Rotundifolia, Scotch Hair Bell, fine, drooping, blue.
Turbinata, dwarf, spreading; large, blue and white.
Catananche bicolor, 2 feet high, showy white flowers with purple eye.
Celsia, Cretan Mullein, 5 ft.; fine yellow bloom.
Centaurea Macrocephala, 2 feet high, large, globular golden bloom, odd bracts, showy and handsome; dries well when cut.
Centaurea saloniatica, 2 ft, ball-like yellow bloom.
Ruthenia, light yellow, globular bloom on long stems; lovely foliage.
Cephalaria tartarica, a composite; large light-blue flowers on long stems; good for bees.
Cineraria acanthifolia, silvery, graceful foliage.
Cirsium pulcherrimum, a Thistle, violet flowers.
Delphinium tatiense, a free-blooming branching species, 2 ft high, useful for beds; blue flowers.
Dianthus Mirabilis fl. pl., elegant fringed large flowers in many colors; splendid sort; 1 ft. high.
Dianthus Sequior, 1 ft high, shades of pink, mottled; very free-blooming; flowers one inch across; makes a showy bed.
Digitalis ferruginea gigantea, 6 ft high, immense stately spikes, rather small bloom, buff veined red in throat; good for bees.
Dipsacus laciniatus, 8 ft high, a curious giant plant with bur-like seed vessels.
Echinops Ritro, 3 ft high, with large globular heads of blue; fashionable for cutting.
Echinops sphaercephalus, 6 ft high, large, globular heads, a fine honey plant; odd. **E. ruthenicus** and **E. banaticus** are fine species with showy blue heads, good for cutting.
Eryngium alpinum; the bracts are lovely, plume-like, and appear as a flower; centre dark green.
Eryngium giganteum, the Giant Sea Holly, grows 4 ft high; blue ball-like heads with spiny collar.
Gilia coronopifolia, 3 ft high; fine long spikes of orange-scarlet flowers; stem clothed with lovely cut foliage to the spike of bloom; very handsome.
Hypericum Calycinum, 4 ft high; handsome, large bright yellow flowers, with many stamens.
Lasiaagrostis argentea, a fine grass, 3 ft high with plummy heads.
Ligularia Macrophylla, 5 ft high, with silvery leaves 2 ft long, and great panicles of golden bloom.
Linum flavum, a foot high, literally smothered with golden bloom; fine for beds.
Marjorum **origanum**, a sweet perennial.
Miclauxia campanulata, 5 ft high, well branched and covered with bloom, showy; should be staked.
Mulgedium Flammé, 6 ft high, with handsome, long, showy, though coarse foliage; flowers like Chickory, pink with blue center. **Blue Thistle**.
Pentstemon Murrayanus, grandiflorus, 2 ft, large, variegated bells on spikes a foot long.
Potentilla formosa, pretty brick-colored flowers with black center; peculiar and showy.
Physostegia speciosa, rather handsome, 2 ft high; Mint-like bloom that will stay whichever way turned.
Santolina tomentosa, 1 ft, masses of golden bloom.
Saxifraga Decipiens grandiflora hybrida, the plants are fine edging rosettes; new.
Scabiosa Caucasica Perfecta, lovely large azure bloom on long stems; fine for cutting.
Sedum Aizoon, a foot high; large yellow bloom.
Sedum Lageri, dwarf, with orange flowers.
Sedum spurium splendens, for edgings and borders; purple, free-blooming.
Shasta Daisy, fine large flowers, a mass of color.
Sidalcea Rosy Gem, a fine perennial, 2 feet high, spikes of charming rosy flowers in a cross.
Spergula pilifera aurea, a low mossy plant, golden foliage, white bloom; fine edging, or for pots.
Statice superba, odd and handsome Sea Lavender.
Verbascum Giganteum, 6 ft high; immense leaves, fine yellow bloom.

Two Glorious Novelties.

5

WHILE IN EUROPE the past year I was so charmed with the wonderful beauty and attractiveness of two novelties there in bloom that I arranged for a liberal quantity of the seeds, so that my patrons would be among the first to secure and enjoy them. I offer the seeds as follows:

Begonia Gracilis Luminosa.—This is decidedly the most showy and beautiful bedding Begonia I have ever seen. The plants are easily raised from seeds, branch freely, begin to bloom when quite small, and set six inches apart in a bed make a glowing mass of rich bronzy red, bedecked with great clusters of showy, crimson bloom, the crisp, dense foliage being almost as rich-colored as the flowers. Started early in spring the plants will be ready to bed out in June, and make a show from the start, becoming more beautiful as the season advances, until they appear as a gorgeous sheet of red and crimson. Fine also for pots and edgings. Continuous-blooming. Of all bedding Begonias this is unquestionably the best. A bed of it is the admiration of all who see it. The specimen bed I saw in Europe at the introducer's was surpassingly attractive and beautiful, and my seeds are direct from him. Those who try it will, I know, feel grateful to me for recommending for beds and pots such a lovely and easily grown Begonia. Price, pkt of 100 seeds, 10 cents, 3 pkts 25 cents.

Begonia seeds are small, but germinate well, and the plants soon begin to bloom, increasing in beauty as they grow. Cultural directions accompany every packet.

Dimorphotheca Auran-

tiaca.—A magnificent annual from Namaqualand, South Africa. The seeds start readily, and the plants soon become a glorious mass of shining orange-gold, the brilliancy of color enriched by a dark central disk or zone. The flowers are Daisy-like, nearly three inches across, very graceful in form, and appear in such profusion that the bed becomes a glorious sheet of rich color, glistening in the sun like burnished gold. Plants grow a foot high, begin to bloom early, and continue to bloom throughout the summer and autumn. I know of no annual more showy and beautiful, or that will elicit more enthusiastic praise when in full bloom than this grand South African Daisy, and I am pleased that I can supply my friends with seeds direct from the introducers at the moderate cost of 10 cents per pkt. of 10 seeds, or three pkts for 25 cts.

My stock of seeds of this grand flower is limited, but I hope to have enough for my patrons. Set plants 8 or 10 in. apart. Branch freely, (see engrav), and will become a mass of golden color. Try this new African annual. It will please you.

FOR ONLY 25 CENTS

monthly, for a year. This is a combination that should be secured by everyone who grows flowers. Tell your friends and get up a club of four (\$1.00), and I will send five lots. You will thus get your own free.

THE ABOVE GLORIOUS NOVELTIES FREE.

To anyone ordering \$1.00 worth from this GUIDE during January, February, May and June, or \$3.00 worth during March and April, 1909, I will send a packet of seeds of each of the above Glorious Novelties, in addition to the Choice Geranium Plants offered on title page.

YOU, MY PATRON, can do me a favor I will appreciate, and awaken an interest in flowers in your community by getting up a club for Park's Floral Magazine. [See last page of this Guide]. Nothing you could do would tend to increase the taste and good morals of a place more than this missionary work. For where the love of flowers abounds cleanliness and tidiness prevail, life is endowed with happiness, and wickedness and poverty depart. See my liberal premiums and offers on last page, and send for blank lists, samples, &c. for taking subscriptions. Write today. Address **GEO. W. PARK, La Park, Pa.**

Sample Letters of Thousands.

Aster.—Mr. Park: The Asters I grew from your New Hohenzollern and Ostrich Feather seeds, were the largest and most double Asters I ever saw. I was delighted with them. —Mrs. Geo. D. Vanderbilt, Wayne Co., N. Y., Dec. 12, 1908. [See pages 9, 11.]

Aquilegia.—Mr. Park: From a three-cent packet of Columbine I raised many fine plants, showing dark blue, light blue, pink and cream-white flowers, both double and single in form, and all beautiful. —Mrs. J. J. Matheson, Bennettsville, S. C., Dec. 8, 1908. [See page 41.]

Arnebia.—Mr. Park: Arnebia Cornuta is an Oriental beauty: such a brilliant sunshine yellow, and the velvety blackish spots have the effect of a dark flower laid over the yellow one. It is fragrant at odd times. Easy to grow but does not like our noon sun. —Mrs. M. M. Russell, Orlando, Fla., Dec. 4, 1908. [See page 8.]

Calliopsis.—Mr. Park: Last summer I sowed a packet of your Calliopsis, which was new to me and most of my friends. It proved a veritable shower of gold, gold with lovely combinations of brown velvet. It is an ideal bouquet flower. The foliage is insignificant, but the flowers are like sunshine, airy and graceful, mixed with the black, bead-like buds. It covers a long season—frost finding it still blooming. —Lily Ely Little, Chautauqua Co., N. Y., Dec. 12, '08. [See page 15.]

Calendulas.—Mr. Park: What brave little flowers are your Calendulas. We had a bed of them, and gathered armfuls of the golden daisy-like flowers long after the first frosts and snow. —Helen H. Lockey, Livingston Co., N. Y., Dec. 14, 1908. [See page 15.]

Canterbury Bells.—Mr. Park: The Canterbury Bells (Campanula) from your seeds were just grand. I had red, white, deep blue and pale lavender. —Miss Ines Speer, Wash. Co., Pa., Dec. 10, 1908. [See page 43.]

Cannas.—Mr. Park: I got a packet of your mixed Cannas, soaked the seeds, and with a sharp knife cut through the shell. I have a lovely crimson in bloom, a red and yellow, and solid yellow, also two shades of red from that one packet, and lost some of the little plants by carelessness. —Mrs. M. E. Franklin, Plant City, Fla., Dec. 11, 1908. [See page 15.]

Capiscum.—Mr. Park: I sowed a packet of your Capiscum (Pepper) seeds, and had enough plants to supply the neighbors, and a long row for myself. They were certainly ornamental, and came in mighty handy in pickling time. I have had better luck with your seeds than with any others I have tried. —Emily Dickinson, Lucas Co., Ohio, Dec. 14, 1908. [See page 14, 17.]

Coleus.—Mr. Park: I raised over 50 Coleus from a 3-cent packet of your seeds, and set them in my rockery. They made a grand display all summer, as no two were alike. —Mrs. A. Kellogg, Virginia, Dec. 15, 1908. [See page 51.]

Coxcomb.—Mr. Park: My Coxcombs from your seeds were the largest I ever saw, measuring 18 inches across. They were of fine colors, and very beautiful. —Mrs. E. M. Butler, Woods Co., Okla., Dec. 17, 1908. p. 14.

Dahlias.—Mr. Park: I never got so much pleasure from a packet of seeds as from a packet of your Double Dahlias. I sowed them in a window box in March, and did not expect much, but had nine varieties—the prettiest a large, creamy white, and red and yellow variegated. By September the plants were as large as those from tubers, and just full of flowers. —Emily Dickinson, Lucas Co., Ohio, Dec. 14, 1908. [See page 17.]

Gaillardias, Geraniums.—Mr. Park: My Gaillardias [See page 18] were magnificent. I had some single, some semi-double, and others that were perfect globes, all shades of red and yellow. From one packet of your Geranium [See page 59] seeds I raised seven fine plants, besides those I gave away. One had clear pink single blossoms, one deep scarlet, one salmon, one white and one crimson almost black, and two are yet to bloom. —Mrs. Alice E. Alford, Gibson Co., Tenn., Dec. 8, 1908.

Hardy Primroses.—Mr. Park: The Hardy Primroses from your seeds have been so satisfactory that I want more seeds. The plants proved perfectly hardy, and also stand severe drought. The flowers were fine. —Susan Tucker, Spokane Co., Wash., Dec. 5, 1908. [See page 45.]

Hercules Club.—Mr. Park: I used your Hercules Club Gourd to cover a fence which was in sight from the street. It's great leaves made an excellent screen, and everyone admired the creamy white blossoms with which it was covered from July 1 until frost. Some of the great clubs are now doing duty as bird houses. I have never found anything cheap about your seeds but the price. —L. G. Parker, Winnebago Co., Ill., Dec. 9, 1908. [See page 35.]

Perennial Phlox.—Mr. Park: I have been successful with your Perennial Phlox. Some of my finest plants were raised from seeds. As new colors and markings are to be found in the seedlings it is very interesting to watch the development of a bed of seedling Perennial Phlox. —Susan Tucker, Spokane Co., Wash., Dec. 5, 1908. [See page 45.]

Hollyhock.—Mr. Park: The 3-cent packet of Hollyhock seeds all grew, and I never saw such beautiful Hollyhocks before in all my life. They were of many colors, and much admired. —Miss Lydia Felkner, Hamilton Co., Tenn., Dec. 10, 1908. [See page 44.]

Nicotiana.—Mr. Park: I advise all the sisters to try the red and white Nicotiana affinis. Mine were beautiful, and I shall have a big bed of them next summer. —Mrs. Hamrick, Linden Heights, O., Dec. 10, 1908. [See page 24.]

Palm.—Mr. Park: Three years ago I got from you six different packets of Palm seeds, and raised a Palm from every seed. They are all doing nicely, and are now a foot high. —Mrs. E. Ash, Campbell Co., Ky., Dec. 9, 1908. [See page 60.]

Perennial Pea.—Mr. Park: After watching the Perennial Pea Vines from your seeds blooming from early summer till after severe frost, we concluded they were the vines for our porch, and removed all other vines to make room for them. They are easy to grow from seeds, constant and beautiful bloomers in all kinds of weather, and bug-proof. —Mrs. G. E. Damuth, Newark, Ohio, Dec. 5, 1908. [See page 45.]

Poppy.—Mr. Park: Of all annuals I think the Double Poppy most beautiful. Those I raised from a 3-cent packet of your seeds were a marvelous sight—the wonder of the town. Everybody stopped to know what they were, and to inquire about seeds. —Mrs. G. E. Damuth, Newark, O., Dec. 5, 1908. [See page 29.]

Primroses.—Mr. Park: I have many fine Primroses from your seeds. My Chinese Primroses are perfect beauties—pure white, blue, rosy white, bright red, &c., large flowers, from 11-14 and 12-14 inches across. My seedlings Primula floribunda are in fine bud, and will soon bloom. I also have P. obconica grown from your seeds, blooming finely, many different colors. A red one is not quite in full bloom yet. I must add that your Magazine is greatly appreciated. —Sarah J. Huggins, Wayne Co., N. Y., Dec. 12, 1908. p. 56, 57.

Pyrethrums.—Mr. Park: I like your Pyrethrums. They are fine as cut flowers, blending nicely with the summer Chrysanthemums, and Shasta Daisies. Their foliage is pretty, and the plants remain in bloom a long time. —Susan Tucker, Spokane Co., Wash., Dec. 8, 1908. [See page 43.]

Salpiglossis.—Your Salpiglossis are of all colors, richly variegated or penciled. They are beautiful. —Mrs. Geo. W. Slater, Columbia Co., N. Y., Dec. 6, 1908. [See page 30.]

Saponaria.—Mr. Park: My Saponaria Ocy-moldes from your seeds grew well, and became a mass of charming pink flowers. Everyone who saw, admired and inquired the name. The plants bloomed in May, when there were no other flowers like it in bloom. —N. H. Bateman, Chesterfield Co., Va., Dec. 6, 1908. [See page 48.]

Scabiosa and Job's Tears.—Mr. Park: I believe every seed of the packet of Tall Scabiosa [See page 29] grew. I had seven different colors, and the flowers were beautiful. I was also successful with Job's Tears [See page 40]. While not so showy, it is very pretty, and the children love to gather and string up the "Tears" for necklaces. —Mrs. E. L. Buckwalter, Marion Co., Mo., Dec. 9, 1908.

Snapdragon.—Mr. Park: Of all my flowers none gave better satisfaction than your Snapdragons (Antirrhinum). I picked many bouquets, and the more I picked the more there seemed to be. The flowers were of all colors and shades but blue, and so large and sweet. They bloomed till the first heavy frosts, but the leaves are fresh and green yet. —Mrs. H. S. Hanks, Omaha, Neb., Dec. 8, 1908. [See page 8.]

Sweet Williams.—Mr. Park: From a 3-cent packet of Sweet Williams, I have planted enough for a row 15 feet long. Every seed must have grown. I am waiting patiently for their flowers next year. My sister raised a lot that bloomed last summer, and they were wonderful. I didn't know there were so many colors in Sweet Williams. —H. R. M., Hancock Co., Me., Dec. 7, 1908. [See page 45.]

Zinnias, Petunias, Carnations.—Mr. Park: Last Spring I purchased my flower seeds of you, and I must say I never saw anything to equal them, and I have been growing flowers for 40 years. My Zinnias [See page 38] were just grand, of every color and variegated—some of them as large as a saucer. The Petunias [See pages 26 and 27] were the prettiest I have ever had—from pure white to almost black. Some of them, my friends called U. S. flags, they were striped so prettily. The Carnations [See page 43] were as fine as those grown and sold by florists for a good price. I expect to send you a large order in the spring. Also, several friends will order from you, as they say they have never known seeds to yield so many, and such fine flowers as yours. —Mrs. S. T. Gill, Tangipahoa Co., La., Dec. 6, 1908.

Sweet Peas.—Mr. Park: My Sweet Peas from your seeds last summer were the admiration of the whole country around. I had splendid success with them, and they were truly beautiful. —Miss Amanda Watson, Pa., Dec. 14, 1908. [See page 38.]

PARK'S SUPERIOR MACHINE-PACKED FLOWER SEEDS. 7

Offerings for 1909. Tested and Guaranteed of Prime Vitality and Quality.

SPECIAL NOTE.—For 40 years I have been supplying you, my patrons, with the best flower seeds grown. I am never satisfied till you are, and I want you always to complain to me of faults—not to others. With every seed package I give explicit directions for culture, and I wish you, everyone, to understand that my success depends upon yours. My best efforts are given to please, and if I am successful, as I must be, kindly speak a word in my favor to your friends. I shall appreciate it. If you can go further, and get up a club order, I shall appreciate it more.

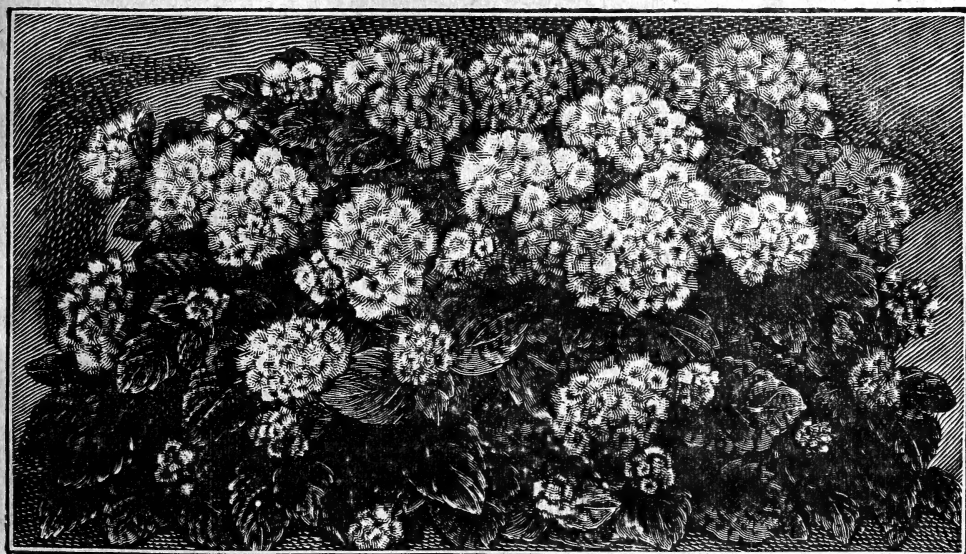

PLAN OF THE GUIDE.—This GUIDE is in six divisions:

I. Blooming the first season, sub-divided into Garden Flowers, Ornamental Climbers, Everlastings and Grasses. II. Blooming the second season. III. Window Flowers. IV. Shrubs and Trees. V. Flowering Bulbs. VI. Vegetables. The Table of Contents, on the second page, directs to any particular flower. It also pronounces the names and indicates approximate time of germination.

PART I—Blooming First Season.—Garden Flowers.

Ageratum, New Large-flowered.

Special Mixture, all varieties, 4 packets 10 cts, 1 packet 3 cts.

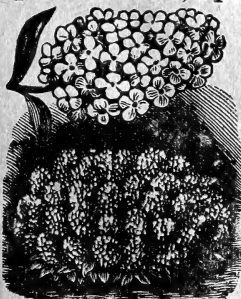

Beautiful plants for beds, edgings or pots, thriving in full sunshine. Flowers fleecy, in large clusters, borne freely and continuously. See engraving. I offer the finest varieties, and my special mixture contains them all. Those offered here are all of the fine, large-flowered sorts.

White , 8 inches high.....	5	Light Yellow , 10 inches.....	5	Lasseauxi , tall, pink.....	5
Blue , 8 inches high.....	5	Blue Star , 5 inches high.....	5	Conspicuum , tall, white.....	5
Azure , 8 inches high.....	5	Little Dorrit , white, blue, ea	5	Mexicana , tall, white.....	5
Blue , white centre 8 inches.....	5	Swanley Blue , dwarf.....	5	Mexicana , tall blue.....	5

Ageratums are much used in Europe for bedding, and the parks in Germany and Austria especially display glorious masses of the flowers. The plants are easily started from seeds, and of the easiest culture. I heartily recommend them. Set the tall varieties in the centre of bed, and use the dwarf sorts as edgings.

Alyssum, Sweet.

Special Mixture, 4 pkts 10 cts, 1 pkt 3 cts.

A splendid, fragrant annual. Seedlings begin to bloom early, and continue blooming till winter. Fine for edgings and for pots and baskets. In a bed these plants become a sheet of fragrant, white bloom.

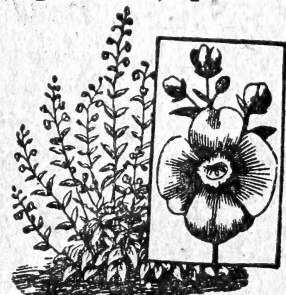

Little Gem , dwarf, erect, splendid....	3
White Carpet , fine trailing.....	3
Common Sweet , once 25 cents.....	3
Special Mixture , all sorts, 4 pkts 10c., 3	

Alonsoa.

Special Mixture, 4 pkts 10 cts, 1 pkt 3 cts.

Lovely pot and garden plants, very pretty, free blooming and showy. Easily grown and always admired

Albiflora , white	3
Grandiflora , scarlet.....	3
Gracilis , pretty	3
Linifolia , red, pyramidal.....	3
Mutisi , chamois	3
Myrtifolia , lovely scarlet..	3
Warszewicz , scarlet.....	3
Compacta , red	3

Abronia umbellata , Sand Verbena, rosy lilac,	5
Adonis aestivalis , Autumnalis, annuals, red bloom	3
Agrostemma Cœli Rosa , white, rose, fringed, mixed	3
Amaranthus , lovely foliage plants, many sorts, mxd	3
A. Quadricolor , A. Caudatus, A. Amabilis tricolor,	
A. Coleifolius , A. Monstrosus, A. Cruentus, A. Sal	
icifolius , A. Melancholicus ruber, A. Speciosus, A.	
Splendens and A. Nobilis, each	5

Ambrosia Mexicana , delightfully fragrant foliage	3
Anagallis , Pimpernel, one foot, showy blue, crim-	
son and scarlet flowers. Colors separate 5 cents,	
special mixture of all sorts,	3
Anchusa Capensis , dwarf blue flowers in clusters,	
handsome and very showy	
Anemone Crown , Poppy like flowers, mixed colors,	
Anthem. Kelwayi , fine yellow hardy composite	5

8 **Antirrhinum, Giant Fragrant.**

Special Mixture, all varieties, 4 packets 10 cts, 1 packet 3 cts.

STRIPED AND SPOTTED ANTIRRHINUMS.

ASK YOUR SPECIAL ATTENTION to the superior strain of Antirrhinum or Snapdragon here offered. They are a big improvement over the old-fashioned sorts, in size, color and rich variegation, while the plants are more floriferous. Colors range from pure white to dark crimson, embracing the lovely shades of pink and cream, as well as striped and spotted, and the flowers are all deliciously scented. The plants are gorgeous in beds, and are also useful for window boxes and pots. Many find them splendid for winter blooming. They are easily grown and transplanted, and bloom from early in the season till late in Autumn. Do not omit these lovely flowers in making up your seed order. My mixture contains all the colors carefully proportioned.

Scarlet , gold and white	5	White	5
White , striped red	5	Scarlet	5
Scarlet , with white throat	5	Rich Crimson	5
Yellow , striped red	5	Yellow	5
Carmine , with white throat	5	Chamois	5
Yellow and orange	5	Rose	5
Pure White , Queen Victoria	5	Striped	5
Golden Queen , rich yellow	5	Copper	5

Semi-Dwarf, Special Mixture, 4 pkts 10 cts, 1 pkt 3 cts.
Tom Thumb, for pots, edgings and beds, mixture, 4 pkts 10 cts, 1 pkt 3 cts.

Special Mixture, all colors, 4 packets 10 cts, 1 packet 3 cts.

Arctotis Grandis.

Price, 4 packets 10 cts, 1 packet 3 cts.

A handsome, new annual, a foot high, buds lilac, flowers Aster-like, pure white with lavender centre. Of easy culture. This is a flower much admired and praised by many who have grown it. A flower is shown in the little engraving.

Price, 4 packets 10 cts, 1 packet 3 cts.

Argemone.

Mixed, 4 packets 10 cts, 1 pkt 3 cts.

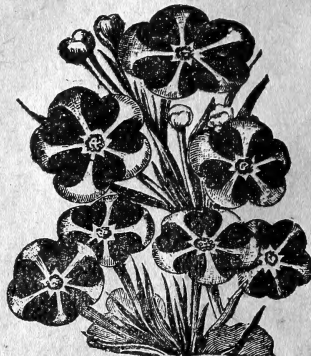

This is a prickly plant two feet high, bearing large, showy flowers; it is known as the Mexican Poppy. It makes a handsome low hedge or screen. It is a hardy annual, and the seeds may be sown in the fall, where plants are to bloom, and thinned out to suit. They like a sunny place. Both foliage and flowers are very attractive. Yellow, 5 cts; White, 5 cts.

Arnebia cornuta.

Price, 4 packets 10 cts, 1 packet 3 cts.

Arnebia cornuta is a very neat little annual, bearing innumerable golden yellow flowers, distinctly and handsomely spotted with dark brown, as indicated in the engraving. The flowers are borne very profusely, and a bed of the plants in full bloom is showy and beautiful. Remove the husk before sowing, if not already removed, and the seeds will germinate more promptly. The plants are less than a foot high, and set six inches apart they completely cover the bed, making a handsome display. It deserves to be better known.

Artemisia annua.

Price, 4 pkts 10 cts, 1 pkt 3 cts.

It is known as Sweet Fern; grows three feet high; foliage pretty and delightfully fragrant; flowers in profusion, yellowish green in clusters in Autumn. Fine for bouquets.

Artemisia annua self-sows, and once introduced volunteer plants come up every year. It is a welcome intruder, however, and a source of much pleasure.

ASPERULA

azurea setosa.

Price, 4 pkts 10 cts, 1 pkt 3 cts.

This is a lovely annual, grows 9 inches high, erect, with exquisite blue clusters of flowers on stiff stems. This is an easily grown flower. Sow where the plants are to bloom, or sow in a box and transplant six inches apart.

Aster, Park's Fine Bedding.

9

Special Mixture of all colors, 4 packets 10 cts, 1 packet 3 cts.

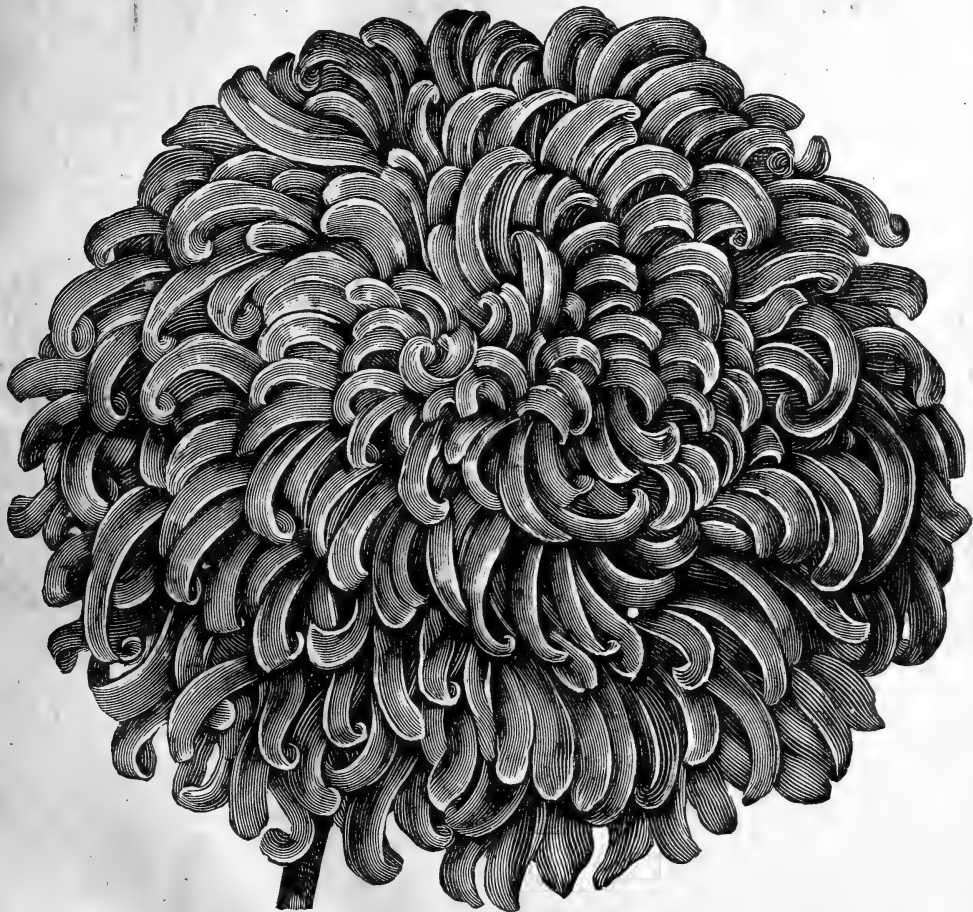

AMONG SEEDLING FLOWERS none make a more attractive or beautiful Autumn display than the Double Asters. The flowers are of delicate texture, rich and varied colors, and remain in beauty a long time, while the plants grow bushy, bloom freely, and are of easy culture. They require a deep, rich soil, and should not suffer for water during the growing and blooming period. Sow in a bed or box and transplant to six inches apart. The damage of the Aster Beetle can be overcome by sprinkling with a solution of one ounce of hellebore to three gallons of water. The bedding variety I offer grows a foot high, and makes a glorious bed of rich colors. Seeds for a bed, red, white and blue, with edging 20 cts.

Pure White.....	5	Light Blue.....	5	Rich Crimson.....	5
Dark Blue.....	5	Fine Rose.....	5	Mixed, 4 pkts. 10 cts, 1 pkt. 3	

Aster, New Hohenzollern.

Special Mixture, all colors, 4 pkts 15 cts, 1 pkt 5 cts.

THERE ARE MANY BEAUTIFUL ASTERS among the popular Ostrich-feather class, but as yet none surpass the New Hohenzollern Aster as grown by Mr. Roemer, of Quedlinburg, Germany, from whom my supply is obtained. The plants grow 18 inches high, are well branched, and free-blooming, while the flowers are of the largest size, (5 to 7 inches across) full double, and of exquisite colors, the petals long, fluffy, and thickly set. They are grand grown either in a bed or in pots. The handsome illustration I give is not overdrawn. It is the ne-plus-ultra of the double Asters, and should be in every collection. My seeds are unsurpassed.

Pure White.....	5	Brilliant Rose.....	5	Light Salmon.....	5	Dark Blue.....	5
Delicate Rose.....	5	Brilliant Carmine.....	5	Rich Crimson.....	5	Deep Lilac.....	5
Fine Rose.....	5	Azure Blue.....	5	Silver Lilac.....	5	Mixture, 4 pkts 15c, 1 pkt 5	

Early Hohenzollern.

Special Mixture, 4 pkts 10 cts, 1 pkt 3 cts.

Like the standard sort, but blooms earlier. My seeds are from the originator of this splendid Aster. Snow White, Rose, Azure, Dark Blue, Crimson, White changing to Rose, each 5 cts. Special mixture, 4 pkts 15 cts, 1 pkt 5 cts.

Gloria Aster.—This Aster has large white flowers with a scarlet border. It is very attractive. 4 pkts 15 cents, 1 pkt 5 cents.

Yellow Quilled.

Special Mixture, 4 pkts 10 cts, 1 pkt 3 cts.

This is the best yellow Aster to date. The plants grow two feet high, and are entirely covered with very large double quilled flowers, which last quite a long time. Mixture, 4 packets 10 cts, 1 packet 3 cts.

Unicum Aster.—This Aster has snow-white flowers of large size, the petals long thread-like, and gracefully twisted toward the centre; odd and very pretty. 4 pkts 15 cents, 1 pkt 5 cents.

Aster, Giant Perfection.

Special Mixture, all colors, 4 packets 15 cts, 1 packet 5 cts.

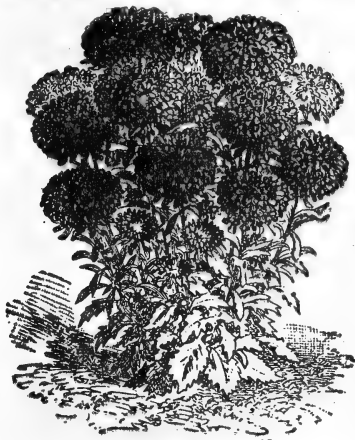

Giant Perfection is the finest of the incurved Asters, and is fairly represented in the engraving. The plants grow two feet high, branch, and become a waving mass of exquisite, large flowers of the choicest colors, as follows:

Pure White 5
Bright Rose 5
Dark Scarlet 5
Bright Crimson 5
Deep Blood Red 5
Sunlight, Yellow 5
Victoria Red 5
Brilliant Black 5
Blue with White 5
Azure with White 5
Azure Blue 5
Dark Blue 5
Bright Rose 5
Flery Scarlet 5
Rosy Crimson 5
Flesh Color 5
Purple 5

The plants are splendid for beds, and also for pots. My seeds are the finest to be obtained, and will be found far superior to those mostly offered. My mixture contains all the finest colors well proportioned.

Half Dwarf Multiflor.

Special Mixture, 4 pkts 15 cts 1 pkt 5 cts.

This is a French variety very highly praised. The flowers are large, freely produced and come in superb colors. The plants grow a foot high, and branch as indicated in the engraving. It is a choice and beautiful kinds. Azure, Mauve, Red, Rose, Violet, White and Yellow, each 5 cents. Special mixture, all colors, 4 pkts 15 cts, 1 pkt 5 cts.

Aster, Betteridge's Quilled.

Special Mixture, 4 pkts 10 cts, 1 pkt 3 cts.

This is the best of the quilled class. Plants grow a foot high and bear long, quilled petals, densely set, so that the flowers appear globular in form. White, Crimson, Light Blue, Violet with white centre, Rose with white centre, each 5 cents; special mixture of all colors 4 packets 10 cents, 1 packet 3 cents.

Japanese or Tassel,

Mixture, all colors, 4 pkts 15 cts, 1 pkt 5 cts.

Grows 15 inches high, branching, and producing large, showy flowers of various colors, the petals charmingly twisted. The seeds I offer are from France and of very superior quality. Special mixture, 4 packets 15 cents, 1 packet 5 cents.

Aster, Ball or Jewell.

Special Mixture, 4 pkts 15 cts, 1 pkt 5 cts.

This is a fine Aster, a foot high, bearing incurved ball-like flowers of large size and exquisite form. It is rarely seen, but always elicits great admiration. You will not regret adding this lovely sort to your list. White, Scarlet, Crimson, Light Blue, Dark Blue, Rose and White, each 5 cents. Special mixture of all colors, 4 packets 15 cts, 1 packet 5 cts.

Aster, Park's Ostrich Feather. ¹¹

OSTRICH FEATHER.

Large Rose-flowered.

Special Mixture, 4 pkts 10 cts, 1 pkt 3 cts.

Grows two feet high, bearing very large flowers as double as a Rose, and of fine colors, as follows:

Light Blue	5	Dark Blue	5
Rose	5	Blood Red	5
Cinnabar	5	Flesh-color	5
Light Blue and White ..	5	Purple and White ..	5
Crimson	5	White and Dark Lilac ..	5
Scarlet	5	Violet and White	5
White	5	Purple	5

Special mixture, all colors, 4 pkts 10 cts, 1 pkt 3 cts.

Aster, New Pearl.

Special Mixture, 4 pkts 15 cts, 1 pkt 5 cts.

This is a very graceful Aster, bearing rather small, incurved flowers, full double, and of globular form. It pleases all who grow it. Colors as follows:

White	5	Light Blue	5
Brilliant Rose	5	Dark Blue	5
Dark Crimson	5	Apple Blossom	5

Special mixture, all colors, 4 pkts 15 cts, 1 pkt 5 cts.

Dwarf Bouquet.

Special Mixture, 4 pkts 10 cts, 1 pkt 3 cts.

This exquisite little Aster looks like a little pyramid of double flowers set upon the ground. The plants should stand only four inches apart to cover the ground. For small pots they are charming, and excite much admiration and interest. I offer White, Scarlet, Carmine, Light Blue, Dark Blue, Copper Rose, White and Blue, Carmine and White, White carmine centre, Rose and White, each 5 cts; special mixture of all colors, 4 pkts 10 cts, 1 pkt 3 cts.

ration and interest. I offer White, Scarlet, Carmine, Light Blue, Dark Blue, Copper Rose, White and Blue, Carmine and White, White carmine centre, Rose and White, each 5 cts; special mixture of all colors, 4 pkts 10 cts, 1 pkt 3 cts.

Aster, Park's Late Branching.—I cannot too highly recommend this fine race of double Asters. The plants are two feet high, come into bloom some days later than other varieties, but are very floriferous, bearing large, double flowers on long stems. Started late they are successful rivals of the beautiful Autumn Chrysanthemums. I offer superb colors as follows: Silver Cloud, Pure White, Shell Pink, Salmon Rose, Rich Crimson, Deep Rose, Lavender, Indigo Blue, Dark Blue, Scarlet, each 5 cts; special mixture of all colors, carefully proportioned, 4 pkts 10 cts, 1 pkt 3 cts.

Seeds for a bed, 3 packets proportioned, Red, White and Blue, with a packet of Santolina for border, all for 20 cents.

Triumph Aster, 6 in. high, with Paeony-shaped flowers of a rich scarlet color; fine for beds and pots.

Special Mixture, 4 pkts 10 cts, 1 pkt 3 cts.

THIS HAS ALWAYS BEEN ONE of our most prized Asters. The plants are 18 inches high, and are bushy, free-blooming and very showy. The flowers are of large size, double to the centre, show a wonderful range of colors, and the petals are twisted and feathery. Lovely for either garden or house. My seeds of this fine Aster are of the finest quality, and I offer these splendid colors:

Pure White 5	Light Yellow 5	White changing to Rose 5
Rose	Peach	White, tipped Carmine. 5
Crimson	Deep Lilac	Light Blue with White .. 5
Scarlet 5	Dark Blue	Bright Lilac
Light Blue 5	Bright Rose. 5	Mixed, 4 pkts 10c, 1 pkt. 3

Aster, Christmas Tree.

Special Mixture, 4 pkts 15 cts, 1 pkt 5 cts.

Plants grow two feet high, with horizontal branches in pyramidal form, and literally covered with small, very double flowers of rich colors. Odd, beautiful and very satisfactory. I supply the following colors:

White and carmine	5	Fiery Scarlet	5
White and dark blue	5	Dark Blood Red	5
Rose	5	Light Blue	5
Rose and white	5	Light Blue with white ..	5
Rose with white centre ..	5	Light Blue, white centre 5	
Carmine	5	Dark Blue	5

Special mixture of all colors, 4 pkts 15 cts, 1 pkt 5 cts.

Dwarf Queen.—A beautiful, compact-growing sort for beds or pots. Grows a foot high and blooms profusely, showing very double flowers of the leading colors: White, Light Blue, Dark Blue and Crimson, each 5 cents. Mixture, 4 pkts 10c, 1 pkt 3c. Seeds for a bed—4 colors, with Santolina for border, only 25 cts.

Aster, Giant Victoria.

Special Mixture, 4 pkts 15 cts, 1 pkt 5 cts.

The Giant Victoria Aster is generally regarded as one of the most beautiful of Asters. The plants grow two feet high, and bear enormous flowers with flat, handsomely imbricated petals in all the rich, delicate shades and variegations. Fine for both beds and pots. My seeds of this Aster are unsurpassed.

Pure White	5
White tinged Rose ...	5
Peach Bloom	5
Rose	5
Carmine	5
Scarlet	5
Light Blue	5
Brown Violet	5
Silver Gray	5

Dark Rose

Soft Rose

Special mixture, all colors, 4 pkts 15 cts, 1 pkt 5 cts.

Paeony Globe.

Special Mixture, 4 pkts 10 cts, 1 pkt 3 cts.

One of the finest of Globe Asters. I especially recommend it. White, Peach, Crimson, Brilliant Lilac, Light Blue, Dark Blue, Violet, Reddish Violet and White, Crimson and White, Rose tipped Violet, Cinnabar, Carmine and White, each 5 cents; Special mixture, 4 pkts 10 cts, 1 pkt 3 cts.

New Single Aster.

Special Mixture, 4 pkts 15 cts, 1 pkt 5 cts.

The New Single Elegance or Marguerite Asters are very graceful and free-blooming, and greatly prized by many lovers of Asters. The flowers are beautiful on the plant, and very desirable for cutting. Don't fail to try them. I supply White, Lavender, and Dark Blue, each 5 cts. Mixture, 4 pkts 15 cts, 1 pkt 5 cts.

Crown or Cocardeau.—Splendid double flowers of many colors, every flower showing a distinct white centre. Rose, Crimson, Lilac, Azure, Violet and Brown, Violet, each 5c. Mixture, 4 pkts 10c, 1 pkt 3c.

Noble. A new Aster 15 inches high, branching and bearing large, white, double flowers on long stems, resembling a Cactus Dahlia. Fine for beds or pots. 4 pkts 15 cts, 1 pkt 5 cts.

Ray Aster, 20 inches tall, bushy, with large flowers showing needle-shaped petals, borne on slender stems. Many colors mixed, 4 pkts 15 cts, 1 pkt 5 cts.

OTHER CHOICE DOUBLE ASTERS.

Comet Aster, Giant, a superb Aster two feet high, bearing very large, double flowers, the petals long and frilled, like a Japanese Chrysanthemum. One of the finest. All colors mixed, 4 pkts. 15 cts, 1 pkt. 5 cts. Comet Yellow, same price.

Hedgehog, a handsome dwarf variety with erect quilled petals; the plants branch and appear well in a group. Mixed colors, 4 pkts. 15 cts, 1 pkt. 5 cts.

Non Plus Ultra, an Aster of great beauty, double to the centre, and of many fine shades; excellent for beds. Mixed, 4 pkts. 15 cts, 1 pkt. 5 cts.

Triumph, a Peony-flowered Aster, the petals incurved, rich in color, beautiful; plants dwarf, and useful for pots and edgings. 4 pkts. 15 cts, 1 pkt. 5 cts.

Crown or Cocardeau, a very attractive Aster, double, of many rich shades with pure white centre; showy in beds, and fine for cutting; plants a foot high. Mixed, 4 pkts. 10c, 1 pkt. 3c.

German Globe, grows 18 inches high, bearing large, showy, double flowers, in a great variety of colors; fine for cutting. Mixed, 4 pkts. 15 cts, 1 pkt. 5 cts.

Lilliput, a foot high, branching, and bearing an abundance of small, double flowers of many shades; very useful for cutting. Mixed colors, 4 pkts. 15 cts, 1 pkt. 5 cts.

German Dwarf, a fine variety for beds, branching and blooming freely; the flowers are double, in a great variety of rich colors. Mixed, 4 pkts. 15 cts, 1 pkt. 5 cts.

Japanese, grows 15 inches high, branching, and producing large, showy flowers of various colors, the petals charmingly twisted. Mixed, 4 pkts. 15 cts, 1 pkt. 5 cts.

Diamond, one of the handsomest dwarf Asters; flowers large, very double, and of rich colors. Mixed, 4 pkts. 15c, 1 pkt. 5c.

Pyramidal Dwarf, a fine dwarf Aster, becoming a pyramid of lovely, rich-colored flowers; a fine edging plant. Mixed, 4 pkts. 15 cts, 1 pkt. 5 cts.

Prince of Wales, a very fine dwarf Aster, the flowers large, very double, showy, beautiful. Mixed, 4 pkts. 15c, 1 pkt. 5c.

Jewel, two feet high; flowers large, incurved, full double, globular, freely produced; superb for garden or pot culture. Mixed, 4 pkts. 10 cts, 1 pkt. 3 cts.

New Rose, fifteen inches high, tree form, bearing flowers as double as a rose; many colors. Mixed, 4 pkts 15 cts, 1 pkt. 5 cts.

Chrysanthemum Dwarf, a foot high, with Chrysanthemum-like flowers of great beauty; excellent for beds or pots. Set 8 inches apart. Pure white, light blue, dark blue, fiery scarlet, rose, in fourth ounce packets, each 50 cts; small pkts. 5 cts. Mixed, 4 pkts. 10 cts, 1 pkt. 3 cts.

Princess, a dwarf Aster prized for beds and pots; flowers very double, fine for cutting. Mixed, 4 pkts. 15 cts, 1 pkt. 5 cts.

Reid's Quilled, two feet high, flowers large, finely quilled, many colors, good for beds. Mixed, 4 pkts 10c. 1 pkt. 3c.

New Victoria, the well-known variety prized for pots and beds; very double, imbricated flowers of exquisite colors. One of the best for either beds or pots; fine for cutting. Mixed, 4 pkts. 15 cts, 1 pkt. 5 cts.

Boltz's Dwarf Bouquet, very dwarf, the double flowers appearing as a little mound of rich color. Red, Blue, White, Scarlet, variegated. Each 5c. Mixed, 4 pkts. 10 cts, 1 pkt. 3 cts.

Park's Silver Cloud, a lovely white Aster, showy in beds and fine for cutting. 4 pkts. 10 cts, 1 pkt. 3 cts.

Harlequin, the many colors checkered white, odd and beautiful. Mixed, 4 pkts. 10 cts, 1 pkt. 3 cts.

I can also supply Dwarf Queen, German Emperor, Goliath, Lady, Mignon, Dwarf Victoria, Dwarf Peony-flowered, Schiller, Shakespeare, Victoria Needle, Vick's Branching and Washington Aster. Mixed colors of any variety, 4 pkts. 10 cts, 1 pkt. 3 cts. Also Double Asters, mixed, 4 pkts. 10c, 1 pkt. 3c.

Park's Fine Double Balsams. ¹³

Complete Special Mixture, 4 pkts 10 cts, 1 pkt 3 cts.

FEW GARDEN ANNUALS equal the Double Balsam in beauty of foliage and flowers, and few are of easier cultivation. The seeds quickly germinate, and the plants begin to bloom when quite small. The flowers are very double, waxy in texture, and of many shades and variegations. The seeds I offer are of the finest quality, and will give unbounded satisfaction.

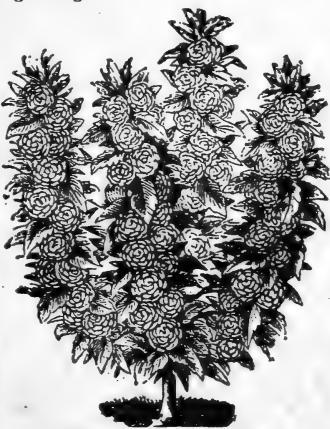

Park's Camellia-flowered

This class is the most desirable of the many Balsams offered, and cannot be surpassed. The flowers are very large, and as double and beautiful as a Rose, while they are of fine texture and surpass in color and variegation. Plants grow two feet high, and if pruned when small they will develop as the one represented in the little engraving.

Browallia, Large-flowered.

Special Mixture, 4 pkts 10 cts, 1 pkt 3 cts.

Browallias are lovely plants. They grow well in the garden, but are especially valuable for pots, blooming summer and winter. The flowers are mostly white, blue or purple, and freely produced, as indicated in the little engraving, which represents Balsam Speciosa, the new species, and the one bearing the largest flowers. For winter blooming start the plants in early or mid-summer, and keep in pots, shifting as they grow. The choice mixture I offer contains all of the kinds well proportioned.

Elata White..... 5 | **Elata Compact Blue**..... 5
Elata Purple..... 5 | **Elata Blue**..... 5
Speciosa..... 5 | Mixed, all sorts, 4 pkts 10c, 1 pkt 3

Mr. Park:—The Browallias from your seeds were lovely—such delicate blues, and pure White. I was much pleased with them.—Miss Inez Speer, Washington Co., Pa., Dec. 10, 1908.

Bellis Perennis.

Special Mixture, 4 pkts 10 cts, 1 pkt 3 cts.

This is the Double English Daisy, a very pretty, free-blooming and ever-blooming little plant of the easiest culture. The flowers are lovely white, rose and red, as large as a silver half dollar, and produced from early spring till late autumn. The plants are hardy, and will do well for several years. They are fine for edgings, and good for winter-blooming in pots in a cool room. I offer only the choicest seeds of the largest and most beautiful double flowers.

White..... 5 | Red..... 5 | Snowball..... 5
 Rose..... 5 | White with red centre..... 5 | Giant mixed..... 5

Special mixture of all sorts, best quality, 4 pkts 10 cts, 1 pkt 3 cts.

Mr. Park:—A packet of your Double Daisy seeds has given us the greatest satisfaction and pleasure since early in spring. They were large, perfect and beautifully tinted. They are no trouble to grow.—S. E. Gaines, Benzie Co., Mich.

Callichroa platyglossa, an easily grown, hardy annual, 1 foot high; bright golden flowers. 4 pkts. 10c, 1 pkt. 3c.

Callirhoe, Trailing Hollyhock; plants of trailing habit, with bright, cup-shaped flowers throughout the season. *C. Verticillata* is a hardy perennial, but flowers the first season; fine for beds. *C. Pedata*, *Compacta* and *Lineariloba* are good sorts. Pkt. 5 cts. each; mixed, 4 pkts. 10 cts, 1 pkt. 3 cts.

Campanula, annual, very pretty little plants; flowers blue, white and lilac, in profusion; make a charming summer bed. Colors separate, pkt. 5 cts; mixed, 4 pkts. 10 cts, 1 pkt. 3 cts.

Cannabis pyramidalis, grows six feet high, of stately form, dense foliage. 4 pkts. 10 cts, 1 pkt. 3 cts.

Canna (Indian Shot), improved, large-flowering sort. Finest mixed, 4 pkts. 15 cts, 1 pkt. 5 cts. (See next page.)

Capsicum (Pepper), beautiful in fruit. I have 25 named sorts, all shapes, sizes and colors. Separate, 5 cts. per packet; mixed, 4 pkts. 10 cts, 1 pkt. 3 cts.

Carduus Marianus, beautiful white-marked foliage, Thistle-like bloom; hardy annual: 4 pkts. 10 cts, 1 pkt. 3 cts.

Carthamus tinctorius, the garden Saffron; grows 5 feet high, bearing large, golden flowers. 4 pkts. 10c, 1 pkt. 3c.

Coxcomb, Dwarf, a beautiful pot or bedding plant; 1 ft. high, combs of various colors. I offer a superior strain, red, scarlet, gold, white, each 5 cts; mixed, 4 pkts. 10 cts, 1 pkt. 3 cts.

Celosia Plumosa, the Feathered Coxcomb; 2 feet tall, feathery bloom; various colors, each 5c; 4 pkts. 10c, 1 pkt. 3c.

Celosia Argentea. (See next page.) 4pk. 10c, 1pk. 3c.

Catchfly (*Silene Armeria*), a foot high, with summit-clusters of rose and white flowers. Mixed, 4 pkts. 10c, 1 pkt. 3c.

Centaurea Cyanus (Bachelor's Button), 2 feet high, bearing showy, double flowers. Fine for buttonhole, various colors, each 5 cts. Mixed, 4 pkts. 10 cts, 1 pkt. 3 cts.

Centaurea Americana, large, showy flowers; 18 inches high; splendid garden flower. 4 pkts. 10 cts, 1 pkt. 3 cts.

Centaureidium Drummondii, a foot high, yellow composite flowers on long stems. 4 pkts. 10 cts, 1 pkt. 3 cts.

Centranthus macrosiphon, free-bloomer; blooms till after frost; white, red, rose, 5c each; mixed, 4 pkts. 10c, 1 pkt. 3c.

Cerastium Biebersteini, a hoary-leaved evergreen 6 inches high; flowers daisy-like. 4 pkts. 10 cts, 1 pkt. 3 cts.

Chrysanthemum, annual, double and single, a foot high; white, red, ringed, each 5c; mixed, 4 pkts. 10c, 1 pkt. 3c.

Chrysanthemum inodorum, biennial with green foliage, and fine double white flowers; 4 pkts. 10 cts, 1 pkt. 3 cts.

Candytuft, an old, beautiful annual; flowers in big clusters, showy in beds and fine for cutting. White, Lilac, Crimson, Carmine, Flesh, Hyacinth-flowered, each 5 cts. Mixed, 4 pkts. 10 cts, 1 pkt. 3 cts. New Dwarf same price.

Chieranthus. Mixed, 4 pkts. 10 cts, 1 pkt. 3 cts. (See Ten Weeks' Stock.) Flowers double, delightfully scented.

Calliopsis, New Compact.

15

Special Mixture, 4 pkts 10 cts, 1 pkt 3 cts.

THERE IS NO brighter garden annual than the Calliopsis, and the compact varieties I offer are gorgeous when massed together. They grow a foot high, and seedlings begin to bloom and keep up the display till late Autumn. I offer the following compact sorts separately:

Atrosanguinea, rich crimson..... 5
Lutea, very fine yellow..... 5
Bicolor, splendidly variegated 5
Marmorata, marbled, gold and brown..... 5
Special mixture of Compact sorts, 4 pkts 10 cts, 1 pkt 3 cts.

CALLIOPSIS, NEW COMPACT.

OTHER VARIETIES.

Bicolor hybrida, double, mixed..... 5
Bicolor hybrida, dwarf mixed..... 5
Tall varieties mixed..... 5
Hybrida Superba, mixed..... 5
Drummondii, Golden wave. 5

Special mixture of all colors, 4 pkts 10 cts, 1 pkt 3 cts.

Calandrinia.

This is a lovely succulent annual that thrives in a sunny bed, and makes a fine show during summer. *Special mixture, 4 packets 10 cts, 1 packet 3 cts.*

CALENDULA, Large-flowered.

Special Mixture, 4 pkts 10 cts, 1 pkt 3 cts.

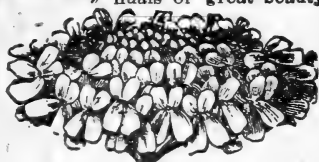

5 cents each, or in special mixture, 4 pkts 10c, 1 pkt 3c.

These hardy annuals bloom freely from early in the summer till the snows of winter. rivaling the Chrysanthemum in lateness of blooming. The flowers are large, double and very bright, mostly shades of yellow and orange. They make a fine display in a bed, and also do well in pots. I supply yellow, Orange, and Striped yellow at

Candytuft, old, popular, hardy annuals of great beauty

in beds. Sow seeds in autumn or early spring, and thin out, as they do not transplant well. I supply White, Lilac, Purple, Ormison, Hyacinth-flowered White, Rocket White Carmine and Sweet-scented White, each 5 cts. Mixed, 4 pkts 10c, 1 pkt 3c.

Canna, Gladiolus-Flowered.

Special Mixture, 4 pkts 10 cts, 1 pkt 3 cts.

This is a lovely bedding plant, semi-tropical in appearance, and very free-blooming. The plants are easily grown from seeds, and if started early will begin to bloom in summer. They have green or bronze foliage, and grow several feet high. My seeds are of the finest quality, grown by Mr. Crozy, the originator of the best strain of Cannas. Scarlet, White, Yellow, Crimson Variegated, etc., separate, 5 cts per packet. *Special mixture of all sorts, 4 pkts 10 cts, 1 pkt 3 cts.*

Carnations, New Early-flowering.

Special Mixture, 4 pkts 10 cts, 1 pkt 3 cts.

These bloom the first season, and bear fine, large, double, deliciously scented flowers throughout the season. Malmaison, Guillaud, Countess de Paris, French Giant, etc., separate 5 cents per pkt. *Special mixture, 4 pkts 10 cts, 1 pkt 3 cts.*

Vanguard, fine, large flowers, white, red, yellow, variegated, 5 cts each; *Special mixture, 4 pkts 10c, 1 pkt 3c*

Mr. Park. — A 3-cent packet of Carnations gave me over three dozen plants, and many of them bloomed the first year. The flowers were so sweet! I am expecting a fine display next year, as the plants are strong and sturdy, even though we have had some very cold weather. — Mrs. S. H. Hokanson, Omaha, Neb., Dec. 10, 1908.

Celosia Argentea, long, rose-tipped spikes, useful for drying; makes a fine bed. 4 pkts 10 cts, 1 pkt 3 cts.

Centaurea, New Giant, beautiful, new varieties, growing two to three feet high, bearing on long stems lovely flowers, useful for cutting. White, lilac, Rose, Purple, etc., 5c each. *Mixture, 4 pkts 10 cts, 1 pkt 3 cts.*

Campanula Macrostyla, a showy and charming annual that should be better known; violet flowers. 4 pkts 10 cts, 1 pkt 3 cts.

Cosmos in Splendid Variety.

17

Special Mixture, 4 pkts 10 cts, 1 pkt 3 cts

AMONG the most beautiful and popular of garden flowers are the improved varieties of Cosmos. The plants start quickly from seeds and grow freely, bearing lovely deeply cut foliage, and showy single flowers of various rich colors. If sown early where the plants are to bloom their flowers will show during the summer and autumn. Transplanted plants bloom later. The main-moth varieties grow from six to eight feet tall, branching like a tree, and are a glorious mass of waving blue some late in autumn. The long-stemmed, bright flowers are charming in vases for the table. My special mixture is carefully prepared and will give good satisfaction. 4 packets 10 cts, 1 packet 3 cts

White.. 5	Mammoth, mixed..... 5
Rose.. 5	Dwarf early flowering.. 5
Purple.. 5	Dawn, double, white... 5
Orange 5	Mixture 4 pkts 10c, 1 pkt 3

Mr. Park:—I must surely have Cosmos again. Mine, this year, transplanted late in May, from a self sown bed, were soon covered with the lovely, large flowers mostly white. The more I pinched them the more they bloomed. They kept blooming till November. Mrs. S. H. Hokenson, Omaha, Neb., Dec 10, 1906

Capsicum, Ornamental Peppers.—The great variety in size, form and color of Peppers make them general favorites, either for pots or garden beds. They are easily grown, and a mixed pkt of seeds shows a great variety. Peppers may be used for seasoning, stuffing, etc., in autumn. I have 25 kinds, and can supply any Pepper desired. Each 6 cts. Special mixture of all sorts, 4 pkts 10 cts, 1 pkt 3 cts.

Centaurea Cyanus.

This is the Bachelor's Button, a lovely flower that will retain its freshness for two days or more in the buttonhole. There are many colors, as well as striped, single and double, tall and dwarf. They are hardy annuals of the

easiest culture, and continuous blooming. The dwarf sorts are fine for beds. All are excellent for cutting. I offer the choicest seeds of the finest varieties. Blue, Pink, White, Striped, Eyed. Single or double, each 5 cts. Dwarf varieties, mixed, 4 pkts 10 cts, 1 pkt 3 cts. Double varieties, mixed, 4 pkts 10 cts, 1 pkt 3 cts. Tall varieties, mixed, 4 pkts 10 cts, 1 pkt 3 cts. Also C. Depressa, King of Bluebottles; C. Depressa mixed; C. Americana, C. Moschata, C. Suaveolens; C. New Giant, each 5 cts per pkt.

Special mixture, all sorts, 4 pkts 10 cts, 1 pkt 3 cts.

Chrysanthemum, Annual.

Easily grown and showy annuals, blooming continuously till after severe frosts. Fine for summer beds, and if grown in pots will bloom well in the window in winter. They like good soil and sunshine.

18 **Dianthus Chinensis in Variety.**

Complete Special Mixture, 3 pkts 10 cts, 1 pkt 3 cts.

DIANTHUS DIADEMATUS—DIADEM PINK.

Complete Special Mixture of all varieties; seeds of finest quality, 4 pkts 10 cts, 1 pkt 3 cts.

Mr. Park:—I had great success with your seeds of *Dianthus Chinensis* this year. The flowers were of all colors from dark red to creamy white, and so double and showy. Your seeds always germinate well for me.—Miss Rose Stueburgh, Carroll Co., Indiana, Dec. 11, 1908.

Eschscholtzia.

Special Mixture, 4 pkts 10 cts, 1 pkt 3 cts.

Beautiful annuals in both foliage and flowers. Sown early in spring, where the plants are to bloom they make a grand display of rich colors.

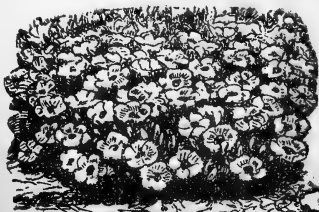

Double.

White . . . 5 | Gold . . . 5
Rose . . . 5 | Orange . . . 5
Special mixture . . . 5
My Improved Double Eschscholtzias are far superior to the common seeds generally sold.

Single.

White . . . 5 | Golden West . 5 | Mandarin . 5 | Orange . 5
Carmine . 5 | Rose Cardinal . 5 | Striped . . 5 | Mixed . 5
Special mixture, single and double varieties, 4 pkts 10 cents, 1 pkt 3 cents.

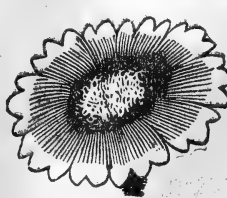

Fenzlia Dianthiflora.

A beautiful little annual bearing rose, white and pink flowers in great profusion, as shown in engraving. This plant is too rarely seen in gardens. 4 pkts 15 cents, 1 pkt 5 cents.

Gaillardia.

Special Mixture, 4 pkts 10 cts, 1 pkt 3 cts.

The annual Gaillardias are showy, easily grown flowers, sometimes used for beds. They are mostly shades of gold and brown variegated, some single, some double. Fine for cutting. Should have a sandy soil and sunny situation to bloom freely. Yellow, red, salmon, variegated and quilled in variety. Single or double, each 5 cents. Special mixture of all sorts, 4 pkts 10 cts, 1 pkt 3 cts.

Godetia.

Annals of great beauty when well grown. They do well in the cool, moist climate of Europe, and they ought to thrive in this country, as they are natives of California. If sown in autumn, plants bloom before hot, dry weather.

Duchess of Albany, white . 5 | Gloriosa, darkest red . 5
Maculata, white, red spots . 5 | Satin Rose, carmine . . 5

Hibiscus, Giant Primrose.

4 pkts 10 cts, 1 pkt 3 cts.

THIS is an improved form of *Hibiscus* *Manihot*, and one of the most beautiful and attractive of the *Hibiscus* family. The plants grow six feet or more high, and from the time they are a foot or more high, as they grow, they daily develop big Primrose-colored flowers of the most delicate texture and charming form. The flowers last but a day, but new buds open fresh every morning. The plants can be kept in a frost-proof place over winter, and set out the next spring, becoming larger and more handsome each season. 4 pkts 10c. 1 pkt 3 cts.

Mr. Park:—My New Giant *Hibiscus* grew seven feet two inches high, and now, has 14 branches covered with buds and bloom, beautiful Primrose yellow with a purple eye, and measure seven inches across. B. S. B., Lancaster Co., Pa.

Hunnemania.

4 pkts 10 cts, 1 pkt 3 cts.

H. Fumaris-folia is the Mexican Poppy, a fine perennial, 2 feet high, with glorious foliage and large *Echscholtzia* like orange flowers, in bloom for a long time. It is worthy of more attention, being of easy culture, and blooming the first season from seeds. 4 pkts 10 cts, 1 pkt 3 cts.

Helianthus.

Complete Mixture, 4 pkts 10 cts, 1 pkt 3 cts.

Sunflowers.—Bright, cheerful, showy flowers that will grow anywhere. Plants tall and dwarf; flowers single and double, large and small, mostly shades of yellow, and beautiful. I offer the finest sorts, as follows

- Bismarck, tall, tree-like free blooming, single. 5
- Californicus, double. 5
- Primrose-colored, similar flowers light yellow. 5
- Arboreus, giant tree-like double flowers new. 5
- Giobosus fistulosus, very double. 5
- Multiflorus double, free-blooming. 5
- Gold leaf, foliage blotched yellow. 5
- Oculatus viridis, double, green centre. 5
- Uniflorus gigantis, tall, bearing one large flower 5

Miniature Sorts.

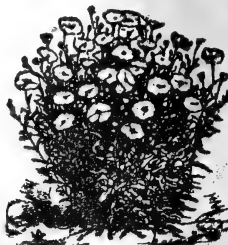

- Cucumerifolius. 5
- Diadem, citron. 5
- Orion crisp. 5
- Stella large. 5
- New Double. 5
- Mixed, 4 pkts 10c 1 pkt. 3

Complete mixture, all sorts 4 pkts 10 cts, 1 pkt 3 cts.

Lavatera.

Special Mixture, 4 pkts 10 cts, 1 pkt 3 cts.

Lavatera trimestris is a beautiful annual Mallow, growing two feet high and bearing continually throughout summer, large single, Hollyhock-like flowers, rose and white, the flowers bright and attractive. Easily grown, likes a warm, rather sunny place. Colors each 5c. Mixed, 4 pkts 10c, 1 pkt 3c.

Layia Elegans.

4 pkts 10c, 1 pkt 3c.

A beautiful little annual with yellow and white Aster-like flowers. In masses it is beautiful, the bed becoming a waving mass of lovely bloom. Sow early in the bed where the plants are to bloom and thin out, or sow in a seed-bed and transplant. 4 pkts 10 cts, 1 pkt 3 cts.

Linaria.

Special Mixture, 4 pkts 10 cts, 1 pkt 3 cts.

Very pretty flowers appearing best in masses. Suitable for either boxes or beds. The bright little Snapdragon-like flowers are borne usually in spikes, and of many bright colors.

- Maroccana**, (see engraving) lovely, purple, white, carmine, mixed. 5
- Bipartita**, beautiful, mxd 5
- Spicata**, or Golden Gem, superb. 5
- Hendersoni**, Ericoides, a lovely sort. 5
- Reticulata**, one of the finest. 5

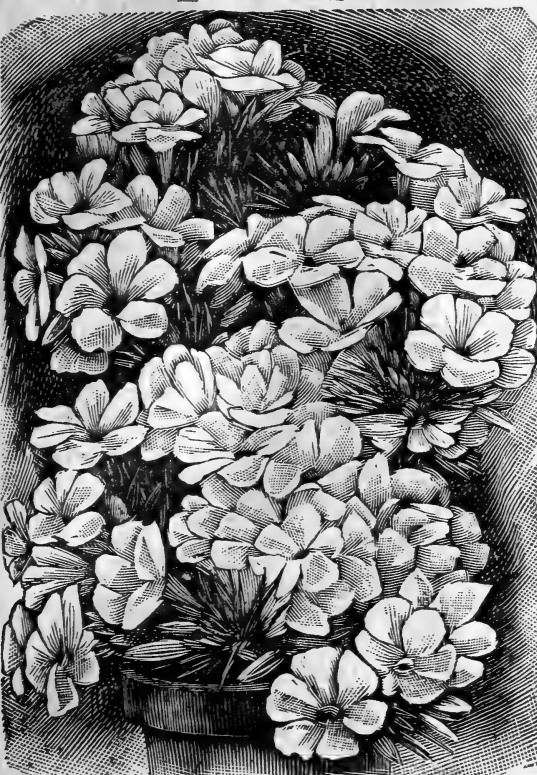

Cymbalaria, for baskets, in shade, also for carpeting Rose or Tuberose beds. A hardy perennial. I have the large-flowered sorts in colors, each 5 cents. Mixture, 4 packets 10 cents, 1 packet 3 cents.

They thrive in a dense shade, and bloom in winter as well as in summer. Do well in a north window.

Leptosiphon in Variety.

'21

Special Mixture, 4 pkts 10 cts, 1 pkt 3 cts.

CALIFORNIA ANNUALS of great beauty. The plants grow low and very dense, and are literally smothered with exquisite flowers, lilac and rose and white and yellow. Seeds may be sown in early fall, in time for the plants to get well started, and also in early spring, as the young plants are hardy, and will endure considerable frost. They are lovely border plants, blooming for a long time, and can also be grown in pots for summer flowers. *L. Densiflorus*, the one represented in the engraving, is a very pretty species, the flowers being both blue and white, and very freely produced. Other species are equally beautiful. I offer the finest kinds separately, and my special mixture contains seeds of all the sorts.

Androsaceus albus , white.....	5
Lilac.....	5
Carmineus , Carmine.....	5
Densiflorus , blue.....	5
White.....	5
Hybridus , white, carmine, orange, scarlet, each.....	5
Luteus , yellow.....	5
Roseus , tender rose, lovely.....	5

Special mixture, all sorts, 4 pkts 10c, 1 pkt 3c.

Leptosiphon carmineus is a dainty thing. The starry flowers rise from a mossy tuft of green, and vary from crimson to carmine or white.—Mrs. M.M. Russell, Orlando, Fla., Dec. 4, 1908.

Leptosyne.

4 pkts 10 cts, 1 pkts 3 cts.

Annuals, six inches high, bearing bright, golden yellow, Calliopsis-like flowers on slender stems. Sow early in spring and transplant, giving the plants a sunny situation. The plants begin to bloom early, and continue blooming for a long time.

Stillmani, large, showy flowers.....	5
Maritima, perennial, golden bloom.....	5

Special mixture, 4 pkts 10 cts, 1 pkt 3 cts.

Lobelia in Fine Variety.

Special Mixture, 4 pkts 10 cts, 1 pkt 3 cts.

Where Lobelias do well there is no flower used for bedding that is more lasting, beautiful or showy. They grow six inches high, and are literally smothered with the great profusion of bloom. Charming also for pots and baskets. Started in summer they will bloom in a sunny window throughout the winter.

Complete Special Mixture, Tall and Dwarf, all colors, 4 pkts 10 cts, 1 pkt 3 cts.

Nasturtium, Dwarf.

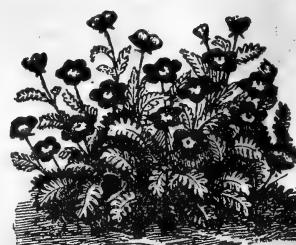

Special Mixture, 4 pkts 10 cts, 1 pkt 3 cts.

For beds, pots or window boxes; few annuals are so useful as Dwarf or Tom Thumb Nasturtiums. The flowers are large and bright, and borne in great abundance the entire season. For beds the three finest are Yellow, Crimson, Scarlet and Aurora. Beds I saw of these at the Seed Gardens of Europe were surprisingly bright and beautiful. I offer them in bulk at 10 cts per ounce, or \$1.25 per pound.

Yellow, Crimson, Scarlet, Aurora, White, Spotted, Rose, Cœruleum, Beauty, Lady Bird, King of Tom Thumbs, Yellow-foliage, Golden King, Emperor of India, Scheuerianum, each 5c; mxd, 4 pkts 10c, 1 pkt 5c.

Nemophila.

Very pretty little dwarf annual. Sow in either fall or spring. Plants bloom freely, especially from autumn plants, and the flowers are very delicate and pleasing. Atomaria, Holborn Blue, Discoidalis, D. Elegans, Insignis, blue, etc, each 5c. Mixed 4 pkts 10c, 1 pkt 3 cts.

Nicotiana Sanderae in Variety.

Complete Special Mixture, 4 pkts 10 cts, 1 pkt 3 cts.

NICOTIANA SANDERAE IN BLOOM.

THE NICOTIANAS are desirable plants for either beds or pots. The species vary considerably in general appearance, but all are of a semi-tropical character, and useful for foliage as well as flowers. *N. Colossea*, *N. Suaveolens*, *N. Macrophylla*, and *N. Tobaccum variegatum*, are all large-leaved, and grow from four to six feet high. *N. Acutifolia* is more like *N. Affinis*, as is also *N. Suaveolens*. I supply any of these species at 5 cents per packet.

Nicotiana Sanderae, shown in the engraving is a fine hybrid, two feet tall, a day bloomer, the flowers Rose, White, Crimson, Flesh, Purple, Blood Red and Violet. They appear to good advantage in a lawn bed, and are also elegant for pots, blooming either summer or winter in the window. Price, each color 5 cents. Special mixture of all colors, 4 packets 10 cents, 1 packet 3 cents.

Nicotiana Affinis, the Gardenia-scented sort, blooms every night and morning. The flowers are deliciously scented, and a clump of them should be placed near the porch for their evening fragrance. Colors White, Flesh, Crimson, Lilac, Purple, Rose and Violet each 5 cents. The same in fine mixture, 4 packets 10 cents, 1 packet 3 cents. Complete Special Mixture, 4 pkts 10 cents, 1 pkt 3 cents.

Nemesia.

Finest Mixture, 4 pkts 10 cts, 1 pkt 3 cts.

Floribunda, pure white, trailing..... 5
Strumosa, carmine, scarlet, cream, orange, tiger, or spotted, each..... 5
Same mixd, 4 pkts 10c, 1 pkt 3

These are very free continuous blooming plants elegant for either beds or pots, rivaling the *Phlox Drummondii*. The flowers are lovely in form and rich in color, and always elicit much admiration and praise. The new *Strumosa* hybrids have larger flowers than the older kinds, and are especially handsome.

Compacta, white & color, blue, each..... 5
Versicolor, blue, lilac and white..... 5
Strumosa Nana Compacta, new dwarf..... 5
Complete mixture 4 pkts 10 cts 1 pkt 3

Mr. Park:—I must speak a good word for the packet of *Nemesia Strumosa* seeds I got from you. I sowed them in March and I believe every seed grew. In April I transplanted them in the garden, and they bloomed in June.—Mrs. Wilson, Garfield Co., Okla

Nycterinia.

Special Mixture, 4 pkts 10 cts, 1 pkt 3 cts.

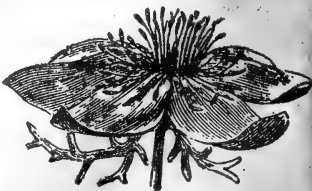

Elegant little dwarf annuals for covering a bed with a bright array of bloom. The flowers are borne in clusters in great profusion.

Capensis, very sweet-scented, white..... 5
Selaginoides, lilac, free-blooming, graceful.... 5

Special Mixture, both sorts, 4 pkts 10 cts, 1 pkt 3 cts.

Nigella.

Finest Mixture, 4 pkts 10 cts, 1 pkt 3 cts.

Splendid annuals for massing in beds Sow either in spring or fall. Easily grown, and when they are started will take care of themselves.

Damascena, double, white, blue, each..... 5
Miss Jekyll, double rich blue, new..... 5
Nana new dwarf double white blue..... 5
Hispanica white purple, mixed, each..... 5
Complete mixture, all sorts, 4 pkts 10 cts 1 pkt 3

Oenothera.

Finest Mixture, 4 pkts 10 cts, 1 pkt 3 cts.

Popularly known as Evening Primrose. The plants vary from 6 inches to 6 feet high, according to species, and the flowers are mostly yellow, very fragrant, and open in the evening.

Acaulis alba, very dwarf, white..... 5
Fraseri, 1 foot high, large yellow, day bloomer..... 5
Macrantha, large, golden flowers, spreading..... 5
Rosea, rose-colored flowers from Mexico..... 5
Lamarckiana, splendid, 4 ft.; large golden flowers..... 5
Missouriensis, dwarf, golden flowers; (see cut)..... 5
Johnsonii, yellow; Rhizocarpa, fine, each..... 5
Special mixture, all sorts, 4 pkts 10 cts, 1 pkt 3

Pansy, Roemer's Giant Prize.

Complete Special Mixture, 4 pkts. 15 cts, 1 pkt. 5 cts.

The Pansy is the most popular of garden flowers, and justly deserves its popularity. No flower blooms earlier, or more freely and continuously, and none is more delicate in texture, rich and varied in color, or more pleasing and attractive. A bed of well-grown plants in bloom is gorgeous, and always enthusiastically admired. It rivals a Tulip bed in the spring, and blooms freely till July, then continuously, though less freely till winter. The strain I offer is unsurpassed, the plants being robust, the flowers of enormous size, and the colors of wonderful variety and beauty. I offer mixtures carefully prepared as described below:

The 10 pkts. (1 pkt. of each mixture) for only 25 cents.

White, embracing pure white with eye, white slightly shaded and tinted, white with spots, etc., 4 pkts. 15c, 1 pkt. 5

Red, embracing bright red, rosy red, rich scarlet, and red with tints, shadings, etc. 5

Blue, embracing dark blue, dark violet, rich purple, and blue margined, shaded and blotched 5

Black, embracing coal black, black blue, dark violet blue, jet black, purplish black 5

Yellow, embracing rich pure yellow, golden yellow, yellow with eye, yellow with spots, yellow shaded, 4 pkts. 15c 1 pkt. 5

Striped, embracing a great variety of colors, all distinctly striped, flaked and splashed 5

Blotched, embracing ground colors, with blotches and spots showing in peculiar and striking contrast; marvelous in size, form and odd markings. 5

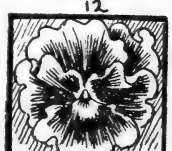

Shaded, embracing all the leading colors margined, shaded and rayed in superb and charming contrast; many light and beautiful tints as well as rich shades 5

Azure, embracing lovely new shades of light blue, azure, ultramarine and lavender blue, strikingly marked and tinted 5

Mixed, embracing a variety of superb shades and markings not included in above offerings, as plain and fancy faces of orange, bronze, peacock, lilac, violet, etc.; rare varieties mixed. 5

1 Emperor Joseph, 2 Giant Striped, 3 Masterpiece, 4 Canary Bird, 5 Quadricolor, 6 Adonis, 7 Indigo King, 8 Snow Queen, 9 Hortensia Red, 10 President Carnot, 11 Golden Queen, 12 Quadricolor, 13 Psyche, 14 Mme Pernet, 15 Mourning Bride, 16 Royal Purple, 17 Lavender Blue, 18 Giant Yellow. Each of these fine named illustrated varieties, 5 cents per packet.

Mr. Park:—My Pansy plants from your seeds, set out 10 inches apart early in May, spread, and became a perfect mass of bloom, showing all colors and markings from pure white to purplish black.—L. E. Shantzler, Hampshire Co., W. Virginia.

25 Park's Mammoth Petunias.

Double and Single, Plain and Fringed, in fine mixture, 4 pkts only 15 cts, 1 pkt 5 cts

I OFFER THIS SEASON the finest strain of large-flowered Petunias in cultivation. Great care has been exercised in its development, and the size and rich and peculiar colors and markings will surprise those acquainted only with the ordinary large-flowered sorts. These glorious Petunias cannot be surpassed, and I challenge comparison. Each packet contains about 100 seeds. Double about 30 seeds. Cultural directions sent with every package.

Gloriosa, very rich velvety red, some with white spots, some with white throats, many beautifully fringed; very fine 5
Tigred, Margined and Veined, fine display of markings, many ruffled, and all odd and exceedingly handsome, per packet 5
Purity, enormous pure white flowers, some elegantly fringed and ruffled; per packet 5

Oculata, varieties with white, yellow and spotted throats, often finely ruffled, large and effective; per packet 5
Emperor, velvety red, rose and carmine; rich and effective, the flowers of many superbly ruffled and fringed; per packet 5
Double Giant, finest, saved from the best hybridized flowers; first quality, per packet 5

Special Mixture of all these Mammoth sorts, 4 pkts 15 cts, 1 pkt 5 cts.

Mr. Park:—Your Giant Single Petunias were marvelous. I think every seed grew. The stronger plants were bedded out, and their flowers were larger and finer than any we ever had. The others were potted, and the flowers reminded us of Orchids—so large, ruffled, spotted, throated, fluted—of every known Petunia color, and the texture so delicate. None who came to our house could guess what those dainty beauties were.—M. M. McIntyre, Cass Co., Ind.

Park's Fine Bedding Petunias.

27

Special Mixture, 4 pkts 10 cts, 1 pkt 3 cts.

Dwarf Compact.—Multiflora, striped, blotched, starred; White, red margin; Rosea, rose; Venosa, veined; Snowball, pure white; Stellaris, star in centre; Adonis, carmine, white throat; Erfordia, rose, white Centre; Baby Blue, purplish blue; Rose Striped, Enchantress, many colors and variegations; each 5 cents. Mixed, 4 pkts 10 cts, 1 pkt 3 cts. Complete Special Mixture, Tall and Dwarf, 4 pkts 10 cts, 1 pkt 3 cts.

FOR A BEAUTIFUL and continuous display when massed together there is hardly any seedling flowers that surpass the choice Bedding Petunias. The plants are easily grown, begin to bloom early in summer, and are a mass of bloom until the approach of winter. They like a sunny situation and rich soil, but do not mind a drought that would destroy the beauty of many bedding plants. The flowers are always fresh and bright, are borne in wonderful abundance, and a bed of them will perfume the evening air with their delightful fragrance. The Dwarf, compact varieties do well in pots, and in a south window they bloom freely and are very attractive. I have all the fine colors, ranging from white to dark velvety crimson and purplish blue, as well as starred, blotched and striped, and my mixture contains them all. Set plants 15 inches apart.

TALL BEDDING PETUNIAS.

Countess of Ellesmere, rose with white throat . . . 5	Carmine intus alba, carmine, white throat . . . 5
Reticulata, many shades . . . 5	Inimitable, blotched and striped 5
Adonis, carm. wht throat 5	Intus Aurea, with yellow throat, fine 5

Marginata, green margin 5	
Illustris, rosy carmine . . 5	
Belle Etoile, striped, star 5	

Petunia Superbissima and **Fimbriata**, flowers of enormous size, ruffled edges; White, Blood-red, Yellow-throated, dard crimson, rose, veined, margined, white and lilac, crimson, deek carmine, purple, purple, white throat, rose and white, purple margined white, yellow throated, each 5 cents; mixed, 4 pkts 15 cents, 1 pkt 5 cents. I can supply these colors in plain edged mammoth sorts, same price.

Phlox Drummondii, Improved.

Complete Special mixture, 4 pkts 10 cts, 1 pkt 3 cts.

The Improved races of **Phlox Drummondii** are hardly surpassed by any other annual. The plants start quickly from seeds, are compact in growth, begin to bloom when small, and continue blooming till after frost. The flowers are graceful in form, bright and varied in color, and produced in large clusters. Set eight inches apart in a bed, the plants make a blaze of rich color throughout the summer. The dwarf, compact varieties are excellent for pots. The **Grandiflora** and **Hortensiaeflora** Phloxes are especially valuable for beds. My seeds of these flowers are first-class, and my mixtures are carefully prepared.

GRANDIFLOEA SORTS.

White 5	Scarlet striped 5	Crimson striped 5	Crimson, star centre. 5
White with eye 5	Chamois Rose 5	Blue striped 5	Rose, star centre . . . 5
Dark purple 5	Carmine, white eye . . 5	Light yellow 5	Carmine, star centre. 5
Purple with eye 5	Flesh color 5	Deep pink, white eye . 5	Zonalis, with zone . . . 5
Purple striped 5	Quadricolor rosea . . . 5	Rose 5	Discoidalis elegans . . . 5
Brilliant scarlet 5	Violacea 5	Rose, white eye 5	Discoidalis lilacina . . . 5
Scarlet 5	Rich crimson 5	Rose striped 5	Mixed, 4 pkts 10c, 1 pkt 3c

Hortensiaeflora, smaller flowers, in large clusters. Rose, white, scarlet, purple, chamois rose, deep pink with white eye, violet with star, carmine striped, rose with white eye, brilliant scarlet, cinnabar scarlet, **Hortensiaeflora** Special Mixture, 4 packets 10 cents, 1 packet 3 cents.

Cuspidate and Fringed Phlox.—The flowers of this class have cut and fringed petals. They are much admired by some persons. Alba, white; Coccinea, scarlet; Blue, marbled; Purpurea, purple; Rosea; Salmonea, salmon, and Violacea, each 5 cents. Special mixture of all colors, 4 pkts 10 cts, 1 pkt 3 cts.

Semi-Double Phlox.—These bear semi-double flowers of the leading colors. They are fine for pots or garden beds. Dark red, pure white, bright scarlet, pale yellow, brown, red, cinnabar, each 5 cents. Complete Special Mixture of all colors, 4 packets 10 cts, 1 packet 3 cts.

Compact Dwarf Sorts.—Fireball, bright scarlet, globular; Snowball, pure white, globular; Surprise, vermilion, white centre; Violacea Stellata; Coccinea Striata; Mirabilis, each 5 cts. Mixed, 4 pkts 10c, 1 pkt 3c.

OXYURA

PORTULACA SINGLE

PORTULACA PLANT

PORTULACA DOUBLE

PODOLEP

PALAFOXIA

Oxyura *Chrysanthemoides*, showy composite from California; low, spreading; yellow bloom. 4 pkts. 15 cts, 1 pkt. 5 cts.
Portulaca, Large-flowered, Single and Double. Splendid low succulents with cup-like, showy flowers; make a gorgeous bed; also bloom well in pots and vases. One of our best annuals. White, yellow, gold-striped, rose-striped, salmon, crimson, sulphur, scarlet, rose, bronze, white-striped, single or double, each 3 cts. 4 pkts. of any color, 10 cts. See engravings above of flowers and plants. My seeds of Portulaca are of superior quality.

Special mixture, Portulaca, single and double, all colors, 4 pkts. 10 cts. 1 pkt. 3 cts.

Mr. Park:—Last spring I sowed two packets of your Portulaca, and the flowers were the prettiest I ever saw. They were of all colors, and just like Fairy Roses.—Mrs. G. E. Wicker, Dutchess Co., N. Y., Dec. 10, '06.

Mr. Park:—For a dry, sunny place, your Portulaca is grand. The flowers are gorgeous, and come in a great variety of colors. They make a beautiful border.—Mrs. C. E. Sipps, Sullivan Co., Tenn., Dec. 11, 1906.

Palafoxia *Hookeriana*, annual. 4 pkts. 15c, 1 pkt. 5c.

Papava *flexuosa*, rosy purple, fine. 4 pkts. 15c, 1 pkt. 5c.

Papaver-Poppy, old annuals greatly improved; make a showy and beautiful bed; fine for cutting. Everybody should grow them. I offer choice seeds, and my mixtures are carefully prepared. Sow where plants are to bloom, and thin out. Park's Giant, over two feet high, with enormous double flowers. White, white striped, scarlet, white and purple, light yellow, red striped white, rose, scarlet, ash gray, lilac, purple, etc. each 5 cts. Mixture, 4 pkts. 10 cts, 1 pkt. 3 cts.

Cardinal Poppy, 18 inches high, elegant fringed double flowers, brilliant and effective. Cardinal red, Rose, copper, Chamois, Brick Red, White or May Campbell, each 6 cts. Special mixture, 4 pkts. 10 cts, 1 pkt. 3 cts.

Other Poppies, *Arenarium*, *Laevigatum*, Tulip Poppy, *Giganteum* and Japanese Pompon, 5 cts. each. Also Shirley, best strain, very rich; mixture, 4 pkts. 10 cts, 1pkt. 3 cts. *Pæony*-flowered Dwarf, mixed, *Carnation*-flowered, mixed, *Rhoeas*, mixed, *Murselli*, mixed, Tall *Pæony*-flowered, mixed and *Ranunculus*-flowered mixed. All choice, each mixture 3 cts per pkt., 4 pkts 10 cts.

Complete Special Mixture, Poppies, 4 pkts. 10c, 1 pkt 3c.

Mr. Park:—I never before saw such a display as I had the past summer from your mixed seeds of Poppies. They were the admiration of all who saw them. The foliage of some was as delicate as a Fern. I had 60 different shades, from purest white to deepest red—all shades of pink, and some nearly lavender. Some were small, some very large; some single, some double; some fringed, some plain. They bloomed during the dry season, when other flowers were few.—Eld. G.C. Denny, Tipton Co., Ind., Dec. 10, '06.

Pentstemon *Gentianoides*, Large-flowered, various colors; bloom first season. Mixed, 4 pkts. 10 cts, 1 pkt. 3 cts.

Perilla, red foliage plants, mixed 4 pkts. 10c, 1 pkt. 3c.

Phacelia, elegant blue flowers; good for bees; *Tanacetifolia*, *Congesta*, *Grandiflora*, each 5 cts. Mixed, 4 pkts. 10 cts, 1 pkt. 3 cts. Per oz. 10 cts, ¼ lb. 25 cts.

Physalis, red-flowered ground cherry; Franchetti, the Japanese Lantern, also Alkekengi, each 5 cts. Mixed, 4 pkts. 15 cts, 1 pkt. 5 cts.

Podolepis, graceful low annuals. Colors yellow red and white. Special mixture, 4 pkts. 15 cts, 1 pkt. 5 cts.

Polygonum *Orientalis*, red and white, Tall and Dwarf, each 5 cts. Special mixture, 4 pkts. 10 cts, 1 pkt. 3 cts.

Prince's Feather, See *Amaranthus*. 4 pts. 10c, 1 pt. 3c.

Ranunculus, per pkt. 5c **Reseda** (See *Mignonette* p. 21.)

Ricinus, superb foliage plants. *Arboreus*, 14 feet high; *Mirabilis*, red foliage, 3 feet; *Sanguineus*, 5 feet, red; *Zanzibariensis*, *Enormis*, *Maculatus*, *Niger*, *Picturatus*, each 5 cts. Special mixture of all sorts, 4 pkts. 15 cts, 1 pkt. 5 cts.

Rosa Polyanthus, Fairy Rose, 4 pkts. 15c, 1 pkt. 3c.

Rudbeckia *Bicolor*, *Semi-plena*, showy plants; bloom first season. Each 5 cts. Mixed, 4 pkts. 15 cts, 1 pkt. 5 cts.

Salpiglossis, *Salvia*, see page 28.

Sanvitalia, fl. pl., fine gold trailer, 4 pkts. 15c, 1 pkt. 3c.

Saponaria *Calabrica*, edging, mxd, 4 pkts. 10c, 1 pkt. 3c.

Poppies in Fine Variety.

29

Complete Special Mixture, 4 pkts 10 cts, 1 pkt 3 cts.

THE POPPIES are old and general favorites, free-blooming, bright and showy, and gorgeous in a group or bed. Sow the seeds where the plants are to stand, either in September or in early spring, and thin the plants to six or eight inches apart. The flowers are fine for cutting.

Shirley Poppy, (see engraving) an improved single form of *Rhoeas Poppy*, with light colored anthers. Superb colors, mixed, 4 pkts 10c, 1 pkt 3c.

Shirley Poppy, New Dwarf, rose, white, carmine and salmon shades, each 5 cts. The same mixed, 4 pkts 10 cts, 1 pkt 3 cts.

Park's Giant, two feet high, bearing immense fringed double flowers on stiff stems. 18 colors separate, each 5c. Same mixed, 4 pkts 10c, 1 pkt 3c.

Fancy Poppies, very double, white striped red, scarlet striped, white striped, yellow, salmon-rose, etc., each 5 cts. Mixed, 4 pkts 10 cts, 1 pkt 3 cts.

Peony-flowered Dwarf, 14 sorts, each 5 cts. Mixed, 4 pkts 10 cts, 1 pkt 3 cts.

Admiral Poppy, superbly margined, new, 5 cts. **Peony-flowered Poppy**, very large flowers shaped like a Peony. 18 varieties, separate, each 5 cts. The same mixed, 4 pkts 10 cts, 1 pkt 3 cts.

Carnation-flowered Dwarf, a foot high, very beautiful; 11 varieties, separate, each 5 cents. Mixed, 4 pkts 10 cts, 1 pkt 3 cts.

Papaver Glaucum, Giganteum, Double Danebrog, Laevigatum, Double Umbrosum, each 5 cts.

Japanese Striped, double, various colors, 5 cts.

Pavoninum, or Peacock Poppy, beautiful, 5 cts.

Cardinal Poppy, scarlet, bright rose, chamols, copper-rose, May Campbell (white), copper-red, each 5 cts. Same mixed, 4 pkts 10 cts, 1 pkt 3 cts.

Salvia.

Complete Special Mixture, 4 pkts 10 cts, 1 pkt 3 cts.

A genus of showy mints, known as the Flowering Sage. Fine for both pots and beds. *S. Splendens*, the kind used for beds, is continuous-blooming, and one of the best bedding plants known. I offer the following sorts:

Splendens grandiflora, Pendula, Ingenieur Clavenad, Glory of Stuttgart, Apple Blossom, Alfred Ragneneau, Compacta, Silver Spot, Bonfire and Fireball, each sort 5 cents. The same in special mixture, 4 pkts 10 cts, 1 pkt 3 cts.

Patens, Ringens, Roemeriana, Carduacea, Coccinea lactea, Coccinea Compacta, Coccinea splendens, Sclarea, Pratensis and Horminum, each 5 cts. The same mixed, 4 pkts 10 cts, 1 pkt 3 cts.

Complete special mixture, all sorts, 4 packets 10 cts, 1 packet 3 cts.

Mr. Park.—My *Salvias* from your seeds continued a mass of the brightest and most beautiful bloom until cut down by hard frost. Mrs. E. F. Buckwalter, Marion Co., Mo., Dec. 9, 1908.

Scabiosa Maxima.

Special Mixture, 4 pkts 10 cts, 1 pkt 3 cts.

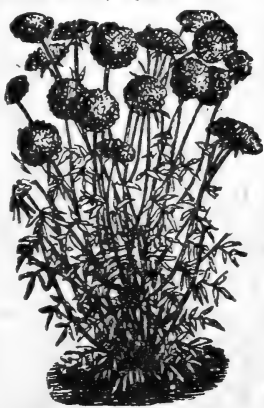

The large-flowered *Scabiosa* or Morning Bride is one of the most beautiful and easily-grown of annuals. Sow in early fall or spring. The large, double, globular flowers, borne on long, swaying stems are always greatly admired. The new colors are grand. The flowers of all are large and fine.

Salpiglossis.

Special Mixture, 4 pkts 10 cts, 1 pkt 3 cts.

Annuals of great beauty with Petunia-shaped flowers, richly colored and beautifully pencilled or marked. Grow two feet high, branching, and making an elegant, waving mass of bloom. I offer only the large-flowered Emperor varieties, which are very superior.

Special Mixture, 4 pkts 10 cts, 1 pkt 3 cts.

Schizanthus.—Beautiful annuals known as Butterfly Flower. I offer a fine mixture of the largest flowered sorts, 4 pkts 10 cts, 1 pkt 3 cts. I can also supply any variety separately at 5 cts per pkt. The plants thrive in either pots or beds, and bloom well summer or winter. The blooms appear as a multitude of hovering butterflies, being graceful in form, and rich in variegation and color.

THIS ANNUAL is almost perfect, being of easy culture, clothed with pretty foliage, and bearing long spikes of delicate, double flowers of fine texture, having a delicious fragrance, and blooming throughout the season. There is hardly another garden flower with so many good qualities. The seeds I offer were saved from pot-grown plants, and can be depended upon for the finest flowers. Transplant the young plants carefully during moist, cloudy weather, giving rich soil and good after-culture. Fine for either beds or pots.

NEW HOLLYHOCK-FLOWERED STOCK.

A new mammoth race, producing a single stem which attains the height of three feet, clothed with lovely green foliage for a foot or more at the base, the spike being from 15 to 18 inches in length, and a perfect wreath of lovely big double fragrant flowers. This splendid Stock is the earliest to bloom, and keeps in bloom throughout the summer. A double row makes a grand show, and fills the air with rich perfume. I have never known seeds of this magnificent new sort to be sold for less than 15 cents per packet, but I have secured a fine lot of seeds at a special price direct from the originator, and offer the same at 4 packets for 15 cts or one packet for 5 cts. Each packet contains about 50 seeds. Don't fail to get this splendid novelty in Stocks.

Early-flowering Dwarf German, a fine sort for either beds or pots; very double, and of many colors: White, Apple blossom, Canary yellow, Flesh, Chamolais, Dark chamolais, Light rose, Rose, Brilliant rose, Carmine, Crimson, Fiery Crimson, Brick red, Blood red, Shining purple-carmine, Light blue, Violet, Brown violet, Ash grey, Red Brown, Chestnut, Black Brown; each color, per pkt 5 cts. All the colors in finest special mixture, 4 pkts 10c, 1 pkt 3c.

PERPETUAL PERFECTION.

An excellent Stock of fine growth and fine branching habit. Each plant grows two feet high, becoming a pyramid of large, double, showy flowers. A splendid race for the garden; blooms continuously from June until after frost.

Senecio Elegans.

Special Mixture, 4 pkts 10 cts, 1 pkt 3 cts.

No annual that I saw in Europe was more pleasing or attractive than the dwarf double Senecio Elegans. The plants grow six inches high, branch freely, and when set six inches apart in a bed they make a sheet of rich color. The plants are easily grown, and are truly elegant when in bloom. I wish everyone of my patrons would give this annual a trial. I believe they will be delighted with it. The common varieties are equally as handsome as the pompon kind.

Complete Special Mixture, 4 pkts 10 cts, 1 pkt 3 cts.

VERBENA, LARGE-FLOWERED FRAGRANT.

VERBENAS are well-known favorites. They are easily grown from seeds, the flowers appearing in elegant clusters, of many rich colors, and continuously produced from June till after frost. They are superb bedding plants, not only showy and beautiful, but emitting a fragrance that is truly delicious. The hybrid varieties I offer are very superior, and will yield the best results.

Complete Special Mixture of all sorts, 4 packets 10 cents, 1 packet 3 cents.

Mr. Park:—The Verbenas from your seeds were the largest and best I have seen. The plants were a mass of bloom all summer. I am well pleased with all your seeds, and will order from you for the coming summer.—Everett C. Nichols, R. I., Dec. 5, 1908.

Valerian, Fragrant.

Finest Mixture, 4 pkts 10 cts, 1 pkt 3 cts.

A showy and beautiful fragrant perennial. Plants are easily started from seeds, bloom the first season when sown early, and are perfectly hardy, blooming for many years. The flowers are small, borne in large clusters, and fine for cutting. A worthy garden perennial, and should be in general cultivation. White.... 5 | Scarlet.... 5 | Red..... 5 | Rose..... 5

Special mixture, all sorts, 4 pkts 10 cts, 1 pkt 3 cts.

Mr. Park:—Many of the flower lovers do not know of the beauty and fragrance of Valerian. It blooms for several weeks; is hardy and vigorous and requires no care.—Mrs. A. B. Woolsey, Caldwell Co., Mo.

Venidium.

4 pkts 10 cts, 1 pkt 3 cts.

A trailing plant with bright, golden Daisy-like flowers in abundance. A rare flower that deserves to be better known. Set the plants six inches apart. They make a fine bed or edging. 4 pkts 10 cts, 1 pkt 3 cts.

Virginia Stock.

A profuse-blooming annual, a foot high, becoming a mass of bloom in autumn. Fine also in pots. The colors are white, rose, crimson and yellow. Each color 5 cents. The same mixed 4 pkts 10 cts, 1 pkt 3 cts. Started in early autumn the plants bloom well in a cool window in winter.

Viscaria Oculata.

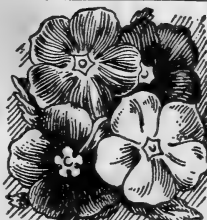

Very beautiful flowers belonging to the Pink family. They are of fine form as shown in the engraving. They come in bright colors. White, spotted, blue, rose, red and crimson, each 5 cents. Mixed, 4 packets 10 cts, 1 packet 3 cents.

Mr. Park:—Viscaria Oculata made a beautiful edging for a bed of Tulip Poppies last year, spreading into clumps of vivid green that made a perfect setting for the fiery Poppies. Later the flowers were graceful on long stems.—Mrs. M. M. Russell, Fla., Dec. 4, 1908.

Vinca Rosea.

Lovely everblooming plants with glossy green foliage and Phlox-like flowers. It is easily grown, and fine for beds in summer and pots in winter. Grow a foot high; thrive in a warm, sunny place. Colors, white, white with eye, and rose, each 5 cents. Special mixture, 4 pkts 10 cts, 1 pkt 3 cts.

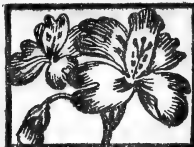

Mr. Park:—I planted your mixed Vineas, and had a bed of beautiful flowers. Now I have many sturdy little volunteer plants that have stood several freezes; I expect a beautiful bed next year.—Alice Peak, Allen Co., Kansas, Dec. 9, 1908.

SEDUM

SCHORTIA

SCHIZANTHUS-

TRACHYMENE

TROPAEOLUM

SAXIFRAGA

Sedum coeruleum, very pretty plant for rock work or edgings; flowers blue. 4 pkts. 10 cts, 1 pkt. 3 cts.

Saxifraga, rather succulent little plants; flowers yellow, white or rosy; handsome. 4 pkts. 15 cts, 1 pkt. 5 cts.

Shortia, a pretty annual, six inches high, bearing Daisy-like yellow flowers. 4 pkts. 15 cts, 1 pkt. 5 cts.

Schizopetalum Walkeri, white, fragrant, very pretty. 4 pkts. 15 cts, 1 pkt. 5 cts.

Schizanthus (see p. 30), mixture, 4 pkts. 10c, 1 pkt. 3c.

Sensitive Plant (see Mimosa, p. 22) 4 pkts. 10c, 1 pkt. 3c.

Senecio (see p. 30). Spec. mixture, 4 pkts. 10c, 1 pkt. 3c.

Silene). Special mixture, 4 pkts. 10c, 1 pkt. 3c.

Solanum, plants with ornamental foliage and showy fruits; fine for pots or beds; Robustum, Giganteum, Laciniatum, Ciliatum and Melongena (Red-fruit Egg Plant), each 5 cts. Special mixture, 4 pkts. 10 cts, 1 pkt. 3 cts.

Sphenogyne speciosa, grows a foot high; flowers Daisy-like, yellow and brown; pretty. 4 pkts. 15 cts, 1 pkt. 5 cts.

Tagetes Signata. (Fern-leaved edging Marigold, see page 24). 4 pkts. 15 cts, 1 pkt. 5 cts.

Tagetes patula French Marigold, see p. 22). Special mixture, 4 pkts. 10 cts, 1 pkt. 3 cts.

Tagetes erecta, (African Marigold, see p. 22). Special mixture, 4 pkts. 10 cts, 1 pkt. 3 cts.

Trachymene (Didiscus) coerulea, grows a foot high, branching, and covered with umbels of pleasing blue flowers in autumn. Avoid a wet soil. 4 pkts. 15 cts, 1 pkt. 5 cts.

Tropaeolum (Canary-bird vine, see page 39). 4 pkts. 10 cts, 1 pkt. 3 cts.

Tropaeolum Tom Thumb (Dwarf Nasturtium, see page 29). Special mixture, oz. 15 cts. 4 pkts. 10 cts, 1 pkt. 3 cts.

Tunica saxifraga (see page 48). 4 pkts. 10c, 1 pkt. 3c.

Valeriana (see page 31). Mixed, 4 pkts. 10c, 1 pkt. 3c.

Venidium fugas, a beautiful half-hardy perennial of spreading habit, covered with Marigold-like yellow flowers during summer, 4 pkts. 15 cts, 1 pkt. 5 cts.

Vinca rosea (see page 31). Special mixture, 4 pkts. 10 cts, 1 pkt. 3 cts.

Viola Cornuta (Tufted Pansy, see page 33). Special mixture, 4 pkts. 10 cts, 1 pkt. 3 cts.

Viola Munbyana, the Algerian Violet, one of the prettiest of hardy plants; grows and blooms freely, and continues in bloom a long time; beautiful. 4 pkts. 15 cts, 1 pkt. 3 cts.

Vittadenia triloba, splendid border plant nine inches high; becomes a dense mass of bloom; flowers pink, changing to white; hardy perennial. 4 pkts. 15 cts, 1 pkt. 5 cts.

Viscaria oculata, a beautiful hardy annual; grows eight inches high, bearing rather large, bright, attractive flowers of the most pleasing colors; the plants make a fine display massed together in a bed. Blue, scarlet, white, red, bordered, each 5 cts. Special mixture, 4 pkts. 10 cts, 1 pkt. 3 cts.

Verbena hybrida, (see p. 31). Mixed, 4 pkts. 10c, 1 pkt. 3c.

Verbena venosa, purple violet, 4 pkts. 15c, 1 pkt. 5c.

NOTE:—Verbena venosa is beautiful, growing a foot high. It is much hardier than the ordinary Verbenas. It looks all the brighter after drenching rains, and lasts very late in the season. When the ordinary Verbenas fall this one is sure to give satisfaction. It should be planted rather thickly and pegged down until the ground is covered, where it will continue to flower until the last of summer flowers are destroyed by frost. It is easily raised from seeds, which should be sown four months before the plants are wanted, as the seeds frequently take a long time to germinate. —English Flower Garden.

Whitlavia Grandiflora, eight inches high, bell-shaped blue and white flowers, 5 cts. each. Mixed, 4 pkts. 10 cts, 1 pkt. 3 cts.

Virginia Stock, beautiful annuals appearing well in masses; grow nine inches high; and bloom profusely in autumn. Carmine, rose, white. Mixed, 4 pkts. 10 cts, 1 pkt. 3 cts.

VISCARIA

Viola Hybrids--Tufted Pansies. ³³

Special Mixture, all varieties, 4 pkts 10 cts, 1 pkt 3 cts.

THE TUFTED PANSIES are beautiful, Pansy-like flowers which succeed well wherever a Pansy can be grown. The seedlings start in from ten to fifteen days, begin to bloom in a few weeks, and if cut freely will bloom till the snows of winter appear. The colors are varied, and a mixed bed is very attractive. The flowers have a delicious Violet fragrance which everybody admires.

Light blue.....	5	Pure White.....	5	Rich purple.....	5

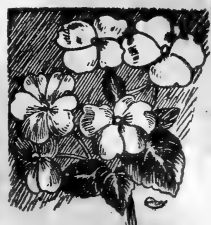

Wall-flower, Parisian.

Favorite fragrant flowers in spikes, blooming throughout the season. The new Parisian varieties here offered bloom the first season, and if grown in pots bloom well through the winter in the window. Light brown, Blood-red, Cream-white, Yellow, each 5 cts; mixed, 4 pkts 10 cts, 1 pkt 3 cts.

Zinnia, Finest Varieties.

Special Mixture, 4 pkts 10 cts, 1 pkt 3 cts.

The Double Zinnias are among the most beautiful and easily-grown of annuals, while they begin blooming early and keep in full bloom throughout the season. The newer varieties far surpass the older ones in richness

WALL-FLOWER.

of color and elegance of form. My seeds were carefully saved from perfectly double flowers, and will be found of surpassing excellence.

Bedding Zinnias.—These are of dwarf, compact growth and bloom very freely, full double. They make a very attractive bed or border. White, Sulphur, Golden, Salmon, Scarlet, Crimson, Purple, Violet, Striped, each 5 cts per pkt. Special Mixture, 4 pkts 10 cts, 1 pkt 3 cts.

Mammoth Zinnias.—These grow three feet high, and bear enormous full double flowers. Pure white, Striped, Sulphur, each 5 cts. Special Mixture, all colors, 4 pkts 10 cts, 1 pkt 3 cts.

Fringed Zinnias.—Very double, the florets handsomely cut or fringed. Rare and beautiful. White, Flesh, Carmine and Rose, each 5 cts, Special Mixture, 4 pkts 10 cts, 1 pkt 3 cts.

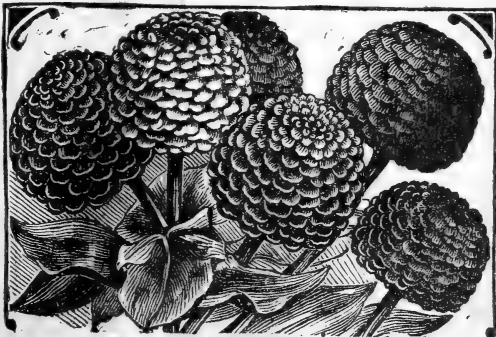

Lilliput.—Small-flowered, full double flowers, odd and attractive. Fine for beds as well as for cutting. White, Golden, Orange, Scarlet, Crimson, Lilac and Flery red, each 5 cts, Special mixture, 4 pkt 10 cts, 1 pkt 3 cts.

Pygmaea.—Small double flowers on dwarf plants, Scarlet, White, Crimson, each 5c, Mxd 4 pkts 10c, 1 pkt 3

Tom Thumb or Miniature.—Similar to the preceding, double and very dwarf, pkt 5 cts.

Crispa fl. pl.—very double, of various colors, with curled petals, pkt 5 cts.

Benary's Striped.—Very beautiful striped flower, pkt 5 c. Zinnia **Iris**, new sulphur, striped, spotted, 5c. Complete special mixture, 4 pkts 10 cts. 1 pkt 3 cts.

34 Choice Ornamental Climbers.

Special Mixture of all varieties, 3 pkts 25 cts, 1 pkt 10 cts.

THESE ARE VERY USEFUL for covering trellises and summer houses, for screening walls or porches, or hiding old fences or buildings. They quickly transform an unsightly object into a thing of beauty. Nothing makes a place more pleasing or home-like than the tasteful use of vines. Those I offer start readily from seeds, grow rapidly, and are beautiful and attractive. I heartily recommend them to my flower-loving friends.

Bean, Scarlet Runner.

Special Mixture, 4 pkts 10 cts, 1 pkt 3 cts.

This is a rather coarse vine, but its foliage is massive, and its flowers are scarlet, borne in fine clusters, produced continuously, especially if not allowed to form pods. The vine will grow 20 feet high, and is especially valuable for covering fences or buildings. The beans are useful for cooking and much prized as an esculent by some people.

Scarlet, old-fashioned Scarlet Runner, oz. pkt. . 5

Butterfly, white and rose, very pretty, pkt. 5
Special mixture, both kinds, 4 pkts 10 cts, 1 pkt 3 cts.

Calampelis Scabra.

Price, 4 pkts 10 cents, 1 pkt 3 cents.

A lovely vine, bearing clusters of deep orange, golden yellow and carmine flowers. The roots are tuberous, and hardy in the South, but at the North they must be cared for as Dahlias. When kept over the plants increase in size, and beautify with age. 4 pkts 10c, 1 pkt 3c.

Cypress Vine.

Special Mixture, 4 pkts 10 cts, 1 pkt 3 cts.

An exceedingly handsome vine, growing from eight to ten feet high; valuable for a trellis or to ornament the pillars of the veranda. The foliage is a rich, dark green, feathery in appearance, and decorated throughout the season with a profusion of bright, delicate, star-like flowers, scarlet, white and rose in color, beautiful and attractive. The seeds should be sown in a seed box, and the soil kept rather dry after the first watering. Do not transplant until the weather becomes warm. See engraving.

Quamoclit coccinea, scarlet	5
Alba, pure white	5
Rosea, fine rose; very handsome	5
Hederacea, Ivy-leaved; pretty	5
Kerberl, late-blooming	5
Special mixture of all sorts, 4 pkts 10 cts, 1 pkt	3

Cardiospermum.

Special Mixture, 4 pkts 10 cts, 1 pkt 3 cts.

Known as Balloon Vine, because of its balloon-like seed vessels. It is a very graceful, easily-grown vine, reaching the height of eight feet. Its chief beauty is in its most charming foliage and curious fruit. It is very easily grown from seeds.

Halicacabum, common Balloon Vine	5
Hirsutum, a handsome, rare sort	5
Mixed, 4 pkts 10 cts, 1 pkt	3

Coboea Scandens.

Price, 4 pkts 10 cts, 1 pkt 3 cts.

One of the most rapid and beautiful of climbers. It has graceful, bronze-green foliage, and bears throughout the season an abundance of large, drooping, bell-shaped flowers, greenish white and rich reddish purple. In the south the vine is hardy, and will bloom for several years, when once established. The vines grow 30 feet high, and bloom continuously till frost. White, per pkt 5 cts; Macrostemma, 5 cts; Purple, 4 pkts 10 cts, 1 pkt 3 cts.

Mr. Park:—Last spring with other seeds, I received a packet of Coboea Scandens seeds. One plant from the seeds was planted on the north side of the house, and it grew like "Jack's Bean Stalk". It climbed all around the porch, and above the door in the second story; and was covered with large bells, light and dark purple colored. If you want a rapid growing vine, try the Coboea.—Mrs. J. R. Etheridge, Iowa, Dec. 12, 1903.

Gourds, Fancy.

Mixture, 4 pkts 10 cts, 1 pkt 3 cts.

The small, fancy Gourds, often known as Bitter Boxes, are very charming vines when laden with their odd fruits. They are especially valuable as children's toys. Apple-shaped, red-striped, yellow, egg-shaped white, striped; pear-shaped white-striped, ringed, red-striped, black, each 5 cents.

Complete Special Mixture, all sorts, 4 pkts 10 cts, 1 pkt 3 cts.

Gourds and Cucumbers.

35

Special Mixture, 4 pkts 15 cts, 1 pkt 5 cts.

THESE ARE VERY INTERESTING and useful climbers, of rapid growth, many graceful and beautiful. Especially adapted to cover old buildings, walls, fences, trellises and summer-houses. I offer seeds of the finest kinds. The Hundred-weight Gourds make good pies.

ABOBRA

BRYONOPSIS

Abobra *viridiflora*, a lovely perennial; flowers green, succeeded by filbert-like fruits; roots tuberous. 4 pkts. 10c, 1 pkt. 3c.

Bryonopsis *laciniosa*, (see p. 35). 4 pkts. 15c, 1 pkt. 5c.

Bean, *Scarlet Runner*, showy climber, everblooming; flowers scarlet in clusters; beans edible. 1 oz. 5c. 4 pkts. 10c, 1 pkt. 3c.

Cardiospermum (see page 34), *Balloon Vine*. Mixed, 4 pkts. 10c, 1 pkt. 3c.

Cajophora (*Loasa*) *lateritia*, a showy annual vine, bearing bright orange flowers. 4 pkts. 15c, 1 pkt. 5c.

Calampelis *scabra*, a lovely perennial vine with fleshy roots that may be kept over winter; graceful clusters of orange bloom; fine for a background. 4 pkts. 10c, 1 pkt. 3c.

Canary Creeper (*Tropaeolum peregrinum*), the pretty canary-bird vine; easily grown, 12 feet high, beautiful in both foliage and flower. 4 pkts. 10c, 1 pkt. 3c.

Centrosema *grandiflora*, a pretty leguminous vine 3 feet high; flowers pea-like, large, pink, showy. 4 pkts. 10c, 1 pkt. 3c.

Clitoria *ternatea*, a handsome vine from India; flowers beautiful, blue, white, variegated. Mixed, 4 pkts. 10c, 1 pkt. 3c.

Cobaea (see p. 34), purple. 4 pkts. 10 cts, 1 pkt. 3 cts.

Convolvulus (*Morning Glory* p37), 4 pkts. 10c, 1 pkt. 3c.

Dolichos (*Hyacinth Bean*), a splendid ornamental vine, as easily grown as a pole bean, blooms very freely in big clusters, and the flowers are followed by great masses of graceful beans of a hyacinth-red color, making the vine very attractive, even when the flowers are gone. This vine has become a great favorite with many for covering arbors, summer houses, etc. I supply the following fine sorts:

Lalab, purple 5 *Giganteum*, vigorous.. 5 *Atrosanguineus*, red 5
Lalab, white 5 *Soudanensis*, purple 5 *Bicinctatus*, curious 5

Special mixture, all sorts, 4 pkts. 10 cts, 1 pkt. 3 cts.

Humulus *variegatus* (*variegated Hop*), a vine from Japan, rapid growing, with dense, graceful, splendidly marked foliage, and big panicles of whitish flowers. A fine annual climber, growing 20 to 30 feet. 4 pkts. 10 cts, 1 pkt. 3 cts.

Ipomoea *Quamoclit* (*Cypress vine*), see p. 34. Mixed, 4 pkts. 10 cts, 1 pkt. 3 cts.

Ipomoea, in variety, much like *Morning Glories* in foliage, flowers and habit; vines grow rapidly, and are fine for covering fences, buildings, walls, etc.

Coccinea, scarlet, small flowers..... 3 Blue, white border, fine 3
Lutea, yellow, small-flowered..... 3 *Leali*, beautiful blue 3
Ivy-leaved *Morning Glory*, mixed 3 *Nil Grandiflora*, splendid 3

Special mixture, all sorts, 4 pkts. 10 cts, 1 pkt. 3 cts.

Lathyrus (*Everlasting Pea*, p. 49). 4 pkts. 15c, 1 pkt. 5c.

Lophospermum *Scandens*, a lovely, silvery-foliaged vine, bearing rosy, bell-shaped flowers. 4 pkts. 15 cts, 1 pkt. 5 cts.

Maurandya, dense, graceful vines, lovely in both foliage and flowers; 6 feet high, beautiful late in autumn. Blue, white, rose, purple, each 5 cts. Mixture, all colors, 4 pkts. 10 cts, 1pkt. 3 cts.

Mina *lobata*, climber, scarlet flowers, 4 pkts. 15c, 1 pkt. 5c.

Thunbergia *alata*. (p. 41), mixed, 4 pkts. 15c, 1 pkt. 5c.

Pea (*Sweet*, see p. 38) mixture, oz.5c, 4 pkts. 10c 1 pkt. 3c.

Moon Flower. Rapid climbers, long-tubed, showy flowers in clusters; *Bona Nox* is rosy, small-flowered, opening in evening. *Grandiflora* large, sweet, white; Each 5c. Mxd. 4 pkts. 10c, 1 pkt. 3c.

Schubertia, (*Physianthus*) *albena*, an *Asclepiad*, known as *White Bladder Flower*; large and showy; likes a warm, sheltered place. 4 pkts. 15 cts, 1 pkt. 5 cts.

Solanum *Seaforthianum*, a fine climber from the West Indies; flowers blue in panicles, red, globose fruit; start early; keep roots frost-proof in winter; a choice vine. 4 pkts. 15 cts, pkt. 5 cts.

Scyphanthus *elegans*, a half-hardy annual from Chili; yellow flowers, curiously marked fruit. 4 pkts. 15 cts, 1 pkt. 5 cts.

Sicyos *angulata*, a hardy native vine of the *Gourd* family; sow early; grows rapidly; height 30 feet. 4 pkts. 15 cts, 1 pkt. 5 cts.

Vicia, beautiful vines with racemes of violet and red small Pea-like bloom; fine trellis plant. Mxd. 4 pkts. 15 cts, 1 pkt. 5 cts.

Morning Glory, Improved.

37

Special Mixture, 4 pkts 10 cts, 1 pkt 3 cts.

The old-fashioned Morning Glory is one of the most beautiful of the rapid-growing summer vines, and exceedingly useful for covering a wall or summer-house, or for a porch screen. Its flowers are produced throughout the summer and autumn in great abundance, are of a wide range of bright colors, and are always rich and attractive. My collection embraces all the choice varieties, and my special mixture contains all in careful proportion. You will certainly be pleased with the newer shades and variegations.

White	5
Rose	5
Tricolor	5
Carmine	5
Lilac	5
Scarlet	5
White striped rose	5
White striped violet	5
Dark Red	5
Light Blue	5

Special mixture, all shades,
4 pkts 10 cts, 1 pkt

Double Morning Glory.	
White	5
Blue	5
Red	5
Spotted	5
Mixed, 4 pkts 10 cts, 1 pkt	3

Note.—The common Morning Glory is beautiful; useful for festooning branches, covering arbors, trellises and shrubs. Eng. Flower Garden.

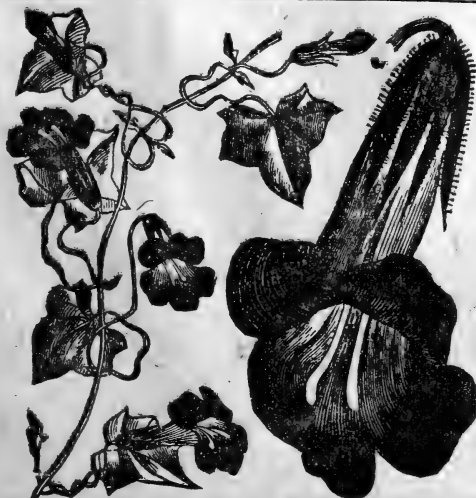

Imperial or Japanese Morning Glory.

Mixture, all varieties and colors, 4 pkts 10c, 1 pkt 3 c.

I take pleasure in announcing that I have secured from specialists in Italy choice seeds of the finest strains of Japanese Morning Glories known. The vines of all grow rapidly and bloom freely, especially if given a southern exposure, and the flowers are of enormous size, from four to five inches across, and show a variety of odd, beautiful colors and variegations. Following are the strains offered:

Mikado, rapid in growth, marbled and spotted foliage, large flowers, lovely colors and variegations .	5
Aurata, leaves marked with yellow; huge flowers of many fine colors. Mixed	5
Imperialia, foliage green or silvery; flowers plain, spotted, throated, fluted, etc. Mixed	5
Collata, splendid large flowers of many colors, the edges partly curled or frizzled. Mixed	5
Micans, smooth stems and leaves; flowers large, and of striking and beautiful colors	5

Mixture of all the above, 4 pkts 10 cts, 1 pkt 3 cts.

Moon Vines, easily raised from seeds; flowers large, fragrant, very freely produced, and beautiful. Vines are rapid growers, and satisfactory. . . 5

Cluster Morning Glory, lovely big flowers of a charming celestial blue, shading to white at the center; grow in clusters, and are beautiful. . . 5

Moon Vine, Hesperus, new, an improved sort, very large pure white flowers

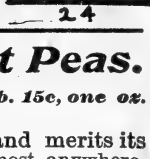

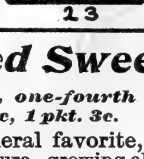

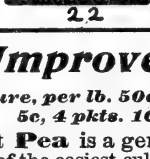

Moon Vine, Bona Nox, small, rosy flowers in clusters; opening in the evening. 5

Special Mixture of Moon Vines and Cluster Morning Glories, 4 pkts 15 cts, 1 pkt 5 cts.

Maurandya.

One of the most beautiful and satisfactory of vines for a trellis or screen, growing from six to ten feet high, and showing a mass of graceful foliage, beset in autumn with a grand array of lovely, drooping, bell-shaped flowers of various colors, but mostly purple and violet. The plants thrive in rich soil and a sunny place, and retain their elegant foliage until after severe frosts. Grown in pots they do well in a cool window, and bloom freely in winter. As a trellis or screen they are unsurpassed. Easily grown.

Albiflora, white.	5	Purpurea, purple.	5
Barclayana, blue	5	Semperflorens, red. . .	5
Barclayana, white	5	Semperflorens, violacea. .	5
Barclayana, purple ...	5	Antirrhiniflora.	5
Emeryana, rose.	5	Mixed, 4 pkts 10c, 1 pkt 3	

Park's Improved Sweet Peas.

Complete mixture, per lb. 50c, one-fourth lb. 15c, one oz. 5c, 4 pkts. 10c, 1 pkt. 3c.

The Sweet Pea is a general favorite, and merits its popularity. It is of the easiest culture, growing almost anywhere, and blooming freely throughout the season. The flowers are in clusters, large, of a wonderful range of colors, and deliciously scented. They are fine for vases or personal adornment when cut, and last well. Sow early and furnish support promptly. The seeds I offer are German-grown. They surpass the ordinary American-grown Sweet Peas in size and quality, as the Germans give them special care, and the climate there is cool, and well adapted to their development. The seeds I offer, can, therefore, be depended upon for the finest flowers. They cost me more than the best American seeds. Notwithstanding my low prices they will be found very superior. Mixtures are specially prepared and well proportioned.

Only 25c for 10 packets in 10 mixed shades as below:

- 1, **Shades of White.** This packet includes all the new, chaste shades of white; pearl-white, pure white, cream white, flesh white and porcelain white. 3
- 2, **Shades of Red,** includes bright red, carmine, scarlet and crimson, in many tints. 3
- 3, **Shades of Dark Blue,** includes black blue, dark blue, violet and purple in many tints. 3
- 4, **Shades of Light Blue,** includes azure blue, lavender blue and sky blue in many tints. 3
- 5, **Shades of Yellow,** pure yellow, orange yellow, salmon yellow, sulphur yellow. Includes the best yellow shades known. 3

- 6, **Shades of Bright Pink,** includes brilliant rose, deep pink, carmine pink and peach pink with variations. 3
- 7, **Shaded and Margined,** includes light colors of different shades, some flaked and margined with soft tints. 3
- 8, **Red Striped, Blotched and Variegated,** a great variety of tints, the red colors predominating. 3
- 9, **Blue Striped, Blotched and Variegated,** a great variety of tints, the blue colors predominating. 3
- 10, **Cupid or Dear,** white, pink, yellow and variegated. 3

Each of above collection, 8 cts per ounce, 3 cts per pkt.

10- The above collection of mixed Sweet Peas, one ounce of each mixture, or ten ounces in all, only 75 cents. Or, one packet of each mixture, 10 packets in all, only 25 cents. The named sorts can also be furnished separately at prices quoted.

Sow in a trench as early as the ground can be worked, and cover only one-fourth inch deep; later, as the vines grow, draw soil in till the roots are well protected. As warm weather approaches mulch the ground with suitable litter. Give wire or brush support early. Cut the flowers freely to prevent seeding and to prolong blooming. Order and plant early. The dwarf sorts are not so desirable as the others, but are useful for contrast. White is preferred for pots. I supply Sweet Peas illustrated, as follows:

- | | | | |

Mr. Park:—I had great success with your Sweet Peas. The seeds came up well, and the flowers were of superior size and beauty, produced in great abundance until late in fall. In fact, when snow came the foliage was as green as ever.—Mrs. Helen Reeve, Ashtabula Co., Ohio, Dec. 12, '06.

Mr. Park:—Last summer your Large-flowered Sweet Peas gave me more satisfaction than any other flower. I planted double rows, with poultry netting support between. The flowers and clusters were large, and I had the finest and richest variety of colors I ever saw. I urge all my friends to plant Park's Sweet Peas.—M. W. Kelley, Gilmer Co., Ca., Dec. 15, '06

Tropæolum, Giant Climbing.

Complete mixture, lb. 75 cts., 1-4 lb. 20 cts., oz. 6 cts., 4 pkts. 10 cts., 1 pkt. 3 cts.

THE new Giant Climbing Nasturtiums are as desirable for the flower garden as Sweet Peas. They grow vigorously, have beautiful, clean foliage, begin blooming early, and bloom all the season. The flowers are borne in great profusion, are very large, of silky texture, brilliant in color, and very fragrant. Indeed they possess all of the elements of a first-class vine, and can be used to decorate old fences or buildings, as well as to form a showy hedge or an attractive trellis clump. My seeds are superior, and my mixtures unsurpassed.

Atropurpureum, crimson	3	Hemisphericum, orange.....	3	Regellianum, purple, crimson ...	3
Chameleon, variously colored.....	3	Hunneumanni, brown, odd.....	3	Scheuerianum, straw col., spotted...	3

Chaixianum, yellow, red spots.....	5	Lucifer, splendid dark scarlet.....	5		
Lobb's Climbing, mixed, 1 ounce 15 cents, 4 packets 10 cents, 1 packet.....	3				

Mr. Park: I have a bed of Nasturtiums every year, but have never had anything to compare with what I raised from your seeds this summer. There was every shade "from grave to gay," and every day I had all the blossoms I could pick.—Mrs. H. Jenne, Sullivan Co., N. H., Nov. 4, 1905.

Mr. Park: Oh, my Nasturtiums were fine, the best collection in town, so velvety and fragrant, no two alike. I had a fresh bouquet every morning.—M. E. B. Lattershale, Lyon Co., Ia.

Tropæolum Peregrinum, the beautiful Canary-bird Flower, This is a lovely vine of easy growth, reaching twenty feet in one season. In autumn it is covered with a profusion of yellow flowers bearing a fancied resemblance to a miniature canary bird. Four packets 10 cts., 1 packet 3 cts.

NOTE.—The Canary Flower is without a rival in lightness and elegance; indeed, one might say it is peerless among yellow flowers. It is a valuable garden vine, thriving in sun or shade, and unsurpassed for festooning. It rarely fails to succeed well.—English Flower Garden.

Thunbergia Alata.

Special mixture, 4 packets 10 cents, 1 packet 3 cents.

Handsomeness six feet high, covered from June till October with bright, showy flowers. Elegant for trellis or low screen. Are easily grown from seeds. Like a warm and sunny situation.

Buff, eyed.....	5	Pure white.....	5	Orange.....	5
Yellow.....	5	White, eyed.....	5	Orange, eyed.....	5

Mr. Park: Thunbergia Alata is a valuable vine that certainly merits general cultivation, as it commences to bloom quite early in the season and blooms constantly until frost. It makes a nice vine for a porch, with its myriads of pretty flowers and clean foliage.—Grace Owens, Joliet, Ill., October 10, 1905.

TRYCHOLAENA

Acroclinium, graceful and pretty, half-hardy annuals; flowers nodding, an inch across, mostly rose and white, and for drying should be cut before expanding. Plants slender, with linum-like foliage; 1 foot high; pretty either in beds or pots. Double rose and double white, each 5 cts. All varieties, single and double, mixed, 4 pkts. 10 cts, 1 pkt. 3 cts.

Ammobium alatum, new large-flowered; two feet high; robust, with handsome, double, white flowers; useful either in the garden or for winter bouquets; cut before the buds open. 6c.

Comphrena globosa, a very fine annual, very desirable as a bedding plant, making a gorgeous and continuous display. Colors white, carmine, flesh-colored and variegated. The new dwarf varieties are fine for pots. Cut when fully developed. **Comphrena aurea** bears orange flowers. The colors separate, each 5 cts. Special mixture, all colors, 4 pkts. 10 cts, 1 pkt. 3 cts.

Gypsophila, plants bearing beautiful panicles of miniature bloom, which are fine for bouquets. **G. muralis** is a floriferous edging plant, useful also for baskets or pots. **G. paniculata** is a hardy perennial with panicles of fairy-like white bloom, indispensable for cutting. Separate, each 5 cts. Special mixture, 4 pkts. 10 cts, 1 pkt. 3 cts.

Helipterum Sandfordii, grows a foot high, bearing clusters of golden bloom, fine for drying. 4 pkts. 15 cts, 1 pkt. 5 cts.

Rhodanthe, a lovely everlasting, either in the garden or for winter bouquets; flowers white, rose, crimson, each 5 cts. Special mixture, 1 pkt. 10 cts, 1 pkt. 3 cts.

Helicthyrium, New Double, showy, easily grown annual for the border; fine for winter bouquets; cut before the buds expand, white, rose, crimson and seven other colors; separate, each 5 cts. Special mixture, all colors, 4 pkts. 10 cts, 1 pkt. 3 cts. Dwarf varieties mixed, 5 cts.

Atracanthium, crimson, Minimum, mixed, each 5 cts. Complete mixture, all varieties, 4 pkts. 10 cts, 1 pkt. 3 cts.

Scabiosa, a pretty everlasting, the flowers blue, white and yellow in clusters; excellent for drying. 4 pkts. 15c, 1 pkt. 5c.

W. grandiflora, a foot high; with branches terminating in numerous small yellow flowers. 4 pkts. 10c, 1 pkt. 3c.

Xeranthemum annuum, a hardy annual, one foot high, bearing handsome, double flowers on long stems; colors mostly white, rose and purple; cut when fully developed. One of the best everlastings and easily grown; separate, each 5 cts. Special mixture, 4 pkts. 10 cts, 1 pkt. 3 cts.

Part II==Biennials and Perennials.

41

Many Varieties Mixed, Large Packets, 3 pkts, 25 cts., 1 pkt. 10 cts.

THESE are sometimes denominated "The poor man's flowers," because when once established in the garden they will take care of themselves. The Biennials die after blooming, but are mostly reproduced by self-sowing. The hardy Perennials live for years, and often increase in beauty with age. These are choice flowers entirely too much neglected. As a rule the seeds are more tardy to germinate than seeds of Annuals, but if given sufficient time there will be little reason for complaint. I urge my patrons to start a large bed of Perennials, because I feel confident they will be pleased when the flowers bloom, and thank me for my opportunity.

Aquilegia==Columbine.

Complete special mixture, 4 packets 10 cents, 1 packet 3 cents.

Hardy perennials. Flowers both single and double in form, and of all shades of red, white, blue and yellow. The sorts offered are mostly large-flowered. All bloom in the spring, and some continue to bloom all summer. My complete mixture will show a great variety, and will please all who sow it.

Californica hybrida, yellow with orange spurs.....	5	Formosa fl. pl., double, mixed	5
Canadensis, scarlet and y'l'w	5	Grandulosa vera, true.....	5
Chrysanthia, everblooming, yellow.....	5	Jucunda, copper-rose.....	5
Grandiflora alba, white.....	5	Jaetschau, yellow reddish spurs.....	5
Cœrulea, blue, fine.....	5	Nivea grandiflora, fine white, semi-double.....	5
Alba, white.....	5	Olympica, blue, lovely.....	5
Lutea, new, yellow.....	5	Skinneri, scarlet, showy.....	5
Durandi, fl. pl., striped.....	5	Stellata, fl. pl., double, mixed	5
Flabellata, fine white.....	5	Truncata, large, very fine.....	5
Complete special mixture, 4 packets	10 cents, 1 packet		3

Aquilegia (Columbine) is a genus of free-blooming subjects of easy culture in ordinary garden soil. They are suitable for beds, borders and shrubberies, and thrive in a shady situation. They are also very beautiful when naturalized in grass; and the flowers are also prized for cutting.—Book of Gardening.

Mr. Park: I found a prize, indeed, in your mixed varieties of Aquilegia—flowers of all conceivable shapes and colors, double and single, spurred and otherwise. They are perfectly dazzling. They needed so much room that they smothered out a bed of Pinks in short order, but hurrah for this grand acquisition to beds and borders!—Mrs. J. E. Wheeler, Lebanon Co., Pa.

Adlumia Cirrhosa.

Mixed colors, 4 packets 10 cents, 1 packet 3 cents.

Charming vine with delicate fern-like foliage and waxy pink and purple flowers in clusters in great profusion. The vines will grow 20 feet high, a mass of foliage and bloom, and in dense shade—even where the sun never reaches. Furnish string support. A grand pillar plant for the north porch.

Mr. Park: For a delicate perennial climber nothing can surpass the Adlumia. It is easily grown from seeds. The first season it grows a foliage resembling Maiden-hair Fern, fine for floral work, the second season it is still more beautiful with its clusters of white flowers, which are almost everlasting, and fine for floral work.—A. M. S., Pawnee Co., Neb., Nov. 1903.

Arabis Alpina.

A beautiful edging or border plant for a spring display. The plants are low, branching and hardy, and become a sheet of clustered bloom; one of our better and easier grown perennials; fine for cemetery use. 4 pkts. 10c, 1 pkt. 3c.

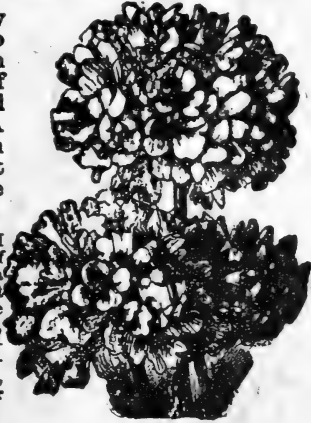

NOTE.—Arabis alpina is unsurpassed for a spring bed. Start the plants the previous year, and you will have a glorious surprise when the flowers appear.

Armeria, Giant.

Mixed colors, 4 packets 10 cents, 1 packet 3 cents.

A fine hardy perennial, two feet high, with large heads of rose-colored flowers. A choice garden perennial that deserves more attention.

Mr. Park: I bought a packet of Giant Armeria seeds of you last spring, and have several nice, thrifty plants.—Mrs. Mary Coleman, Lewis Co., Wash., November 10, 1903.

Aethionema Grandiflorum (Lebanon Candytuft).—A trailing plant from the Lebanon mountains. Of easy culture; spikes of rosy white flowers continually produced. 4 pkts 10c, 1 pkt 3c.

Aubrietia.

(Rock Cress). Dense, low plants literally covered in spring with charming violet bloom; does well in the crevices of walls or rocks, and is beautiful as a spring bedding plant; easily grown. Eyrri, Deltoides and Purpurea, each 5 cents. Special mixture, 4 pkts. 10 cts, 1 pkt. 3 cts.

NOTE.—Started this year the plants will make a fine display next spring. They will certainly delight you.

AQUILEGIA

ANEMONE JAPONICA

ARABIS ALPINA

CENTAUREA

ADLUMIA CIRRHOSA

Aquilegia (see page 41). Mixed, 4 pkts. 10c, 1 pkt. 3c.

Adlumia (see page 41). Mixed, 4 pkts. 10c, 1 pkt. 3c.

Achillea Ptarmica, 2 feet high; double white flowers in abundance; fine. 4 pkts. 15c, 1 pkt. 5c. Double Pearl white, also Filipendula, 3 feet high, with yellow bloom, same price.

Aconitum (Monkshood), showy, hardy, beautiful; blue, white, each 5c. Special mixture, 4 pkts. 15c, 1 pkt. 5c.

Adenophora Potanini, showy racemes of light-blue drooping bells; very pretty. 4 pkts. 15c, 1 pkt. 5c.

Adonis vernalis, bright yellow, spring-blooming; attractive and handsome. 4 pkts. 15c, 1 pkt. 5c.

Agrostemma coronaria, hairy plants 2 feet high, with showy white, rose and red flowers; each 5c. Mixed, 4 pkts. 15c, 1 pkt. 5c. A. Flos Jovis, pink, same price.

Alyssum saxatile (Gold Dust), grows 10 inches high, a mass of rich, golden flowers; a splendid spring-blooming perennial. 4 pkts. 15c, 1 pkt. 5c.

Ajuga metallica crispa, dwarf, blue, 4 pkts. 15c, 1 pkt. 5c.

Anchusa Italica (azurea), 3 feet tall; flowers rich blue in panicked racemes. 4 pkts. 15c, 1 pkt. 5c. (See eng. left corner.

Anemone Japonica, 3 feet high, branching; covered in autumn with showy red, rose and white flowers. A. Fulgens, scarlet, and A. sylvestris, white, are also fine. Each sort, 5c. Complete special mixture, 4 pkts. 15c, 1 pkt. 5c.

Arabis and **Aubrietia** (see preceding page). Each, 5c.

Abobra viridiflora, **Acanthus lusitanicus**, **Anthericum** (mixed), **Androsace coronopifolia**, **Anthemis** (camomille), **Asclepias atrosanguinea**, **Asperula odorata**, **Astragalus galegiformis**, **Baptisia australis**, **Barbarea folis variegatis**, **Betonica grandiflora**, **Camassia esculenta**, **Catananche**, fl. pl. Each sort, mixed, 5c per pkt.; 4 pkts. 15c, 1 pkt. 5c.

Aster, new, large-flowered; rival **Chrysanthemums** in lateness of bloom, and the flowers are rich-colored and exceedingly showy. I offer a first-class mixture of the finest-named, hardy kinds. Special mixture Perennial Asters, 4 pkts. 15c, 1 pkt. 5c.

Campanula (see p. 43). Spec. mixt., 4 pkts. 10c, 1 pkt. 3c.

Centaurea Americana, large pink heads; C. **Babylonica**, yellow; C. **Montana**; Each 5c, mixed 5c. All sorts mixed, 4 pkts. 15c, 1 pkt. 5c.

Cerastium grandiflorum, silvery foliage and showy white daisy-like flowers; C. **Biebersteinii**, of similar habit; make a fine bed or edging. Both mixed, 4 pkts. 10c, 1 pkt. 3c.

Chelone barbata, a lovely, graceful, everblooming perennial, 3 feet high; branching and covered with rich carmine flowers. 4 pkts. 10c, 1 pkt. 3c. Also C. **glabra**, new French hybrids, wreaths of lovely bells in colors. Mixed, 4 pkts. 10c, 1 pkt. 3c.

Chrysanthemum, hardy. Mixed, 4 pkts. 10c, 1 pkt. 3c.

Coreopsis Eldorado, new large-flowered sort; golden color, very showy. 4 pkts. 10c, 1 pkt. 3c.

Crucianella stylosa, a beautiful, dense, low plant, elegant as an edging; rose, everblooming. 4 pkts. 15c, 1 pkt. 5c.

Delphinium (see p. 44) **Chinense**, **Elatum**, **Formosum**, **Nudicaule**, each 5c. Special mixture, 4 pkts. 10c, 1 pkt. 3c.

Dianthus Gardnerianus, lovely Sweet-William-like Pink; D. **deltoides**, small, pretty sort; D. **atrococcineus**, a splendid border Pink, and D. **superbus**, elegantly fringed; each sort, 5c. Special mixture of all sorts, 4 pkts. 15c, 1 pkt. 5c.

Dictamnus fraxinella, the beautiful gas or flame plant; red, white, mixed, 4 pkts. 15c, 1 pkt. 5c.

Dodecatheon meadia. 4 pkts. 15c, 1 pkt. 5c.

Dracocephalum grandiflorum and **Ruyschianum**, each 5c. Mixed, 4 pkts. 15c, 1 pkt. 5c.

Epilobium hirsutum, French Willow. 4 pkts. 15c, 1 pkt. 5c.

Erigeron, new hybrids, elegant perennials deserving of wide popularity; daisy-like yellow, white and blue flowers. Mixed, 4 pkts. 15c, 1 pkt. 5c.

Erysimum pulchellum, **Eryngium giganteum**, **Eupatorium altissimum**, **Ferula communis**, each, 4 pkts. 15c, 1 pkt. 5c.

CHOICE GARDEN CARNATIONS.

Campanula.

Special Mixture, 4 pkts 10 cts, 1 pkt 3 cts.

A very important family of biennials and perennials; they are hardy and beautiful. The Canterbury Bell, biennial, and one of the most showy of garden flowers belongs here, also the Chimney and Peach-leaved Bell Flowers, which are true perennials. Some species, too, are lovely for baskets and vases. All are very easily grown from seeds. I offer the following very fine varieties:

Medium, or Canterbury Bell,

Single, white, azure, blue, rose, striped, each 5 cts.

Double, white, azure, blue, rose, striped, each 5 cts.

Calycanthema, white, azure, blue, rose and striped, each 5 cts. Special mixture, single, double and Calycanthema, 4 pkts 10 cts, 1 pkt 3 cts.

Perennial Varieties,

Carpathica, blue white 5

Garganica, basket plant 5

Glomerata, fine clusters 5

Grandis, Latifolia, Macrantha, each 5

Siberica and Turbinata blue, white, mxd, each 5

Special Mixture, all sorts, 4 pkts 10 cts, 1 pkt 3 cts,

Delphinium.

Known as Perennial Larkspur. The Elatum hybrids grow six feet tall, and bear long spikes of superb flowers from early summer till after frost. The other species are all valuable perennials of great beauty in the garden. All are of the easiest culture.

Elatum Hybrids, light blue, dark blue, reddish violet, each with white centre, each 5

Same colors with dark centre 5

Dark blue, fine spikes of bloom 5

Elatum, double, finest mixture . . . 5

Sulphurium, lovely yellow bloom 5

Grandiflorum, blue, azure, white 5

Caucasicum, cardinal, scarlet, ea 5

Hendersoni, Speciosum, blue, ea 5

Hainensis, blue, white, azure, ea 5

Fornosa, blue, azure, mixed . . . 5

Cashmerianum, Nudicaule, ea 5

Mixed, all sorts, 4 pkts 10 cts, 1 pkt 3

GARDEN CARNATIONS are certainly among the most beautiful, fragrant and easily cared for of all garden flowers. The seeds start in a few days, and in a rich, sunny bed the plants become strong and well rooted the first season. In this condition they endure the severe winters in safety, and the next season become a waving mass of large, double flowers of all shades from white to dark crimson, many striped and spotted, and all deliciously scented, enriching the balmy air with the sweet odor of cloves. I offer a very superior strain of seeds. White 5 cts. Finest mixture, 4 pkts 10 cts, 1 pkt 3 cts.

Chelone Glabra.

Special Mixture, 4 pkts 10 cts, 1 pkt 3 cts.

The new French compact hybrids of *Chelone glabra* are highly appreciated in the perennial garden. The plants grow in elegant, compact tufts, and produce long wreathes of bell-shaped flowers. Many colors or shades are represented, and the display is continued for a long period. The plants are hardy, and are fine as edgings when not in bloom. This *Chelone* is closely related to the *Pentstemon*, and by some is classed as a *Pentstemon*. My seeds are of the best quality, having been obtained direct from the French florists who introduced this handsome flower. Price, 4 packets 10 cents, 1 packet 3 cents.

NOTE.—The *Chelones* are very handsome herbaceous plants of easy culture in almost any garden soil, although a rich, moderately light loam is the most satisfactory.—Gardening.

Eupatorium Weinmannianum, hardy perennial, 10 feet high, with clusters of brush-like white flowers, 4 pkts 10 cts, 1 pkt 3 cts.

Ferula Communis, Giant Fennel, elegant lawn plant, Fern-like foliage in early spring. 4 packets 10 cents, 1 packet 3 cents.

Ferdinandia eminens, sub-tropical plant, 12 feet high; start early; winter in the house. 4 packets 10 cents, 1 packet 3 cents.

Freesia, Sown early the bulbs will bloom in the house the following winter; fragrant and beautiful. 4 packets 10 cents, 1 packet 3 cents.

Gypsophilla Paniculata.

Price, 4 pkts 10 cts, 1 pkt 3 cts.

A superb, airy plant, bearing innumerable small white flowers on wiry stems; the most elegant perennial known for cutting for bouquets and designs, arranging with showier flowers. 4 packets 10 cents, 1 packet 3 cents.

Ipomopsis (Standing Cypress) a most beautiful perennial; grows three feet high with a gorgeous cluster of delicate, Cypress-like flowers at the summit. Mixed, 4 pkts 10 cts, 1 pkt 3 cts.

Michauxia Campanulata.

4 pkts 10 cts, 1 pkt 3 cts.

This is a handsome hardy perennial, growing three feet high, and bearing in long, spike-like racemes, charming, white and purple flowers as represented in the little engraving. It starts readily from seeds, and once established the plants last for years. I feel assured that those who try it will find it satisfactory in beauty and hardiness. Price, 4 pkts 15 cts, 1 pkt 5 cts.

Gaillardia Grandiflora.

Complete Special Mixture, 4 pkts 10 cts, 1 pkt 3 cts.

ONE OF THE BEST PERENNIALS, and blooms the first season. The flowers are large and bright, mostly shades of crimson and gold, often finely contrasted in the same flower. They are borne on long stems in abundance all the season. A splendid perennial for beds and cut flowers. I offer the newest, largest and best varieties.

Maxima lutea , yellow	5

Hollyhock.

Finest Mixture, 4 pkts 10 cts, 1 pkt 3 cts.

The Hollyhock is an old and favorite, showy, free-blooming and beautiful flower. Both Double and Single varieties are grown, and equally desirable, for what one lacks in fullness the other makes up in gracefulness. I offer all the improved sorts. My Double Hollyhock seeds were saved only from the very best double flowers of distinct and varied colors. They are unsurpassed. My Single and Semi-double varieties are of the kind that bloom the first season when started early. All are desirable.

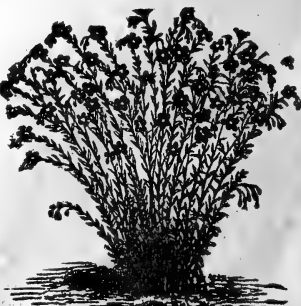

Double Hollyhocks.

Blue.....	5
Rose	5
Flavum yellow	5
Lewisii, blue..	5
Narbonense ...	5

Special Mixture, 4 pkts 10 cents, 1 pkt 3 cents.

Pinks, Everblooming.

This is in every way like the old Clove-scented Pink, but differs in being continuous-blooming. The plants are hardy, the flowers single and double, fringed, deliciously scented and of various colors and variegations. A bed of these grand Pinks should be at every home. Single mixed, double mixed, and shades of red, each 5 cts. Mixture, all sorts, 4 pkts 10c, 1 pkt 3c

Flowering Peas, Hardy Perennial.

Special Mixture, all colors, 4 pkts. 10 cts, 1 pkt. 3 cts.

The Perennial Flowering Peas are plants of more than ordinary merit. They begin to bloom early in summer, and continue in bloom until after severe frosts, especially if kept from seeding. They are excellent for a trailing mass, or for covering an old stump or stone heap. The plants are hardy and tenacious, and when once started will grow and bloom for many years. They grow from six to ten feet high, and in a sunny exposure bloom very freely. Pink, White, Rose and Scarlet. Each 5 cts. per packet. Special mixture of all colors, 4 pkts. 10 cts, 1 pkt. 3 cts.

Mr. Park:—The Perennial Peas raised from a 3-cent packet of your seeds were the most beautiful flowers I ever saw for cut flowers. The plants stood the winter well, and bloomed from spring until late in autumn. I have both pink and white. Mrs. Lizzie Eastman, Fayette Co., W. Va., Dec. 14, 1906.

Mr. Park:—From the 3-cent packet of Perennial Peas 15 plants came up, and two have bloomed this year. They kept on blooming long after the Sweet Peas were dried up.—Mrs. William Pollard, Carroll Co., Miss., Dec. 5, 1906.

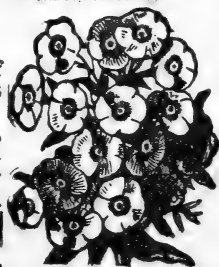

Mr. Park:—My Perennial Peas from your seeds were quite a success this year. They grew and flowered until they were eight feet tall, and everybody admired them.—Mrs. R. Johnston, Huron Co., Ont.

Phlox, Hardy Perennial.

Finest Mixture, 4 pkts. 10 cts, 1 pkt. 3 cts.

Hardy Perennials bearing huge panicles of showy flowers of many fine colors. Seeds start tardily. Showy and beautiful. Finest mixture, 4 packets 10 cents, 1 packet 3 cents.

Mr. Park:—Why don't every flower cultivator have a bed of Perennial Phlox? No more useful or showy perennial grows. There are so many beautiful shades and colors, some eyed, while the clusters are as large as saucers and delightfully fragrant.—M. J. Aclay, Fergus Co., Mont.

Primula, Hardy Perennial.

Special Mixture of many sorts, 4 pkts. 10 cts, 1 pkt. 3 cts.

The Hardy Primroses are beautiful in foliage, beautiful in bloom and beautiful in fragrance, and a bed or border of them in the garden is always enthusiastically admired. Most of the species are readily started from seeds and most of them are hardy out doors without protection. Give them a trial. Special mixture, 4 pkts. 10 cts, 1 pkt. 3 cts.

Primula Vulgaris, yellow.. 3
Japonica, finest mixed 3
Officinalis, very pretty..... 3

Primula Auricula, mixed.. 3
Sauveolens swt-scented.. 3
Duplex double flowers... 3
Sieboldii, finest mixed.... 3
Farinosa, finest mixed.... 3

Primula, Gold-laced..... 3
Park's Hardy, mixed..... 3
Denticula, finest mixed.... 3
Rosea, large-flowered..... 3
Verticillata, handsome.... 3

Mr. Park:—I have a large bed of your hardy Garden Primroses. I think every seed grew; I expect lots of bloom in the spring.—Mrs. E. A. Gould, Chenango Co., N. Y., Dec. 12, '06

Wallflower, Ne Plus Ultra.

Wallflowers are prized for their fine habit, handsome flowers and delicious fragrance. The plants are hardy in porous, well-drained soil, and bloom early in spring. The seeds I offer are from a superb European collection, embracing various colors: Cream, canary, golden yellow, blue, brown, red, crimson and violet, all large-flowered and handsome. Single or double sorts mixed, 4 pkts. 10 cts, 1 pkt. 3 cts.

Mr. Park:—Of the packet of Wallflower nearly every seed germinated. The blossoms are fine, richly colored and very fragrant. They continue in bloom in spite of a frost unusually severe.—M. Gilchell, Los Angeles Co., Cal., Dec. 9, 1906.

Giant Sweet Williams.

The Giant Sweet Williams I offer are greatly improved, the flowers being very large, borne in large clusters, and the colors varied and beautiful. If kept from seeding the plants bloom for a long time. All are richly scented; make a fine bed.

SINGLE SORTS.

Nigrescens, very dark 5
Albus, pure white..... 5
Hunt's margined..... 5
Dunnet's crimson 5

Mutabilis, checkered..... 5
Oculatus, eyed..... 5

Mixed, 4 pkts. 10c, 1 pkt. 3

DOUBLE SORTS.

White and red, each... 5
Eyed 5
Margined..... 5
Mixed, 4 pkts. 10c, 1 pkt 3

Giant Holborn Glory, a superb, large-flowered strain, 4 pkts. 10 cts, 1 pkt. 3 cts.

Single and double mixed, 4 pkts. 10 cts, 1 pkt. 3 cts.

Mr. Park:—The Sweet Williams from your seeds were beauties, so large and rich and fragrant. My neighbor has a very large flower garden, but his Sweet Williams were insignificant compared with mine. I heartily recommend your seeds.—Mrs. J. B. Costello, Hampden Co., Mass., Dec. 10, 1906.

Mr. Park:—Of your Sweet Williams I think every seed came up. I never saw so many plants; I gave everyone who came some plants. I want everyone to try a packet next year.—Mrs. R. O. Cate, Orange Co., N. C., Dec. 7, 1906.

- Gerardia**, new hybrids, *Pentstemon*-like plants making a fine garden clump. Mixed, 4 pkts. 15 cts, 1 pkt. 5 cts.
- Gypsophila** (see page 43), *Paniculata*, fairy-like flowers elegant for bouquets. 4 pkts. 10 cts, 1 pkt. 3 cts.
- Galega officinalis**, 3 feet high, with racemes of blue flowers. 4 pkts. 15 cts, 1 pkt. 5 cts.
- Gaillardia grandiflora**, superb, showy plants for beds or cutting. Mostly bloom first season. Mxd, 4 Pkts. 10c, 1 pkt. 3c.
- Geranium sanguineum**, pretty creeping perennial; carmine flowers. 4 pkts. 15 cts, 1 pkt. 5 cts.
- Gnaphalium** (*Edelweis*), 4 pkts. 15 cts, 1 pkt. 5 cts.
- Honesty** (*Lunaria*), easily grown, showy biennial; purple, fragrant flowers in panicles, succeeded by silvery seed-pods, of use for drying. 4 pkts. 15 cts, 1 pkt. 5 cts.
- Hemerocallis**, lily-like yellow and orange-scarlet flowers; make showy, hardy borders. Mixed, 4 pkts. 10c, 1 pkt. 3c.
- Heuchera sanguinea**, graceful spikes of bloom; fine for cutting; good pot plants. Rose, red, white. Mxd, 4 pkts. 10c, 1 pkt. 3c.
- Heracleum**, giant Cow Parsnip, a showy back-ground plant, 6 to 10 feet high; *Giganteum* and *Mantegazzianum*, each 5 cts. Mixed, 4 pkts. 15 cts, 1 pkt. 5 cts.
- Helenium Autumnale**, showy, yellow, 4 pkts. 15c, 1 pkt. 5c.
- Helianthemum mutabilis**, yellow, 4 pkts. 15c, 1 pkt. 5c.
- Hyacinthus candicans**, summer Hyacinth, 4 pkts. 15 cts, 1 pkt. 3 cts.
- Incarvillea**, showy and beautiful tubular flowers. *Delavayi* and *Variabilis*, each 5 cts. Mixed 4 pkts. 15 cts, 1 pkt. 5 cts.
- Inula glandulosa**, a tall, tree-like summer plant with golden flowers, very showy. 4 pkts. 10 cts, 1 pkt. 3 cts.
- Iris** (*Garden Flag*), *Germanica* mixed and *Kaempferi* mixed, each 5 cts, Special mixture of all, 4 pkts. 15c, 1 pkt. 5c.
- Ipomopsis** (*Standing Cypress*), elegant plants, showy cypress-like flowers, very pretty. Mixed, 4 pkts. 15c, 1 pkt. 5c.
- Leucanthemum**, splendid perennials; 2 feet high, showy, daisy-like flowers, white with yellow disk. Mixed, 4 pkts. 15 cts, 1 pkt. 5 cts.
- Lupinus**, hardy perennials of great beauty; flowers in big spikes, blue, white, rose, etc. Mxd. 4 pkts. 15c, 1 pkt. 5c.
- Lychnis viscaria splendens**, a fine, showy perennial, 4 pkts. 15 cts, 1 pkt. 5 cts.
- Linaria**, spikes of yellow, white and purple flowers, very pretty. Mixed, 4 pkts. 15 cts, 1 pkt. 5 cts.
- Lythrum superbum**, 4 pkts. 15 cts, 1 pkt. 5 cts.
- Myosotis** (*Forget-me-not*), everblooming. Mixed, 4 pkts. 15 cts, 1 pkt. 5 cts.
- Meum athamanticum**, an elegant umbelliferous plant; flowers white in large umbels; 1 foot. 4 pkts. 15 cts, 1 pkt. 5 cts.
- Michauxia campanuloides**, 3 feet high; flowers white and purple; handsome. 4 pkts. 15 cts, 1 pkt. 5 cts.
- Meconopsis cambrica**, a very showy perennial; flowers yellow, purple and blue. Mixed, 4 pkts. 15 cts, 1 pkt. 5 cts.
- Monarda** (*Bergamot*) scarlet. 4 pkts. 15 cts, 1 pkt. 5 cts.
- Morina longifolia**, ornamental. 4 pkts. 15 cts, 1 pkt. 5 cts.
- Mirabilis multiflora**, perennial. 4 pkts. 15 cts, 1 pkt. 5 cts.
- Oenothera Lamarckiana**, yellow flowers; stalks 3 feet high; fine Evening Primrose. 4 pkts. 15 cts, 1 pkt. 5 cts.
- Ostrowskia Magnifica**, bell-flower. 4 pkts. 15c, 1 pkt. 5c.
- Prunella grandiflora**, self-heal. 4 pkts. 15c, 1 pkt. 5c.

POLEMONIUM

PRUNELLA

Perennial Poppy, New Hybrid. ⁴⁷

Complete Special Mixture, 4 pkts 10 cts, 1 pkt 3 cts.

Mr. Park:—What a grand hardy perennial is the Perennial Poppy. Even the beautiful Paeony pales in company with it. The Iceland Poppy, too, is hardy, with flowers of Orchid fineness, and of early and long continued bloom. Both are easily raised from your seeds.—Mrs. M., Leetonia, Ohio, Dec. 10, 1908.

Platycodon.

Special Mixture, all sorts, 4 pkts 10c, 1 pkt 3c.

This is a grand perennial, hardy everywhere, tenacious, showy and beautiful. The plants grow a foot or more high, are stiff, with big, attractive flowers, and keep in bloom a long time. Some are single, some are double, and all desirable. The colors are blue and white, clear and distinct. They appear well in garden beds or in clumps. Started early the plants will bloom the first season. They are sometimes catalogued as *Wahlenbergia*.

Grandiflora alba , white	5
<i>Coerulea</i> , blue	5
<i>Alba plena</i> , double, white	5
<i>Coerulea plena</i> , double, blue	5
<i>Nana alba</i> , dwarf, white	5
<i>Nana Coerulea</i> , dwarf blue	5

Special Mixture of all sorts, 4 packets 10 cents, 1 packet 3 cents.

Mr. Park:—Your *Platycodons* have lovely Clematis-like flowers, blue and white. Seeds grow readily and bloom the first year. Plants are low, bushy and entirely hardy.—Mrs. H. T. Bolen, Douglas Co., Neb.

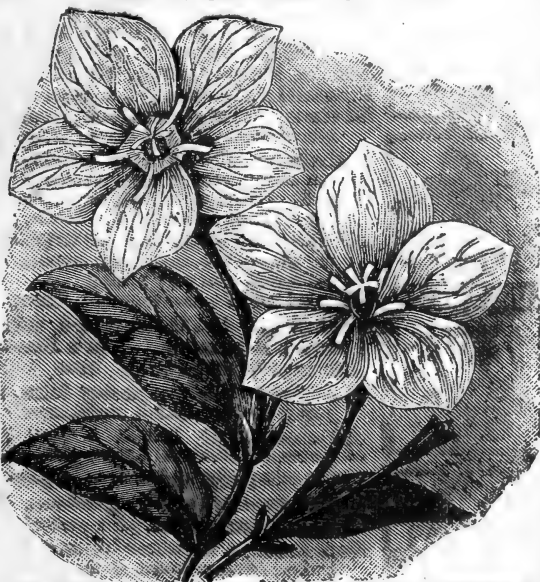

ONE OF THE MOST gorgeous and attractive of perennials, and when once started will make a fine display annually for years. The plants grow three feet high, have very beautiful, graceful foliage, and bear flowers of enormous size and richest colors. The new hybrids vary more or less in colors, but the prevailing hue is scarlet, while the texture is silky and glittering. Do not fail to add Perennial Poppy to your collection. I offer the finest named sorts.

Prince of Orange	5	Brightness, very rich	5
Royal Scarlet, large	5	Involucratum, red	5
Semi-pleno crimson	5	Triby, rich salmon	5
Parkmanii, beautiful	5	Goliath, scarlet	5
Monarch, showy	5	Salmon Queen	5
Duke of Teck, red	5	Blush Queen, lovely	5
Brilliant, vivid red	5	Proserpine, superb	5
Bracteatum, scarlet	5	Psyche, beautiful sort	5
Rosy Gem	5	Rosy Lilac, mauve	5

Complete Special Mixture of all the above varieties, 4 pkts 10 cts, 1 pkt 3 cts.

Papaver Nudicaule, the beautiful Iceland Poppy, white, yellow, golden, striped, etc., double and single, 5 cents per packet. Special mixture, 4 pkts 10 cents, 1 pkt 3 cents.

Pinks, Carnations and Picotees.

Complete Special Mixture, all sorts, Pinks, Carnations and Picotees, 4 pkts 15 cents, 1 pkt 5 cents.

No flower-garden is complete without a bed of Pinks, Carnations and Picotees. The newer varieties are a great improvement upon the old ones, the flowers being larger, of a greater range of colors, everblooming, free-blooming and delightfully fragrant. Plants started in the spring are hardy even in our Northern States, when given a protected bed, and make a fine show, while their odor perfumes the entire garden. The flowers may be cut with long stems, and last for several days in a table vase. The seeds I offer are unsurpassed in vitality.

Pink , new everblooming, clove-scented, double and single varieties; splendid mixture of colors	4 pkts 15 cts, 1 pkt 5
Old-fashioned clove-scented, double and single, finest mixed colors	4 pkts 10 cts, 1 pkt 3
New Cyclops, early, everblooming, mixed	4 pkts 10 cts, 1 pkt 3
Carnations , Ne-plus-ultra, finest double, splendid for beds and borders; mixed	4 pkts 15 cts, 1 pkt 5
•Selves, variegated, white, separate	4 pkts 15 cts, 1 pkt 5
Grenadin, white and scarlet, separate	5c mxd 4 pkts 10 cts, 1 pkt 3
Early-flowering Vienna, mixed	4 pkts 10 cts, 1 pkt 3
Finest perpetual, from stage plants, extra, mxd	3 pkts 25 cts, 1 pkt 10
Picotees , French, mixed	4 pkts 15 cts, 1 pkt 5
From stage plants	3 pkts 25 cts, 1 pkt 10

Complete Special Mixture, all sorts, Pinks, Carnations and Picotees, 4 pkts 15 cts, 1 pkt 5 cts.

Three Rare Pinks.—I offer seeds of the Amoor Pink (*Dianthus Dentosus*), the Glacier Pink (*Dianthus Neglectus*) and the Maiden Pink (*Dianthus Deltoideus*) each 5 cts per packet, or all in Special mixture at 4 pkts 15 cts, 1 pkt 5 cts.

Pyrethrum (Perennial Cosmos), plants two feet high, with handsome cut foliage and Cosmos-like red, rose and white flowers; a splendid hardy perennial; large-flowered. Mixed, 4 pkts. 10c, 1 pkt. 3c. Double, mixed, 3 pkts. 25c, 1 pkt. 10c. I can also supply P. Tchihatchewi, 5 cts. and P. Golden Gem, 5 cts.

Ranunculus Asiaticus, fl. pl., mxd. 4 pkts. 15c, 1 pkt. 5c.

Rheum, large-flowered, mixed, 4 pkts. 15c, 1 pkt. 5c.

Rhexia elegans, 3 pkts. 25 cts, 1 pkt. 10 cts.

Rocket, S. set, a Phlox-like plant blooming in early summer; very fragrant. Dwarf White and Dwarf Violet, each 5c; Tall White and Tall Violet, each 5c. All sorts, special mixture, 4 pkts. 10c, 1 pkt. 3c.

Romneya Coulteri, a beautiful, large white flower from California. 4 pkts. 10 cts, 1 pkt. 3 cts.

Rudbeckia, purpurea, grows 5 feet high, with large, showy purple bloom; a choice sort. 4 pkts. 15c, 1 pkt. 5c. Also R. Speciosa and R. Superba, each 5 cts.

Saxifraga, mixed, 4 pkts. 15 cts, 1 pkt. 5 cts.

Saponaria Ocymoides splendens, a fine creeping plant; a mass of lovely pink, June 1. 4 pkts. 10c, 1 pkt. 3c.

Scabiosa Caucasica, mixed, a fine, showy, hardy perennial; makes a fine clump. 4 pkts. 15 cts, 1 pkt. 5 cts.

Scilla Peruviana, mixed colors, 4 pkts. 15c, 1 pkt. 5c.

Scutellaria, mixed, 4 pkts. 15c, 1 pkt. 5c.

Sedum, hardy succulent plants, clusters of small flowers. Mixed colors, 4 pkts. 15c, 1 pkt. 5c. Also Maximowiczii, yellow, 5c.

Sidalcea, showy and handsome perennial; flowers on tall stems, very pretty. Mixed, 4 pkts. 15 cts, 1 pkt. 5 cts.

Stock, Brompton, spikes of lovely, fragrant double flowers. Mixed colors, 4 pkts. 15 cts, 1 pkt. 5 cts.

Silene Orientalis compacta, very showy branching plants 15 inches high; flowers small, in big clusters, long-blooming, and very pretty.

Silphium laciniatum, Compass plant, 4 pkts. 15c, 1 pkt. 5c.

Solidago, the Golden Rod, mixed, 4 pkts. 15c, 1 pkt. 5c.

Spirea Aruncus, Goat's Beard, 4 pkts. 15c, 1 pkt. 5c.

Stemmatia speciosa, blue, 4 pkts. 15c, 1 pkt. 5c.

Thalictrum, has pretty foliage and graceful stalks of pretty flowers; likes a moist, shady place. 4 pkts. 15c, 1 pkt. 5c.

Trachelium, grows a foot high, with small, pretty flowers in clusters; a good perennial. 4 pkts. 10c, 1 pkt. 3c.

Thermopsis fabacea, 4 pkts. 15c, 1 pkt. 5c.

Tradescantia Virginica, a spring-blooming plant; flowers mostly blue, pink and white. Mixed, 4 pkts. 10c, 1 pkt. 3c.

Tritoma, a summer-blooming plant known as Red-hot Poker; flame-colored, in dense spikes. 4 pkts. 10 cts, 1 pkt. 3 cts.

Trifolium rubens, Red Clover, 4 pkts. 15c, 1 pkt. 5c.

Trollius, Globe Flower, a beautiful golden yellow spring-blooming plant. Mixed, 4 pkts. 15 cts, 1 pkt. 5 cts.

Tulip, mixed, Venidium fugas, Verbena Venosa, Veratrum Nigrum, each, 4 pkts. 15 cts, 1 pkt. 5 cts.

Tunica Saxifraga, a thick-foliaged low hardy plant prized for an edging; bears pretty rosy flowers throughout the summer. 4 pkts. 10 cts, 1 pkt. 3 cts.

Verbascum, the stately and attractive Mullein; big spikes of beautiful yellow flowers; Orientale and Pannosum, each 5 cts. Mixed, 4 pkts. 10 cts, 1 pkt. 3 cts.

Veronica spicata, grows a foot high; showy flowers in spikes; mostly blue. Mixed, 4 pkts. 15 cts, 1 pkt. 5 cts. V. Gentianoides mixed, same price.

Vittadenia, a hardy composite of spreading habit; useful as a border plant. 4 pkts. 15 cts, 1 pkt. 5 cts.

Viola, sweet-scented Violet; blooms freely in the spring; flowers mostly blue and white. Choicest sorts mixed, 4 pkts. 10 cts, 1 pkt. 3 cts.

Wahlenbergia (Platycodon), mixed, 4 pkts. 10c, 1 pkt. 3c.

Part III--For The Window.

THERE IS MUCH PLEASURE IN WATCHING THE GROWTH of a plant from the tiny seedling to the blooming specimen. I offer the choicest seeds, and give full cultural directions, so that anyone will succeed. The seeds are inexpensive, and a windowful of plants can be raised at normal cost. A mixture of many varieties, 10 cents per packet.

ASPARAGUS PLUMOSUS NANUS.

Asparagus in Variety.

Special Mixture, 4 pkts 10 cts, 1 pkt 3 cts.

FOR POTS AND BASKETS in the window there are no more graceful or satisfactory plants than Asparagus, and they are as easily grown as a weed. Anyone can raise them from seeds, and all the care they require is rich soil, and an occasional watering. A. Plumosus is the "Lace Fern", so delicate and lace-like, and always exciting admiration, grown in a pot. A. Sprengeri is a lovely, drooping basket and vase plant, its thick sprays often three or more feet long. Other kinds are equally desirable.

Asparagus plumosus nanus 5
Sprengeri, for baskets 5
Acutifolius, handsome 5
Decumbens, for pots 5

Asparagus Deflexus, fine 5
Verticillatus, pretty 5
Plumosus robustus 5
Mixture, 4 pkts 10c, 1 pkt 3

Mr. Park:—The Asparagus seeds, as well as others purchased of you proved satisfactory. Of the 3-cent packet of Asparagus I raised several fine plants, and they were all different—no two alike.—Mrs. G. D. Vanderbilt, Wayne Co., N. Y., Dec. 12, 1908.

Abutilon, New Varieties.

Special Mixture, 4 pkts 10 cts, 1 pkt 3 cts.

Abutilons are lovely blooming plants for the window; sometimes called "Flowering Maple." The flowers are large, bell-shaped, rich in color and very showy. The new varieties I offer are compact and very floriferous.

Pure White 5
Bright Rose 5
Salmon Rose 5
Deep Yellow 5

Special mixture of all colors, 4 packets 10 cents, 1 packet 3 cents.

Acacia Lophantha.

Acacia Lophantha is the beautiful Fern-tree Acacia, one of the most admirable and easily grown of pot plants. It likes partial shade, and a seedling soon makes a handsome pot plant. A clump of the plants bedded out is also of charming effect. 4 pkts 10 cts, 1 pkt 3 cts.

Mr. Park: I think my Acacia Lophantha the most beautiful plant I ever

saw.—Mrs. G. B., Warren Co., Ohio.

Achimenes.

Finest Mixture, 4 pkts 10 cts, 1 pkt 3 cts.

Achimenes are Gesneraceae summer-blooming pot plants of great beauty, blooming freely and continuously till autumn. The flowers are mostly shades of blue and red, delicate in texture and very showy. The seeds are very small, but easily started, and seedlings started in spring will begin to bloom in autumn. The tubers may be dried off in the soil, and kept in a frost-proof place till spring, when they will do duty again. I offer the finest mixture, 4 packets 10 cents, 1 packet 3 cents.

Antigonon leptopus.

4 pkts 10c, 1 pkt 3c.

This is a beautiful vine known in the South as Mountain Rose. It has handsome foliage, and great clusters of exquisite carmine bloom borne continuously during summer and autumn. The plant does well at the North bedded by the porch in summer, and potted and kept in the cellar in winter. Easily grown. 4 pkts 10c, 1 pkt 3c.

Begonias.

Special Mixture, 4 pkts 10 cts, 1 pkt 3 cts.

General favorites whether for growing in pots in the house or beds on the lawn. The Tuberous-rooted sorts bear the larger flowers, and bloom continuously during summer. The Fibrous-rooted kinds are especially desirable for winter-blooming, and for beds. All are easily grown from seeds, by following the special instructions I give with each package. I have a fine collection, and my seeds and mixtures are unsurpassed in quality.

Tuberous-rooted.

Dark Red 5 Orange 5 Rose 5
Yellow 5 Dark Rose 5 White 5
Scarlet 5 Mt. Blanc 5 Double 5

Special mixture, 4 pkts 10c, 1 pkt 3c.

Fibrous-rooted.

Bijou 5 Anna Regina 5 Gracilis rose 5
Schmidtii 5 Semperflorens wht 5 Bed'ng Qu'n 5
Erfordia 5 Atropurpurea 5 Roides Mass. 5
Fireball red 5 Mixed, 4 pkts 10 cts, 1 pkt 3

Mixture, Tuberous-rooted and Fibrous-rooted, 4 pkts 10 cts, 1 pkt 3 cts.

Rex, Finest mixture, extra, 3 pkts 25c, 1 pkt 10c.

Boston Smilax.

4 pkts 10c, 1 pkt 3c.

This is a lovely vine for a pot trellis or for draping the window with living green. The sprays of foliage are very graceful, and when grown upon strings the vines may be cut and used for wreaths, or to entwine any object for decoration. Plants bloom in winter, producing delicate white flowers. 4 pkts 10 cts, 1 pkt 3 cts.

Antigonon Leptopus, a lovely, easily-grown vine; big clusters of carmine flowers; winter in cellar at North; easily grown from seeds. 4 pkts. 15 cts, 1 pkt. 5 cts.

Arabis, white flowers in clusters. 4 pkts. 10c, 1 pkt. 3c.

Ardisia crenulata, a fruit-bearing pot plant; scarlet fruit. 3 pkts. 25 cts, 1 pkt. 10 cts.

Asparagus, lovely climbing and basket plants, also pot plants; easily started from seeds; prized for their exquisite foliage. I supply the following: *Plumosus Nanus*, Sprenger, *Decumbens*, *Deflexus*, *Plumosus robustus*, *Acutifolius*, *Verticillatus*, each sort, 5c. per pkt.; or all in mixture, 4 pkts. 10 cts, 1 pkt. 3 cts. My Asparagus seeds are first-class, and my mixture is carefully prepared.

Mr. Park:—Among the seeds purchased of you I was especially pleased with the Decorative Asparagus, of which I raised five different kinds. My plants of *A. plumosus* are particularly fine, and could not be purchased of a florist for less than 35 cts.—Mrs. J. S. Myers, Lancaster Co. Pa., Dec. 14, '06.

Alstroemeria, choice mixed, 3 pkts. 25 cts, 1 pkt. 10 cts.

Aristolochia elegans, a handsome vine, per pkt. 5 cts, and *Ornithocephala*, the Goose Flower, an elegant vine with odd and showy flowers, 5 cts. All in special mixture, 4 pkts. 10 cts, 1 pkt. 3 cts.

Asclepias atrosanguinea, red, 4 pkts. 10c, 1 pkt. 3c.

Azalea Indica, mixed, 3 pkts. 25 cts, 1 pkt. 10 cts.

Begonia, Rex, mixed, 3 pkts. 25 cts, 1 pkt. 10 cts.

Bocconia, Plume Poppy, hardy, 4 pkts. 15 cts, 1 pkt. 5c.

Browallia Speciosa, Giant, 4 pkts. 15 cts, 1 pkt. 5 cts.

Cactuses, easily raised from seeds. Give them a trial. I supply mixed seeds of *Cereus*, *Echinocactus*, *Echinocereus*, *Echinopsis*, *Epiphyllum*, *Mammillaria*, *Opuntia*, *Phyllocactus*, each 10 cts. per pkt.; all sorts mixed, 3 pkts. 25 cts, 1 pkt. 10 cts.

Caladium, Fancy, mixed, per packet 25 cts.

Campanula, fragilis, garganca, etc., mixed, pkt. 5 cts.

Centaurea Diamond, the best, 4 pkts. 15c, 1 pkt. 5c.

Chrysanthemum frutescens, white, 4 pkts. 15c, 1 pkt. 5c.

Veitchi, finest autumn sorts mixed, 4 pkts. 15c, 1 pkt. 5c.

Cineraria Maritima, Dusty Miller, 4 pkts. 15c, 1 pkt. 5c.

Cineraria hybrida (page 53), mxd. 4 pkts. 10c, 1 pkt. 3c.

Clerodendron fragrantissima, 3 pkts. 25c, 1 pkt. 10c.

Clianthus Dampieri, the Glory Pea, a lovely vine for dry, hot, sandy soil. 4 pkts. 15 cts, 1 pkt. 5 cts.

Puniceus, Parrot's Bill, scarlet, freely produced; half-hardy climber. 4 pkts. 15 cts, 1 pkt. 5 cts.

Calceolaria, Choice Hybrids.

51

Finest Mixture, 4 pkts 10 cts, 1 pkt 3 cts.

THE NEW LARGE-FLOWERED Calceolarias are among the most beautiful of late winter and early spring-blooming plants, delicate as an Orchid, many superbly spotted, and so freely borne as to be a gorgeous mass of bloom. The seeds start readily, and the plants are as easily grown as those of Cineraria, and equally as beautiful when in bloom. Started in spring the plants will bloom the following winter or spring. The Large-flowered sorts are far superior to the old-fashioned kinds, and include a wide range of shades, as well as striped and spotted. To keep down Aphis place chopped tobacco stems over the soil in the pots.

Tigred and Spotted 5 | **Self-colored, mixed** 5
Painted and Margined 5 | **Carnation-striped** 5
Choiceest Seeds, Special Mixture of all Varieties, 4 pkts 10 cts, 1 pkt 3 cts.
Dwarf, Spotted and Margined, mixed, 4 pkts 10 cts, 1 pkt 3 cts.
Rugosa, fine for out-door beds, much used in Europe; very beautiful, 4 pkts 10 cts, 1 pkt 3 cts.

Mr. Park:—I find your seeds are first-class. The Calceolarias raised from the 3-cent packet are beautiful. The Cyclamen are fine, nice bulbs, getting ready to bloom. I bought seeds from many seedsmen, but I find yours the best and cheapest. I enclose subscription for your Magazine.—Horace Dickinson, Iowa, Dec. 11, 1908.

Mr. Park:—I would urge my flower-loving sisters to raise more Calceolarias. The improved varieties are something beautiful.—Mrs. G. W. Moulton, Worcester Co., Mass., Dec. 9, 1908.

Carnation, Winter-blooming.

Finest Mixture, 4 pkts 10 cts, 1 pkt 3 cts.

For Winter-blooming I offer a strain of Carnations that cannot be surpassed. The plants are easily grown in a sunny bed during summer. Pinched back to make branching plants, and potted before frost, they will bloom in a sunny window all winter, the flowers of many rich colors, very large, and deliciously scented. Water regularly, but do not keep the soil wet. Finest mixture, 4 packets 10 cts, 1 packet 3 cents.

Mr. Park:—I was more than pleased with the 3-cent packet of Carnations—the flowers were so fine and fragrant, and of so many colors. Also my Primroses—Chinese and Obconica, were just lovely. Though low in price your seeds are as good as the best.—Mrs. R. J. Wilson, Indiana Co., Pa.

Chrysanthemum, Japanese.

Finest Mixture, 4 pkts 10 cts, 1 pkt 3 cts.

The Autumn or Japanese Chrysanthemums, the kinds exhibited at the late Autumn Fairs, are readily grown from seeds, though not always true or fine, even from the best seeds. I offer seeds of the finest quality, and many of my patrons report great success in their culture. My mixture embraces many fine shades, and I offer the seeds with confidence, believing those who try them will be pleased with the result. Finest mixture, 4 pkts 10 cts, 1 pkt 3 cts.

Mr. Park:—I always get good results from your seeds. I have five plants of Coleus raised from a 3-cent packet of your seeds, and they are the envy of all my friends. They are marvels of beauty.—Mrs. Jno. Sylvanus, Wayne Co., Neb., Dec. 9, 1908.

Cineraria, Grandiflora.

Finest Mixture, 4 pkts 10 cts, 1 pkt 3 cts.

The Large-flowered Cinerarias are among the most beautiful and easily grown of the window plants. Almost every seed will quickly germinate, and the little plants thrive well in a cool, partially shaded place, shifted promptly into larger pots as they grow. Started in spring they bloom the following winter, and when well grown no plant is more attractive or more admired. The flowers are of many rich shades, and produced in great masses. The chief enemy of the plants is the Aphis, but this is easily kept down by chopped tobacco stems placed over the soil around the plants. The seeds I offer are of a very superior, large-flowered strain, and can be depended upon for the finest flowers in the most exquisite colors. Special mixture, 4 packets 10 cts, 1 packet 3 cts.

Alba, pure white 5 | **Kermesina**, crimson 5
Azurea, fine blue 5 | **Sanguinea**, blood red 5
Rosea, bright rose 5 | **Stella**, twisted petals 5
Incarnata, blush 5 | **Striata**, striped 5
Large-flowered, finest mixture, 4 pkts 10c, 1 pkt 3c.

Plenissima, double, superb, large flowers of many rich colors, 4 pkts 15 cts, 1 pkt 5 cts.
Polyantha Stellata, very beautiful varieties, tall and branching, bearing a multitude of small, graceful, charming flowers of many shades. Admirable pot plants. 4 pkts 10 cts, 1 pkt 3 cts.

Coleus, New Fancy.

Coleus are as easily raised from seeds as Amaranthus, and if the seeds are choice the plants will be gorgeous and wonderfully attractive. Just try a few seeds. Those I supply are of a grand strain and the plants produced will be gloriously beautiful, the leaves giants or finely serrated, and very richly blotched and variegated.

Carmine, green edge 5 | **Yellow-grounded** 5
Coppery-red 5 | **Ornatus**, marbled 5
Red-colored 5 | **Serrated and Tigred** 5
Spotted and Striped 5 | **Mammoth-leaved** 5
White-grounded 5 | **Exhibition sorts, mixed** 5
Special mixture, all varieties, 4 pkts 10c, 1 pkt 3c.

Cyclamen, Large-flowered.

Special Mixture, 4 pkts 10 cts, 1 pkt 3 cts.

ALL CYCLAMEN are propagated from seeds, and these can be grown by anybody, as almost every seed germinates. The flowers of the Large-flowered class are of large size and rich and varied colors, while the plants are robust, with charmingly variegated foliage. I offer a very fine strain, the seeds carefully saved from the finest plants and flowers, and they cannot fail to please those who grow them.

White with red eye..... 5	James Prize , fragrant..... 5
Purity , pure white..... 5	Mt. Blanc , white..... 5
Atrorubrum , dark red..... 5	Roseum Superbum , rose... 5
Emperor William , carmine 5	Violaceum , violet..... 5

Special mixture of Large-flowered sorts, 4 pkts 10 cts, 1 pkt 3 cts.

Papilio, New Butterfly Cyclamen, fringed, lovely. Mixed, 3 packets 25 cents, 1 packet 10 cents.

Mr. Park:—Of the 3-cent packet of Cyclamen every seed came up, and I am looking forward to a fine display of Cyclamen bloom in the spring. —Mrs. E. Asche, Oregon, Dec. 10, 1908.

Mr. Park:—I find Cyclamen are easily raised from seeds. They bloom well, too, for I have a plant five years old that blooms almost continuously. —Mrs. Wm. H. Braun, Saratoga Co., N. Y., Dec. 12, 1908.

Mr. Park:—Every seed of Cyclamen grew, and the plants are now nice, large ones, ready to bloom. I have found, too, that they have beautiful leaves. —Susan Tucker, Spokane Co., Washington, Dec. 7, 1908.

Cyperus, Umbrella Plant.

4 pkts 10 cts, 1 pkt 3 cts.

This is a water plant, but thrives in soil as well as water. It is grown for its graceful foliage, and a big plant in a big pot is as beautiful and showy as a Palm. It is easily grown from seeds, and seedlings soon grow into fine, large plants. It should be in every window collection. Price, 4 packets 10 cents, 1 packet 3 cents.

Eupatorium.

Special Mixture, 4 pkts 10 cts, 1 pkt 3 cts.

Eupatorium serrulatum.

For winter-blooming the Eupatoriums here offered are fine. They are of the easiest culture, and sure to bloom, the flowers being pure white, in clusters, appearing in great abundance. They are fine as pot plants, and very useful for cutting for bouquets.

Grandiflorum album 5	Serrulatum, new..... 6
Riparium, white..... 5	Mixture, 4 pkts 10c, 1 pkt.. 3

Francoa Ramosa.

Special Mixture, 4 pkts 10 cts, 1 pkt 3 cts.

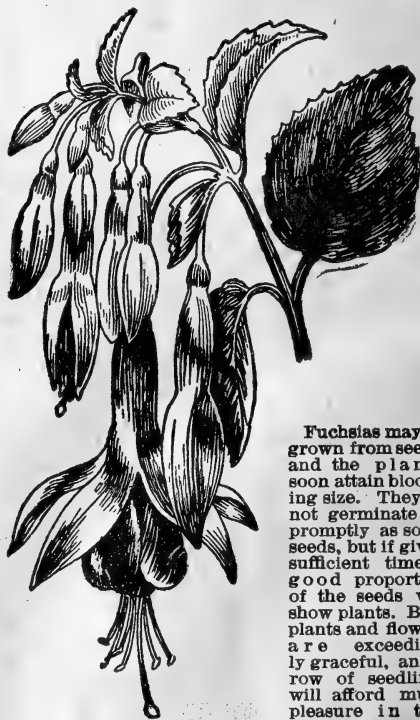

A greenhouse perennial, easy to grow. 2 feet high, fine lyrate foliage, white flowers freely produced on long, branching spikes. Sown in April plants will bloom freely the next season. Do well bedded out in summer, and can be wintered in any frost-proof room.

Francoa Ramosa, a fine half hardy perennial, has white flowers borne freely in July & August. Dic. of Garden'g.

Fuchsia, Double, Single.

Special Mixture, 3 pkts 25 cts, 1 pkt 10 cts.

Fuchsias may be grown from seeds, and the plants soon attain blooming size. They do not germinate as promptly as some seeds, but if given sufficient time a good proportion of the seeds will show plants. Both plants and flowers are exceedingly graceful, and a row of seedlings will afford much pleasure in the

variety of flowers produced. I offer fresh seeds of fine quality, raised by a Fuchsia specialist, and I believe they will prove entirely satisfactory.

Double , with White corollas..... 10
Double , in many fine colors..... 10
Single , in many fine colors; superb..... 10
Triphylla , small, scarlet, very graceful..... 10
Boliviana , scarlet, drooping; handsome..... 5
Procumbens , small, for baskets; fine..... 5

Special mixture of all kinds, 3 pkts 25 cts, 1 pkt 10 cts.

Kenilworth Ivy.

New Large-flowered, Special Mixture, 4 pkts 10 cts, 1 pkt 3 cts.

This is a lovely basket plant, suitable for dense shade. The foliage is very beautiful, and hangs in long, graceful sprays. It also makes a good carpet for a Rose or Gladiolus bed. Special mixture, 4 pkts 10 cents, 1 pkt 3 cents.

Coleus, lovely foliage plants for beds and pots; I offer a choice mixture of the brightest and best sorts; 4 pkts 10 cts, 1 pkt 3 cts.
Commelina Selowiana, a handsome basket and pot plant; cobalt-blue flowers; 4 pkts 10 cts, 1 pkt 3 cts.
Convolvulus mauritanicus, beautiful trailing plant for baskets; bears lovely blue flowers; 4 pkts 10 cts, 1 pkt 3 cts.

Cordylina Australis, foliage plant; 4 pkts 15c, 1 pkt 5c.
Crotalaria retusa, yellow pot plant; 4 pkts 10c, 1 pkt 3c.
Cuphea, easily-grown pot or bedding plants; *C. Eminens*, scarlet; *C. Platycentra*, red segar flower; *Strigilosa*, orange; each 5 cents; Special mixture 4 pkts 10 cts, 1 pkt 3 cts.

Cyclamen Persicum, large-flowered, good blooming house plant, easily grown from seeds; mixed, 4 pkts 15 cts, 1 pkt 5 cts.
 Mr. Park.—I have a windowful of *Cyclamen* grown from a packet of your seeds. Both foliage and flowers are beautiful.—Mrs. George W. Slater, Columbia Co., N. Y., Dec. 6, 1908.

Dasylium serratifolium, evergreen, sub-tropical plants, narrow gracefully arched leaves; 4 pkts 15 cts, 1 pkt 5 cts.

Dolichos lignosus, neat pot vine; with clusters of lovely, purple bloom 4 pkts 10 cts, 1 pkt 3 cts.

Echeveria secunda, a pretty succulent, rosette-like, bearing spikes of scarlet flowers, 4 pkts 15 cts, 1 pkt 5 cts.

Erythrina, Coral Plant, lovely, scarlet, bird-like flowers; half-hardy shrub; 4 pkts 15 cts, 1 pkt 5 cts.

Eucalyptus citriodorus, an easily grown shrub; silvery deliciously scented foliage, 4 pkts 10 cts, 1 pkt 3 cts.

Mr. Park.—I raised twenty plants from your packet of *Eucalyptus citriodora*. It is one of the finest fragrant plants I ever had, and so easy to grow.—Mrs. Virgie C Moore Ponchatoula, La. Dec 5, 1908.

Eupatorium grandiflorum album, winter-blooming plant with brush-like white flowers; also *E. Riparium*, similar. each pkt 5 cents. Mixed 4 pkts 10 cts, 1 pkt 3 cts.

Exacum affine, dwarf, handsome pot plants; flowers lilac, fragrant. 4 pkts 15 cts, 1 pkt 5 cts.

Ferdinandia emmens, a splendid greenhouse plant. 4 pkts 15 cts, 1 pkt 5 cts.

Freesia, Sweet-scented white flowers; seedlings started in spring will bloom the following winter. 4 pkts 15 cts, 1 pkt 5 cts.

Fuchsia, superb summer-blooming pot plants. My seeds are unsurpassed in quality; special mixture, single and double, 4 pkts 15 cts, 1 pkt 5 cts.

Gazania splendens, lovely golden-flowered pot plant; Finest mixture, 4 pkts 15 cts, 1 pkt 5 cts.

Genista Andreana, a beautiful sort; flowers red and gold. 4 pkts 10 cts, 1 pkt 3 cts.

Gerbera Jamesoni, beautiful, new African plant. 4 pkts 15 cts, 1 pkt 3 cts.

Gesneria, hybrida, splendid summer-bloomers. 4 pkts 15 cts, 1 pkt 5 cts.

Gloxinia, summer-blooming plants of great beauty. My seeds are unrivaled. Finest mixture, 4 pkts 1 cts, 10 pkt 3 cts.

Grevillea robusta, handsome foliage pot plants. 4 pkts 10 cts, 1 pkt 3 cts.

Hedychium Gardnerianum, beautiful, sweet-scented flowers. 4 pkts 10 cts, 1 pkt 3 cts.

Heliotrope, large-flowered, sweet-scented clusters. Finest mixture, 4 pkts 10 cts, 1 pkt 3 cts.

Hibiscus coccineus, very large, handsome flowers. 4 pkts 10 cts, 1 pkt 3 cts.

Impatiens, finest mixture of Holsti and Sultani sorts, 4 pkts 10 cts, 1 pkt 3 cts.

Ipomoea, vines of great beauty; *Leari*, blue; *Violacea*, violet; *Alba*, white; each 5 cts; mixed, 4 pkts 10 cts, 1 pkt 3 cts.

Jacaranda mimosaefolia, a beautiful, plumy tree, useful for large pots. 4 pkts 15 cts, 1 pkt 5 cts.

Kennedyia, splendid pot vine; 4 pkts 10 cts, 1 pkt 3 cts.

Lantana, easily grown house plant, 4 pkts 10c, 1 pkt 3c.

Gloxinia, New Hybrids.

Special Mixture, 4 pkts 10 cts, 1 pkt 3 cts.

GREVILLEA ROBUSTA PYRAMIDALIS.

GLOXINIA are grand pot plants, and are easily raised from seeds. Started early in spring the plants begin to bloom in autumn. The tubers can be kept over and will do service for many years. I offer the choicest seeds in the following colors: White, Scarlet, Blue, Rich Red, Spotted, Blue Margined White, Scarlet margined white; also Goliath, Erecta, Cyclops, Gigantea, etc. Each 5 cts. Special mixture of all, 4 pkts 10 cts, 1 pkt 3 cts.

Grevillea Robusta Pyramidalis.

Price, 4 pkts 10 cts, 1 pkt 3 cts.

THIS IS THE AUSTRALIAN Silk Oak, a beautiful foliage plant at the North, and one of the most attractive of ornamental trees at the South. It is easily started from seeds, and the young plants soon become graceful and showy. Some window gardeners prefer this plant to a Palm, because of its hardiness and ease of culture. I offer an improved variety, the plants of which are pyramidal in growth, and more vigorous than the original. Every window gardener should have this improved Silk Oak. 4 pkts 10 cts, 1 pkt 3 cts.

Heliotrope, French Large-flowered

Finest Mixture, 4 pkts 10 cts, 1 pkt 3 cts.

The new French Large-flowered Heliotropes are far superior to the old-fashioned varieties in size of clusters and size of flowers, and the colors range from white to deep purple, as well as blue and violet. I have all the fine named varieties, but offer in shades as follows: Shades of white, 5 cts; shades of violet, 5 cts; shades of light blue, 5 cts; shades of deep blue, 5 cts. Special mixture of all varieties, 4 pkts 10 cts, 1 pkt 3 cts.

Please Note, that I have this year the best Large-flowered Heliotropes as grown in France, Germany and Italy, having imported the finest seeds from all of these countries. I am sure that those who try them will be highly pleased with the result. The plants are readily grown from seeds, and come into bloom very quickly.

Impatiens, Holsti and Sultani.

Complete Special Mixture, all varieties, 4 pkts 10 cts, 1 pkt 3 cts.

These are everblooming plants of special beauty either in house or garden. They are not difficult to grow from seeds, and their rich foliage and profusion of bright flowers borne continuously, make them general favorites. When bedded out they should have a warm, sunny bed, and if possible protected from wind. I have all the new varieties of these so-called Balsams, and those who have cultivated only the older kinds will be astonished at the variety and beauty a packet of my mixture will produce.

Holsti , Vermillion.....	5	Orange vermillion.....	5
White with red eye.....	5	Yellowish rose.....	5
Rosy white.....	5	Delicata.....	5
Bright carmine.....	5	Special mixture, all sorts.	5

Sultani , bright rose....	5	Queen Carola, salmon....	5
King Albert, rosy carmine.....	5	Special mixture of all colors, 4 pkts 10 cts, 1 pkt ..	3

Complete mixture of all above varieties, 4 pkts 10c, 1 pkt 3c.

Lantana.

Complete Mixture, 4 pkts 10 cts, 1 pkt 3 cts.

For Summer blooming in-doors or out-doors the Lantana is unsurpassed. It likes a warm, sunny place, and its lovely flower-clusters are continuously produced throughout the season. The tall sorts grow six feet high, becoming little trees, covered with rich bloom. The Dwarf kinds are fine for pots. Lantana seedlings are more vigorous and healthy than plants grown from cuttings. The seeds are nutlets, and start slowly, requiring two or three weeks to start, but after started they grow rapidly. I offer a fine quality of seeds, embracing all the fine, new shades, and those who try them will be pleased with the result. Tall sorts mixed, 4 packets 15 cents, 1 packet 5 cents. Dwarf sorts, mixed, same price. Or, complete mixture of Tall and Dwarf sorts, 4 packets 10 cents, 1 packet 3 cents.

Mr. Park:—No flower has given me so much satisfaction as Lantana from your seeds. They bloom continuously, and sometimes show 15 or 20 clusters each.—May Preston, Douglas Co., Mo.

PRIMULA

Lapageria Rosen, a beautiful greenhouse vine; flowers bell-shaped, of a fine rose color. 3 pkts. 25 cts, 1 pkt. 10 cts.

Laegerstroemia, Crape Myrtle, an elegant blooming shrub, hardy South, a pot plant North; 3 pkts. 25c, 1 pkt. 10c.

Lavatera Arborea, an easily-grown foliage plant; leaves silky-green with yellow blotches. 4 pkts. 15 cts, 1 pkt. 5 cts.

Libonia Floribunda, a winter-blooming plant; foliage rich green; flowers scarlet. 3 pkts. 25 cts. 1 pkt. 10 cts.

Lobelia, Barnard's Perpetual, a lovely basket plant, blooming well summer and winter; blooms profusely; blue with large white eye. 4 pkts. 10 cts, 1 pkt. 3 cts.

Mr. Park: I raised Barnard's Lobelia last year, and had a basketful of it suspended from the veranda, where it had plenty of sunshine. I never saw such deep, rich, blue flowers or such a mass of bloom. In autumn I removed the basket to a south window.—Ella Outhouse, Nova Scotia, Can., December 7, 1906.

Lophospermum Scandens, a robust vine, useful for a trellis; leaves soft green, flowers rosy. 4 pkts. 10 cts, 1 pkt. 3 c.

Malva Capensis, a showy plant bearing rosy lilac flowers in great abundance; good pot plants. 3 pkts. 25 cts, 1 pkt. 10 cts.

Mesembryanthemum, succulent plants with rich-colored flowers; like a sunny place. 4 pkts. 10 cts, 1 pkt. 3 cts.

Melanthus Major, an ornamental foliage plant 4 to 6 feet high, useful in sub-tropical gardening. 4 pkts. 15c, 1 pkt. 5c.

Mimosa Spegazzini, a rare sensitive plant, highly praised; it has elegant foliage; deserves trial. 4 pkts. 15c, 1 pkt. 5c.

Musa Ensete, the big-leaved Banana; easily grown and an elegant decorative plant. 4 seeds 10 cts, 1 seed 3 cts.

Nerium, Oleander, a well-known pot shrub at the North, but hardy South. Mixed, 4 pkts. 10 cts., 1 pkt. 3 cts.

Nertera Depressa, Bead Plant; miniature, creeping; fruit the size of small peas, bright orange. 4 pkts. 15c, 1 pkt 5c.

Nymphaea Cœrulea, blue, easily grown, and one of the finest of Water Lilies. 4 pkts. 15 cts, 1 pkt. 5 cts.

Nicotiana Sanderi, the new Carmine Nicotianas; grows 18 inches tall, and is a lovely winter, as well as summer-blooming plant; of easy culture. 4 pkts. 10 cts, 1 pkt. 5 cts.

Passiflora, Passion Vine, start readily from seeds; flowers curious and handsome; Blue, Scarlet and White flowered, also red-fruited. Each 5 cts. per pkt; mixed, 4 pkts. 10c, 1 pkt. 3c.

Pelargonium (Fancy Geranium), finest large-flowered varieties in superb mixture; easily grown, beautiful. Packet of 5 seeds, 10 cents, 3 packets 25 cents. (See Geranium.)

Phaseolus Caracalla, Climbing Snail Flower, from India; purplish, yellow tinged flowers. 4 pkts. 15 cts, 1 pkt. 5 cts.

Phormium, variegata, a stately foliage plant; striped sword-leaves. 4 pkts. 15 cts, 1 pkt. 5 cts.

Phygellus Capensis, a South African shrub; flowers scarlet on recurved stems; very pretty. 4 pkts. 15 cts, 1 pkt 5 cts.

Puschkinia, Scilloides, a pretty bulbous plant; flowers white, striped rich blue; showy in spikes. 4 pkts. 15c, 1 pkt. 5c.

Polygonum Multiflorum, a handsome perennial trellis vine; hardy, 4 pkts. 15 cts, 1 pkt. 5 cts.

Primula, Chinese Fringed, choice winter-bloomer, all colors. Mixed, 4 pkts. 10 cts, 1 pkt. 3 cts. (See preceding page.)

Physianthus Albens, a shrubby pot vine, bladder-like flowers; fine out-doors South. 4 pkts. 15 cts, 1 pkt. 5 cts.

Poinsettia Pulcherrima, a fine pot shrub; showy scarlet bracts in winter; hardy south. 3 pkts. 25 cts, 1 pkt. 10 cts.

As I can also furnish choice Palms in mixture. Plumbago, Psidium or Guava (a fine fruit-bearing shrub), Ptarmica fl. pl., Plumbago, Poinciana, French Potentilla and Siebold's Primrose. Each, per packet 10 cents, 3 packets 25 cents.

Primula, New French Giant.

Special Mixture, all colors, 4 pkts 15 cents, 1 pkt 5 cents.

FOR SEVERAL YEARS PAST I have been selling a very superior French strain of Chinese Primroses under the above name. The French are very successful growers of Primroses, and the seeds I offer are imported direct from a firm that gives the Chinese Primroses special attention. The plants are of fine shape and habit, and throw up grand scapes of bloom, the flowers being of great size, and showing distinct and exquisite shades of color in wonderful variety. I do not think this strain of Primroses can be excelled. I offer the seeds with perfect confidence, believing that those who try them will be more than pleased with the gorgeous and beautiful display of foliage and bloom produced.

Primula Obconica Grandiflora.

Special Mixture of all varieties, 4 pkts 10 cts, 1 pkt 3 cts.

P. Obconica Grandiflora.

THE PRIMULA OBCONICA is next if not equal to the Chinese Primrose for window culture. Plants start readily from seeds, and if started in spring or early summer will be ready for blooming by winter, and will be a mass of flowers till late the following spring. The improved, large-flowered varieties I offer bear flowers almost if not quite as large as the Chinese Primrose, while they bloom quite as freely. No window collection should be without a few plants of this beautiful Primrose.

Special mixture of Large-flowered Fringed, 4 pkts 15 cents, 1 pkt..... 5

Primula Denticulata.

The Varieties in fine mixture, 4 pkts 10 cts, 1 pkt 3 cts.

One of the most beautiful of Primroses. Grows six to ten inches high, showing lovely clusters of bloom. Said to be hardy in well-drained soil, but grows and blooms well as a window plant. Lilac, White, Rose and Purple, each 5 cents. Special mixture, 4 pkts 15 cents, 1 pkt 5 cts.

Primula, Improved Chinese Fringed.

57

Special Mixture of all varieties, 4 pkts 10 cts, 1 pkt 3 cts.

THERE ARE NO BETTER CHINESE PRIMROSES than these, unless it is the French Giant, described on the preceding page. Both plants and flowers have been developed to a high degree of perfection, and I am sure that this strain will give unbounded satisfaction. I have all of the new colors and variegations in both the Mallow-leaved and Fern-leaved sections, and my Special Mixture is carefully proportioned. My choice seeds of this splendid strain will not disappoint you.

Mallow-leaved Varieties.

Special mixture of Mallow-leaved, all varieties, 4 pkts 10 cts, 1 pkt 3 cts.

Klondike, a superb French novelty in Primroses; flowers golden yellow with fine white margin; entirely new, per packet.....15

Double Chinese Primrose, yields splendid, double flowers. I offer the choicest seeds in separate colors, White, Red, Rose, etc., and all mixed, 4 pkts 15 cents, 1 pkt 5 cents.

Duchess, a superb English novelty in Primroses; flowers pure white, with large, bright carmine centre; beautiful. Per packet.....15

Mixture of above 4 pkts 10c, 1pkt 3c

Primula Forbesi.

Mixed Shades, 4 pkts 10 cts, 1 pkt 3 cts.

This is a delicate and beautiful Primrose, one of the smallest of the family, and very often known as Baby Primrose. The plants start readily from seeds, and soon begin to bloom, keeping up the display for a long time. The colors are Rosy Lilac, Magenta, etc. It is a lovely little pot plant, and so tractable and pretty that it becomes a special favorite. Mixed shades, 4 packets 10 cts, 1 packet 3 cts.

Primula Farinosa, a handsome species, bearing clusters of rose-colored flowers. 4 pkts 15c, 1 pkt 5c.

Primula officinalis hybrida, sweet-scented Cowslip, fine for garden or pots. 4pkts 10c, 1 pkt 3c.

Primula Verticillata, a beautiful species of pyramidal growth; leaves powdered white; flowers golden yellow; new and rare. 4 pkts 15c, 1 pkt 3c.

Primula Floribunda.

Price, 4 pkts 10 cts, 1 pkt 3 cts.

This is the popular Buttercup Primrose. It is easily grown from seeds, and a very good window plant, bearing a profusion of flowers throughout the winter. The flowers are golden yellow, of fine texture, and very handsome. It is a splendid acquisition to our list of choice Primroses. 4 pkts 10c, 1 pkt 3c.

Hardy Shrubs and Trees.

59

I supply fresh seeds of the following fine Shrubs and Trees. Price, each 5 cts per packet. Or, in mixture at 3 packets for 25 cts, one packet 10 cts. Sow where they will not be disturbed for several months, as they do not always germinate promptly.

Acacia Julibrissin, fine foliage tree
Acer Schwedleri, red-leaf Maple
Platanus, big-leaf Maple
Aesculus rubicunda, H. Chestnut
Allantus gland'sa, Tree of Heaven
Akebia quinata, Japan vine
Alnus glutinosa, edge-water tree
Amelanchier Canaden., June berry
Amorpha fruticosa, hardy shrub
Canescens, Lead Plant
Ampelopsis Veitchii, Boston Ivy
Quinquefolia, Native Ivy
Amygdalus communis flw. Almond
Andromeda floribunda, shrub
Anona trioba, Pawpaw tree
Aralia spinosa, foliage shrub
Arbutus Andrachne, Strawberry tree
Unedo, a handsome species
Arctostaphylos glau., Cal. Red Bark
Aronia arbutifolia, slender shrub
Floribunda, fine with preceding
Aristolochia siphon, Dutchman's pipe
Aucuba Japonica, spotted evergreen
Azalea pontica, flowering shrub
Baccharis heliophylla, Groundsel tree
Berberis aquifolium, evergreen
Aristata, yellow, free-blooming
Thunbergii, fine hedge plant
Darwinii, evergreen, handsome
Bealii, a choice sort
Jamesonii, evergreen, excellent
Gracilis, Mahonia
Japonica, unbranching; long-leaf
Sieboldii, handsome
Vulgaris purpurea, purple-leaved
Betula alba laciniata, cut-leaf Birch
Pendula, the Weeping Birch
Populifolia, Poplar Birch
Bignonia radicans, Trumpet Vine
Grandiflora, large-flowered
Buddleia variabilis, flower'g shrub
Variabilis Veitchiana, fine
Calycanthus floridus, Sweet shrub
Fraxox fragrans
Callicarpa Americana, berried bush
Catalpa Kempteri, flowering tree
Bignonioides, blooming tree
Caryopteris mastia, Shrub Verbena
Ceanothus azureus, pale blue
Gloire de Valse, wall shrub
Gloire de Versailles, blue, fine
Cephalanthus occid. Button-flower
Cercidiphyllum Japan, pretty tree
Cissus heterophylla, varieg. grape
Cistus creticus, Cretan Rock Rose
Monspelienensis, Montp. Rock Rose
Citrus trifoli., hardy hedge orange
Celastrus scand's., Bit'r-sweet vine
Cercis Canadensis, Red-bud tree
Chionanthus Virginica, Fr'ge tree
Cladrastis tinctoria, Native tree
Clematis coccinea, Vine, scarlet
Coccinea hybrida, various shades
Flammula, vine, white, fragrant
Jackmani hybrida, large-flower'd
Montana, white, free-bloomer
Virginiana, Mill-dam Fuzzy head

Clematis Paniculata, favorite vine
Vitalba, Old Man's Beard
Viticella, Vine Bower, blue
Special mixture of Clematis
Clethra alnifolia, white flowers
Culcitra arborescens, Bladder Sena
Cornus florida, flowering Dogwood
Nuttallii, a fine forest tree
Coronilla glauca, yel. Crown Vetch
Emerus, Scorpion Senna
Cotoneaster Simondsii, very fine
Angustifolia, pretty berry-tree
Microphylla, a fine evergreen
Crataegus Oxyantha, Hawthorn
Sanguinea, scarlet flowered
Crataegus Pyracantha, a lovely
shrub, a mass of orange berries
in autumn
Cryptomeria Japonica, Evergreen
Cydonia Japonica, Japan Quince
Cytisus Laburnum, Golden K. in
Alpinus, fine hardy tree
Capitatus, shrub, yellow bloom
Nigricans, shrub, yellow bloom
Daphne Mazereum, Spurge Flax
Desmodium penduliflorum
Dillenii, hardy shrub
Dimorphanthus Mandschuricus
Diospyros virginiana Persimmon
Deutzia crenata fl. pl., double
Elaeagnus longipes, wine berry
Umbellata, berried shrub
Euonymus Americana, Cat-bell
Japonica, Evergreen, red berry
Europaeus, Spindle Tree
Exochorda grandiflora, white flw's
Fagus sylvatica purpurea, Beech
Fraxinus Ex. pendula, Weep'g Ash
Quadrangula, 4-angled Ash
Freemontia Californica, yel. bloom
Garrya Elliptica, blooming shrub
Genista Andreana, fine shrub
Tinctoria, Dyer's Greenwood
Germanica, blooming shrub
Gleditsia sinensis, Chinese tree
Triacanthos, Honey Locust
Glycine sinensis, Chinese Wistaria
Halesia, 2-winged snowdrop tree
Tetraptera, 4-wing S. drop tree
Halimodendron Argenteum, Pea
Shrub
Hamamelis Jap. Japan Witch Hazel
Hibiscus syriacus, fl. pl. dbl Althea
Hydrangea Hort. Imper. Eugenie
Hypericum calyci, Rose of Sharon
Idesia polycarpa, hardy Jap. tree
Ilex Aquifolium, evergreen Holly
Aq. folis variegatis, varieg Holly
Verticillata, winter berry
Japonica latifolia, broad-leaved Holly
Koeleuteria paniculata, yellow bloom
Laurus Nobilis salicif., Sweet Bay
Sassafras, fragrant bark
Leopedeza bicolor, blooms in fall
Leycesteria formosa, pretty shrub
Ligustrum Japonicum, Japan Privet
Liquidambar Styracif, Sweet Gum

Lonicera brachypoda reticu. aurea
Caprifolium, Frag. Honeysuckle
Tartarica, Bush Honeysuckle
Hall's Honeysuckle, ev'r bloom'g
Lycium Chinese, climbing shrub
Maclura aurantiaca, Osage Orange
Magnolia grandiflora, evergreen
Soulangeana, Early-flowering
Yulan (conspicua), deciduous
Glauc., white, fragrant.
Nysa Multiflora, many flowered
Paliurus aculeata, Garland Thorn
Paulownia Imperialis, a beautiful
flowering tree from Japan; big
clusters of blue bloom.
Paeonia arborea, the Tree Peony
Phellodendron Amuren., Cork tree
Philadelphus coro., Mock Orange
Grandiflorus, large bloom
Plomis fruticosa, yellow, showy
Photinia arbutifolia, Cal. May bush
Serrulata, the Chinese Hawthorn
Populus tremula, trembling Aspen
Ptelea trifoliata, 3-leaf Hop Tree
Pterocarya Caucasicus, nut tree
Quercus coccinea, Scarlet Oak
Rubra, Red Oak
Rhamnus cathartica, Buckthorn
Rhododendron hybridum, mixed
Rhodotyus Kerri., Everblooming
Rhus cotinus, the Smoke Tree
Rhus Copallina, Mountain Sumac
Ribes Aureum, Sweet Currant
Sanguineum, Red-flowering
Robinia Acacia, Black Locust
Bessoniiana, Umbrella Locust
Viscosa, flowering Locust
Rosa-Hybrid Perpetual, clean seed
Thea, clean seed, mixed
Hybrida grandiflora
Multiflora, climbing
Rugosa, Single Japan Rose
Rubiginosa, Native Sweet Briar
Rubus sorb. Strawberry-Raspberry
Sambucus racemosa, scarlet fruit
Nigra laciniata, cut-leaved Elder
Sambucus Ebulus, Danewort
Sophora Japonica, blooming tree
Japonica pendula, weeping sort
Secundiflora, dense, glossy tree
Sorbus Aucuparia, Mountain Ash
Tilia Americana, American Linden
Argentea, the Silver Lime
Argentea pendula, weeping Lime
Macrophylla, large-leaved Lime
Ungnodia speciosa, shrub, pink
Viburnum tinus, evergreen
Odoratifissimum, fragrant bloom
Opulifolium, Black Haw
Vitis Cignetis, shrubby vine
Vulpina, Southern Fox Grape
Weigela rosea, tubular rosy bloom
Xanthoceras sorbi, Hyacinth Tree
Yucca aloefolia, Aloe-like Yucca
Filamentosa, Adam's Needle and
Thread
Gloriosa, finely marked foliage

Popular Mixtures of Flower Seeds.

Mixture of Annuals.—Contains chiefly seeds of flowers blooming the first season; embraces over 100 genera, represents 500 kinds. Price 10 cts per packet.
Mixture of Biennials and Perennials.—Contains seeds of 125 species and varieties. Price 10 cts.

Scabiosa brachiata, charming pale blue flowers; early and continuous blooming; fine for cutting.

Silene pendula compacta Luna, yellow foliage, compact, edging; flowers delicate Carnation-color.

Solanum laciniatum, 5 feet; violet clusters; fine.

Tradax Gallardioides, new; early bedding plant; chrome yellow flowers nearly 2 inches across.

Zinnia Iris, pale yellow, striped, spotted and speckled red; double; handsome.

PERENNIALS.

Agapanthus Mooreanus, hardy; blue flowers.

Agave Utahensis, hardy Century Plant.

Alisma Plantago, Water Plantain; pink spikes.

Alyssum Gemonense, golden bloom in clusters.

Aquilegia Olympica Nana, new; dwarf, with very large flowers; handsome.

Aquilegia Siberica, 1 ft; bright lilac; free-bloomer.

Alpina Superba, 1 ft; large, deep blue flowers.

Arenaria Montana, rock plant; white flowers.

Arundo Phragmites, 6 ft; water reed; large plumes.

Armeria formosa hybrida, see A. Cephalotes, p 41

Asphodelus ramosus, 5 feet; large white flowers.

Astilbe Davidii, new; 6 ft; pretty mauve bloom.

Astrantia Major, 2 ft; pink flowers in umbels.

Baptisia Australis, yellow, pea bloom; 3 ft; fine.

Boltonia glastifolia, 2 ft; a mass of pink, Aster-like flowers; very pretty.

Euphthalmum cordifolium, 18 in; yellow daisy.

Campanula versicolor, 3 ft; violet, in spikes.

Cedrella Sinensis, beautiful; like Tree of Heaven.

Centaurea Montana, 2 ft; handsome border plant.

Chamaepeuce diantha; 2 ft; Fish-bone Thistle.

Chelone Lyoni, 2 ft; dense clusters of pink bloom.

Chrysanthemum frutescens, White Paris Daisy.

Comtesse de Chambord, lovely yellow variety.

Clematis crispa, purple, fringed hardy vine.

Recta, 3 feet high, white, very fragrant.

Dianthus Neglectus, a beautiful low Pink, growing in sandy soil in pots or beds; flowers an inch across, brilliant rose, in profusion. A lovely Pink.

Dianthus tritileiflorus, 14 inches; erect; flowers star-like in great abundance.

Digitalis, Foxglove, Iveryana, beautifully spotted.

Gloxinia flava, white, lilac, purple, rose, mixed.

Monstrosa, *Purpurea*, *Ferruginea*, *Yellow*, mixed.

Complete mixture, all fine per's., 4 pkts 10c, 1 pkt 3c.

Edwardia tetraptera, tree South, wall p't North.

Erythrina Crista Galli, 6 feet; large scarlet flowers in spikes; shrubby; not hardy North.

Gymnopsis uniserialis, 2 feet; flowers chrome yellow, 2 inches across, on long stems, for cutting.

Habitzia Tannoides, tall vine, green flowers.

Hedysarum coronarium, French Honeysuckle.

Helentenium autumnale superbum, six feet high, golden yellow flowers; very showy.

Helichrysum lanatum, silver-foliaged plant.

Hibiscus Moscheutos, large, pink bloom.

Incarvillea grandiflora, large, dark crimson

Isatis glauca, yellow, free-blooming, hardy peren.

Lucerne Tree, *Medicago* arborea, 5 feet, yellow umbels; endures drought, good fodder plant.

Lupinus Arboreus, Tree Lupin; 3 feet; yellow.

Lupinus, Snow Queen, white flowered sort; fine.

Lupinus sub-carnosus, 1 foot high, deep, rich blue; perennial, but blooms first season.

Pentstemon Speciosus, new hybrids; in mixture.

Polygonum multiflorum, 15 feet; hardy vine; white bloom in profusion; lovely.

Potentilla, French Nana semi-plena, mixed.

Platonicia, double, 1 foot, pure white, splendid.

Pueraria Thunbergiana, the Kudzu Vine; "Jack's

Bean Stalk;" 30 feet high.

Rodgersia podophylla, 4 ft; huge bronzy leaves.

Scabiosa Japonica, hardy, new, free-blooming;

Lavender blue; beautiful.

Stokesia Cyanea, 2 feet high; blue, Aster-like.

GREENHOUSE PLANTS.

Abrus precatorius, vine; Scarlet Prayer Bean.

Acacia Verticillata, pot shrub North; yellow bloom.

Basil, Sweet Bush, fine, fragrant plant for pots.

Begonia, Tuberous, fine foliage, fringed flowers.

Tuberous, Papilio, Butterfly Begonia; marbled.

Biancaea scandens, vine for South; yellow bloom.

Bignonia Tweediana, shrubby vine; vel. trumpets.

Smithii (Tecoma Smithii) pot plant.

Bilbergia Zebrina, barred succulent foliage.

Brownallia Roezlii, fine pot plant, azure bloom.

Calla Aethiopica, the White Calla Lily.

Alba Maculata, spotted-leaf Calla.

Centaurea Candidissima, silvery foliage; pretty.

Convolvulus aureus, yellow flowered.

Cupanianus, a fine annual.

Cryptostemma iustanicum, 8 inches, silvery, cut foliage, large, sulphur Gazania-like flowers.

Dasylirion acrotichum, 10 feet high; white, in 4-foot panicles; leaves an inch broad and 3 feet long; an elegant sub-tropical plant.

Dracena Draco, Dragon Tree; fine pot plant.

Egg Plant, beautiful scarlet fruits, not edible.

Eremurus robustus, 6 feet; new, giant Turkestan Lily; Peach-colored; handsome.

Ferns, greenhouse varieties, fine, in mixture.

Hardy garden varieties, fine, in mixture.

Fragaria Indica, golden yellow, basket plant.

Gladiolus Gandavensis, fine hybrids in all colors.

Glabrothamnus elegans, red; pot shrub.

Haydenbergia Comptoniana, greenhouse vine.

Hibiscus Californicus, yellow shrub.

Immutabilis and Mutabilis fl. pl.

Humea elegans, 5 feet, pink, weeping.

Indogifera Dosua, 18 inches; red, axillary bloom.

Floribunda, pale red axillary racemes.

Jerusalem Cherry, fine pot plant; mixed colors.

Kennedy bimaculata and Maryattae, handsome greenhouse vines.

Mandevilla suaveolens, 20 ft. vine; white, sweet.

Morrenia odorata, handsome vine, sweet bloom.

Myrtus Communis; evergreen, fragrant shrub.

Naegelia hybrida, gesneraceous, handsome bloom.

Palms, *Latania* borbonica, *Phoenix* reclinata,

Pritchardia filamentosa, *P. robusta*, *Corypha* Australis, *Chamaerops* excelsa, *Sabal* palmetto. [Palm seeds per pkt, each 10 cts, mixed 10 cts.]

Panicum virgatum, pretty Palm-like grass, for pot.

Poinciana Gillesi, Bird of Paradise, fine.

Regia, a beautiful tree for the South.

Primula Cachmeriana, *Viscosa*, *Corfusedes* and

Sikkimensis, all fine pot plants.

Rehmannia angulata, 3 ft; large, showy bloom.

Semperivum, greenhouse varieties mixed.

Solandra grandiflora, 15 ft; Peach Trumpet Flower.

Spartocytisus nubigenus, rare, white, sweet.

SEED ORDER.

DETACH THIS LEAF and mail with the Money. See how to Remit on Title Page.

As you read pencil below the seeds desired, then write name and address, and your order is ready for mailing.

This image shows a single sheet of white paper with horizontal blue or grey ruling lines. The lines are evenly spaced and run across the width of the page. There is no handwriting or printed text on the paper. A slight shadow is visible along the right edge, suggesting it's part of a bound notebook.

At My Risk.—Remit at my risk by Money Order, Express Order, Draft or Registered Letter.

Summer-Blooming Bulbs.

63

The following choice bulbous and tuberous plants I supply at the prices quoted. Some are hardy, some half-hardy, and all beautiful. Always include a few of them in your order.

Achimenes, fine little bulbs for pots and baskets; flowers rich purple, red, white, etc.; splendid. In colors, 10 cts each; mixed 5 cts each. 50 cents per dozen. Not hardy.

Alstroemeria aurantiaca, a Lily-like plant, with orange flowers, not hardy. 15c each. \$1.50 per doz.

Amaryllis, Alberth strain, immense flowers from white slightly tinted to deep crimson. Mixed 50 cts each, \$5.00 per doz. Separate colors \$1.00 each. Johnsonii, the old kind, 25 cts each, \$2.50 per doz. Treatea, small, lovely pink, free-blooming, 5 cts ea.

Apios tuberosa, a native vine bearing clusters of pea-like flowers; likes a moist situation. 5 cents each, 50 cents per dozen.

Agapanthus, the Blue African Lily, a fine pot or tub plant; almost hardy. Blue and white, 15 cts each, \$1.50 per dozen.

Arum Italian, dwarf, 15 cts each, \$1.50 per dozen.

Arum Cornutum, blooms without soil or water, but ill-smelling. Large tubers, 25 cts; smaller, 15 cts.

Begonia, Giant Tuberous, Single, finest large-flowered Belgian strain, Red, Scarlet, Rose, Yellow, Salmon, Orange and White, large tubers, 6 cents each; the collection of seven colors, 35 cts. Smaller tubers, same colors, 5 cts each, or the lot 25 cts.

Begonia, Giant Tuberous, Double, splendid large flowers finest strain, Red, Scarlet, Rose, Salmon, Yellow, Orange, White, each 10 cents; the collection of 7 colors, 60 cents. Smaller tubers, 7 cents each; the collection of same tubers, 35 cents.

I offer only the fine large-flowered strain, grown by Belgian Florists for me, and imported. They can be depended upon for the finest flowers. There are none better. Pot the tubers with the crown protruding. Use porous, fibrous soil, water moderately, keep in partial shade and shield from wind.

Caladium, Fancy, finest varieties, named, 20 cents each, \$2.00 per dozen.

These are lovely foliage plants. The tubers are small, but make fine plants. Water sparingly until growth begins, then freely. Protect from wind and hot sun.

Calla, Large-flowered White, fine blooming-sized bulbs, sure to bloom under proper treatment. 15 cents each, \$1.50 per dozen.

Calla, Spotted-leaved, smaller flowers, sulphur-white with purple throat; summer-blooming. 10 cents each, \$1.00 per dozen.

Canna, New Gladiolus-flowered, finest named sorts, Crimson, Scarlet, White, Yellow, and Red, Spotted, each 10 cents, \$1.00 per dozen. 27 roots in five sorts, for a six-foot bed, with planting directions, only \$2.00. The tubers are dry, and should be ordered early, for starting. Cannas like a warm, sunny place, rich soil, and an abundance of water.

Chlidanthus fragrans, an Amaryllis-like plant with yellow fragrant flowers. Rest the bulbs during the winter. 20 cents each, \$2.00 per dozen.

Diecnra Spectabilis, Bleeding Heart, a lovely hardy plant; waxy, drooping, pink flowers in long racemes. 15 cents each, \$1.50 per dozen.

Dielytra Eximia, hardy everblooming, 15 cents each, \$1.50 per dozen.

Double Dahlia, finest named double varieties, White, Rose, Scarlet, Crimson, Purple and Variegated, each 15 cents, \$1.50 per dozen.

Eucomis punctata, bears a long, fleshy upright spike of greenish, deliciously scented flowers. Treat as Gladiolus, bedding out in summer. 20 cents each, \$2.00 per dozen.

Funkia Subcordata, white, hardy, 15c ea, doz \$1.50.

Galltonia (Hyacinthus) Candicans, the Giant Summer Hyacinth; scapes three feet high, with white, drooping bells at the summit. Each, large size 8 cents, 80 cents per dozen; smaller, 5 cents each, 50 cents per dozen.

Gladiolus, Park's Special Mixture, very fine bulbs of all the leading colors well proportioned, unsurpassed, each 3 cts, 6 bulbs 15 cts, 12 bulbs 25 cts. Lemoine Gladiolus, finest mixture, same prices. 2nd size, fine blooming-sized bulbs, choice mixture, 3 bulbs 10 cts, 100 bulbs, mailed, \$1.00.

Gladiolus, Groff's Hybrids, considered the finest strain of Gladiolus known, White, Yellow, Pink, Scarlet, Violet, Blue and Variegated, all in mixture, unexcelled, each 5 cts, 35 cts per doz, \$3.50 per hundred, mailed. Giant Childsii same price.

Gladiolus Collections. French Hybrids, choicest named sorts in all colors, 10 bulbs 35 cts, 20 bulbs 65 cts. Dwarf Gladiolus, collection of ten finest named sorts 15 cents, including Park's Floral Magazine for a year. See last cover page of Guide.

Gladiolus, French Hybrids in mixture. A choice strain, imported, embracing all colors. 20 bulbs with Magazine a year for only 15 cents. This is a special offer. The bulbs are not large but of blooming size, and will make a fine bed. They will improve with age, and make a fine display the second and third years.

Gladiolus Trimaculatus, new, spotted, hardy, 10 cents each, \$1.00 per dozen.

Gloxinia, Giant Belgian Hybrids, White, Blue, Scarlet, Spotted, Red, Red with white margin, and Blue with white margin, 10 cents each, or the seven varieties, all fine bulbs, for 50 cents.

My Gloxinias are of the finest Belgian strain, large-flowered and rich-colored. Pot them with the crown protruding, using rich, fibrous loam, well drained, and water not too freely. An eastern exposure and a place sheltered from wind suits them.

Hemerocallis, Day Lily.—Of these I supply H. flava, the Lemon Lily, fragrant, golden bloom, beautiful; H. Thunbergii, similar but taller and later; H. Fulva, the old garden Lily; all two feet high. H. Sieboldii, one foot high, with orange flowers in clusters; H. Kwanso fl. pl., a very fine double sort. Any of these Day Lilies mailed for 10 cents, or \$1.00 per dozen. They make a fine border or clump, and are perfectly hardy.

Iris Germanica, blue; Iris Florentina, white, blue and purple; Iris Acorus, yellow; Iris Kempteri, white, blue, red, striped; Iris Madam Cherreau, tall, striped; Iris Foetidissima Variegata; Iris Siberica, white, purple and violet. Any variety 10 cents each, or \$1.00 per dozen. The Florentine Iris are among the most showy and beautiful of the lot, and I especially recommend them for the garden.

Lilium Auratum, the Gold-banded Japan Lily, large, fine bulbs, 20 cents each, \$2.00 per dozen. This is one of the most satisfactory of Lilies.

Lilium Lancifolium, red, rose, and white, all finely spotted, each 15 cents, \$1.50 per dozen. Hardy and beautiful, improving with age.

Lilium Takesima, a beautiful, fragrant, pure white Lily; grows nearly two feet high, and is perfectly hardy. Price 15 cents each, \$1.00 per dozen.

Lilium Tigrinum splendens, the improved Tiger Lily. Makes a grand clump of rich bloom, each 10 cts, \$1.00 per doz. Double-flowered Tiger Lily same price.

Lilium umbellatum, Early-flowering, in clusters, on a stem a foot high; showy and hardy. Each 10 cts, \$1.00 per dozen.

Lily of the Valley, fine German pips, sure to bloom, 5 pips 15 cts, 12 pips 35 cts; Finest Dutch pips same price.

Lily of the Valley, Fortin's New Giant, a superb garden variety; large flowers in large racemes; very fine, 5 pips 20 cents, 12 pips 40 cents.

Madeira Vine, a splendid porch vine; massive, clean, rather succulent foliage, and with white fragrant bloom in autumn; will climb 30 feet, and has no insect enemies, 5 cts each 50 cts per doz.

Montbretia, Hybrids, splendid, large-flowered varieties in all the colors and variegations, 5 cts ea, 50 cts per dozen. Special price by collection. See last cover page.

Paeonies, Chinese, pink, red white and mixed, 15 cents each, \$1.50 per dozen.

Paeony Officialis, the old-fashioned red sort, also pink, same price.

Tigridia (Ferraria) the Tigred Shell Flower, one foot high, showing large, handsome flowers throughout the season. White, Yellow and Red, each 5 cents, 50 cents per dozen.

Tritoma, Flame Flower; big spikes of orange-scarlet bloom throughout autumn. T. Corallina, one foot high, and T. MacOwani, two feet high and very showy, 15 cents each, \$1.50 per dozen.

Tuberose, Excelsior Pearl, rather dwarf, with long spikes of lovely white, deliciously scented flowers. If the spikes are cut and placed in a colored liquid, as red ink, the flowers will turn to a fine shade of red. Large bulbs 4 cents each, 30 cents per dozen; smaller, but blooming size, 3 cents each, 20 cents per dozen.

Tydaea, fine summer pot flower, 15c ea. doz. \$1.50.

Water Lily, a fine native water plant; flowers white with yellow centre, very beautiful and fragrant. Large tubers 20 cents, \$2.00 per dozen.

Zephyranthus, fine bulbs, sure to bloom; Pink, half hardy, and White, hardy; 5 cents each, 50 cents per dozen.

OTHER BULBS, also Hardy Bulbs, as Tulips, Hyacinths, etc., see my Bulb offerings in autumn.

The Finest Zonale Geraniums.

I OFFER TWO COLLECTIONS of the finest Zonale Geraniums in cultivation. All are double, and the list embraces the leading beautiful colors. These Geraniums are fine either in pots or bedded out, as they are always free-blooming either indoors or out, and will endure the hot sun, always opening their flowers, and retaining them for a long period. They are unsurpassed for bedding, and for this purpose I can supply plants of any variety by the hundred at \$4.00 per hundred, delivered at express office here, purchaser paying express charges. By mail the price is 10 cts each, or collection of four for 25 cents.

EITHER COLLECTION, 25CTS. Or, if both collections are ordered, an extra plant, my selection, will be added, making 9 plants for 50 cents. **Substitutes.**—If you have any of the varieties named below, select substitutes from Alphons Ricard, orange-red; E. H. Trego, scarlet; Double Gen. Grant, orange-scarlet; Jno. Doyle, rich scarlet; Mme. Charlotte, rosy salmon.

Collection I.

White, Mme. Buchner, extra large trusses, 10
Pink, Jean Viaud, fine large trusses, beautiful .. 10
Carmine, Duc de Montemort, splendid trusses 10
Crimson, S. A. Nutt, massive trusses, very rich 10

Collection II.

Blush White, Madam Jaulin, superb trusses. .. 10
Salmon, Beaute Poitevine, very large trusses. 10
Cherry Red, Marquis de Castellaine, beautiful 10
Pink, Francis Perkins, long-stemmed trusses... 10

SPECIAL.—Send me a \$1.00 order during January, February, May or June, or a \$3.00 order during March or April, and I will mail to you, entirely free, either collection of Geraniums, sending them as soon as the weather is safe to mail them. See title page of Guide.

ROSES.—I have a large assortment of Roses, fine plants of the best varieties. Price 10 cents each, or \$1.00 per dozen, mailed. The four finest everblooming Roses—Maman Cochet White, M. Cochet Pink, Heten Gould, red, and Etoile de Lyon, yellow, mailed for 25 cents. Philadelphia Crimson Rambler, 10 cents, or three plants for 25 cents. Roses, fine sorts, my selection, 15 plants for \$1.00. Let me have your Rose order, I am sure the plants will please you.

CHRYSANTHEMUMS.—The Best Hardy Chrysanthemums are Prince of Wales, white; Bohemia, yellow; Salem, rose pink; Julia La Gravera, crimson; and Mrs. Porter, Bronze. There are no finer varieties for the garden than these, being very double, free-blooming, and rich and varied in colors. I will mail any variety at 10 cents or the lot, five plants, for only 30 cents. If you do not have these, be sure to include them in your order.

Bargain Bulb Collection.

GLADIOLUS

I HAVE SECURED a large quantity of fine bulbs of the rare and beautiful Dwarf Gladiolus, in ten of the finest named varieties, embracing all the most charming shades, colors and variegations; and also a large quantity of fine bulbs of the elegant Hardy Montbretias, in ten finest named varieties, embracing all the most charming shades, colors and variegations. These were obtained from first-class Holland growers at a marvelously low price, because they had a big surplus stock on hand. I therefore share with my patrons by offering both collections with PARK'S FLORAL MAGAZINE for a year for only 25 cents, or one collection with MAGAZINE for 15 cents. This is a remarkable offer, and I hope my friends will avail themselves of it, as I may never be able to duplicate it. Following are the collections

MONTBRETIA

10 CHOICE NAMED DWARF GLADIOLUS.

Ardens, fiery scarlet, pink flakes 5

Tigridia, yellow with red eye 5
Rosea, fine rose-color, spotted 5
Sulphurea, sulphur, shaded yellow 5
Pyramidalis, salmony apricot. 5
Germania, golden orange 5
Drap d' Or, orange-yellow 5
Pottii grandiflora, orange, flushed yellow... 5

Park's Floral Magazine.

AN ILLUSTRATED MONTHLY devoted entirely to flowers, is the oldest, most practical, and most widely circulated periodical of its class in the world. Established in 1871, it has been continuously edited and published under the same management ever since, a period of 39 years. It visits and makes brighter and happier every month more than 450,000 homes. Does it visit your home? If not, why not? It is just what the amateur florist needs to keep him posted upon flowers and their culture, diseases of plants and remedies, plant pests and how to get rid of them. Every volume is indexed, and bound at the close of the year becomes an encyclopedia of valuable information, available as a work of reference. Subscription price only 10 cents a year.

Seed and Bulb Premiums.

For 15 Cents I will mail PARK'S FLORAL MAGAZINE for a year and 10 choice named Dwarf Gladiolus, or 10 named Hardy Montbretias, or 20 mixed French Hybrid Gladiolus. Or, for 40 cents I will send the MAGAZINE for a year and all these 40 bulbs. They are all fine, blooming-sized bulbs.

For 25 Cents I will mail the MAGAZINE for a year, and 25 cents worth of seeds selected from this GUIDE. This liberal offer is made to encourage a trial of my seeds, and induce you to become acquainted with my MAGAZINE, to which I trust you will afterwards become a continuous subscriber. Send for blanks, samples, etc., and get up a club. Address
